"A majestic chronicle that covers history, political science and the philosophy behind the social contract . . . a bold and path-breaking book."

—THE NEW YORK TIMES

*James MacGregor Burns
and Stewart Burns*

Peoples Charter The Pursuit Of Rights In America

Michael McCann

Peoples Charter The Pursuit Of Rights In America:

A People's Charter James MacGregor Burns, Stewart Burns, 1993 On the 200th anniversary of the signing of the Bill of Rights this book restores freedom in America from its textbook definitions to a dynamic process the result of an ongoing struggle between elites rebels haves and have nots A bold and path breaking book The New York Times **A People's Charter** Ezra Jack Keats, 1967 **Long Overdue** Charles P. Henry, 2009-09 In the wake of recent successes in South Africa and New Zealand new models for reparations have recently found traction in a number of American cities and states from Dallas to Baltimore and Virginia to California By looking at other dispossessed group Native Americans holocaust survivors and Japanese internment victims in the 1940s Henry shows how some groups have won the fight for reparations As Hurricane Katrina made apparent the legacy of racial segregation and economic disadvantage is never far below the surface in America Long Overdue provides an up to date survey of the political and legislative efforts that are now breaking the surface to move reparations into the heart of our national discussion about race A Conscious Endeavor Terence Wenzl, 2014-12-17 A Conscious Endeavor is a synopsis of the social teachings and the concept of justice in the Old and New Testament It looks through the lens of the Old Testament books of Torah law and the New Testament teachings of Jesus applying them to contemporary situations and raising questions regarding housing costs and other basic costs of living Ultimately this book invokes the personal conversion of inner change so that readers can apply what they learn to their own work situations and their payment of a just wage **Employment with a Human Face** John W. Budd, 2004 John W Budd contends that the turbulence of the current workplace and the importance of work for individuals and society make it vitally important that employment be given a human face Contradicting the traditional view of the employment relationship as a purely economic transaction with business wanting efficiency and workers wanting income Budd argues that equity and voice are equally important objectives The traditional narrow focus on efficiency must be balanced with employees entitlement to fair treatment equity and the opportunity to have meaningful input into decisions voice he says Only through a greater respect for these human concerns can broadly shared prosperity respect for human dignity and equal appreciation for the competing human rights of property and labor be achieved Budd proposes a fresh set of objectives for modern democracies efficiency equity and voice and supports this new triad with an intellectual framework for analyzing employment institutions and practices In the process he draws on scholarship from industrial relations law political science moral philosophy theology psychology sociology and economics and advances debates over free markets globalization human rights and ethics He applies his framework to important employment related topics such as workplace governance the New Deal industrial relations system comparative industrial relations labor union strategies and globalization These analyses create a foundation for reforming employment practices social norms and public policies In the book s final chapter Budd advocates the creation of the field of human resources and industrial relations and explores the wider implications of this renewed conceptualization

of industrial relations **Dictionary of International Human Rights Law** John S. Gibson, 1996 I Civil and Political Rights

Sister Revolutions Susan Dunn, 2024-07-02 A keen and judicious meditation on the two great revolutions that created the modern world what they had in common and where and why they diverged Arthur Schlesinger Jr Pulitzer Prize winning author In 1790 the American diplomat and politician Gouverneur Morris compared the French and American Revolutions saying that the French have taken Genius instead of Reason for their guide adopted Experiment instead of Experience and wander in the Dark because they prefer Lightning to Light Although both revolutions professed similar Enlightenment ideals of freedom equality and justice there were dramatic differences The Americans were content to preserve many aspects of their English heritage the French sought a complete break with a thousand years of history The Americans accepted nonviolent political conflict the French valued unity above all The Americans emphasized individual rights while the French stressed public order and cohesion Why did the two revolutions follow such different trajectories What influence have the two different visions of democracy had on modern history And what lessons do they offer us about democracy today In a lucid narrative style with particular emphasis on lively portraits of the major actors Susan Dunn traces the legacies of the two great revolutions through modern history and up to the revolutionary movements of our own time Her combination of history and political analysis will appeal to all who take an interest in the way democratic nations are governed Stimulating and provocative shows not only how the French and American experiments developed but also why their differing examples have continued to beguile leaders Paul Gray Time

Transforming Leadership James MacGregor Burns, 2007-12-01 The New York Times bestselling author and Pulitzer Prize winner examines the history of leadership and the crucial role of leaders in a healthy democracy In *Transforming Leadership* James MacGregor Burns illuminates the evolution of leadership structures from the chieftains of tribal African societies through Europe's absolute monarchies to the blossoming of the Enlightenment's ideals of liberty and happiness during the American Revolution Along the way he looks at key breakthroughs in leadership and the towering leaders who attempted to transform their worlds Elizabeth I Washington Jefferson Gandhi Eleanor Roosevelt Gorbachev and others Culminating in a bold and innovative plan to address the greatest global leadership challenge of the twenty first century the long intractable problem of global poverty *Transforming Leadership* will spark lively discussion in classrooms and boardrooms throughout the country

The ^Oxford Guide to United States Supreme Court Decisions Kermit Hall, James W Ely Jr., 2009-03-11 This new edition examines more than 450 major Supreme Court cases including 53 of the latest landmark rulings Written by eminent legal scholars each entry provides the United States Reports citation the date the case was argued and decided the vote of the Justices who wrote the opinion for the Court who concurred and who dissented More important the entries feature an informative account of the particulars of the case the legal and social background the reasoning behind the Court's decision and the case's impact on American society

A Resurrection of the Republican Ideal Charles Stewart Goodwin, 1995 *A Resurrection of the Republican Ideal* offers a unique perspective on

governmental reform Employing traditional philosophies and principles that have largely been forgotten Goodwin proposes methodologies that are designed to increase citizen participation in this country by redirecting power and funding away from a governmental center and toward localities Contents PRECEDENT AND POSSIBILITY Republican Questions Set the Stage Historical Perspectives Government and the Individual The Alternate Contract Spectre Extreme Dangers PHILOSOPHIES FOR IMPROVEMENT Montesquieu s Theory of Small Republics Vaclav Havel s Politics of Conscience Inspiration from the Iroquois Confederacy AN AMBIANCE FOR GOVERNING Defining the Solution Where the Grass Roots Begin Localism in Action A Small Republic Example Grappling with the Issues Selecting Representatives WIDENING THE SCOPE Hemispheric Implications Pipe Dream or Possibility *Mixed News* Jay Black,2013-12-02 This volume addresses some of the central issues of journalism today the nature and needs of the individual versus the nature and needs of the broader society theories of communitarianism versus Enlightenment liberalism independence versus interdependence vs co dependency negative versus positive freedoms Constitutional mandates versus marketplace mandates universal ethical issues versus situational and or professional values traditional values versus information age values ethics of management versus ethics of worker bees commitment and compassion versus detachment and professional distance conflicts of interest versus conflicted disinterest and talking to versus talking with All of these issues are discussed within the framework of the frenetic field of daily journalism a field that operates at a pace and under a set of professional standards that all but preclude careful systematic examinations of its own rituals and practices The explorations presented here not only advance the enterprise but also help student and professional observers to work through some of the most perplexing dilemmas to have faced the news media and public in recent times This lively volume showcases the differing opinions of journalistic experts on this significant contemporary issue in public life Unlike previous books and monographs which have tended toward unbridled enthusiasm about public journalism and trade press articles which have tended toward pessimism this book offers strong voices on several sides of this complex debate To help inform the debate a series of voices journalistic interviews with practitioners and critics of public journalism is interspersed throughout the text At the end of each essay a series of quotes from a wide variety of sources In other words augments each chapter with ideas and insights that support and contradict the points used by each chapter author *Our Rights* David J. Bodenhamer,2007 This boxed set contains classroom resources to help America s educators teach about the most important documents in U S history Box **Law and Social Movements** Michael McCann,2017-07-05 The work of both socio legal scholars and specialists working in social movements research continues to contribute to our understanding of how law relates to and informs the politics of social movements In the 1990s an important line of new research most of it initiated by those working in the law and society tradition began to bridge the gaps between these two areas of scholarship This work includes new approaches to group legal mobilization politics analysis of the judicial impact on social reform struggles studies of individual legal mobilization in civil disputing and an almost entirely new area of

research in cause lawyering It brings together the best of this research introduced by a detailed essay by the editor

Bringing Human Rights Home Catherine Albisa, Martha F. Davis, Cynthia Soohoo, 2007-12-30 This three volume set chronicles the history of human rights in the United States from the perspective of domestic social justice activism First the set examines the political forces and historic events that resulted in the U S s failure to embrace human rights principles at home while actively albeit selectively championing and promoting human rights abroad It then considers the current explosion of human rights activism around issues within the United States and the way human rights is transforming domestic social justice work The first volume provides a historical perspective on the United States ambivalent relationship with the international human rights movement It examines the implications of recognizing domestic rights violations as a matter of international concern and the relationship between international and domestic law It also addresses the role the Cold War and Southern opposition to international scrutiny of its Jim Crow policies and segregation played in shaping U S attitudes toward human rights generally and social and economic rights in particular These factors forced social justice organizations to largely abandon employing a human rights framework in their domestic work and had a lasting impact on U S perspectives about fundamental rights and the role of government The set also chronicles current domestic human rights work Volumes two and three consider why domestic activists currently are using human rights and the tactical advantages and practical challenges posed by such strategies These volumes cover everything from globalization to terrorism and the erosion of civil rights protections that led to a renewed interest in human rights human rights versus civil rights strategies and the different ways human rights can support social activism

To the Mountaintop Stewart Burns, 2009-03-17 More than a biography *To the Mountaintop* is the history of a turbulent epoch that changed the course of American and world history Moral warrior and nonviolent apostle man of God rocked by fury fear and guilt rational thinker driven by emotional and spiritual truth Martin Luther King Jr struggled to reconcile these divisions in his soul Here is an intimate narrative of his intellectual and spiritual journey from cautious liberal to reluctant radical to righteous revolutionary Stewart Burns draws not only on King s speeches letters writings and well reported strategizing and activities but also on previously underutilized oral histories of key meetings and events which present a dramatic account of King and the movement in the crucial years from 1955 to 1968 In a striking departure from earlier books on Martin Luther King Jr and the civil rights movement Burns focuses on King s biblical faith and spiritual vision as fundamental to his political leadership and shows how these threads wove together a single garment of destiny making King the most important social prophet of the twentieth century King is not portrayed as a lone exalted hero but as the heart of a fabric of principled leadership that stretched from his closest colleagues to the movement s foot soldiers on the streets This book stresses his shaping by other leaders heroic figures such as Bayard Rustin Ella Baker James Bevel Bob Moses and Marian Wright Edelman and his conflicted relationships with John and Robert Kennedy and Lyndon Johnson *To the Mountaintop* is uniquely powerful in presenting actual conversations

between King and others and in showing how King's public words often revealed his private torment Burns provides a uniquely realist portrait of King and the civil rights movement by revealing the vital but neglected religious character of the story and by demonstrating how King profoundly experienced the movement as a sacred mission following a path of liberation and sacrifice pioneered by Moses and Jesus

Civil Liberties in America Samuel Walker, 2004-04-15 A concise authoritative guide to civil liberties issues in American society from freedom of speech and religious liberty to due process equal protection and privacy Written for a general audience this work clearly defines civil liberties and explains their legal basis in the Bill of Rights state constitutions legal statutes and administrative regulations It reviews the subject's history from 1917 to the present and covers the full range of civil liberties issues the First Amendment due process equal protection and privacy In addition to extensive material on past controversies such as the Scopes trial and the internment of Japanese Americans during World War II the book discusses important contemporary issues such as censorship on the Internet and drug testing The coverage also examines conflicting civil liberties issues such as hate speech which pits one person's freedom of expression against another's right to equal protection The book contains extensive bibliographic references to books and articles and a long list of website links to organizations active on all sides of today's civil liberties controversies

IJER Vol 5-N1 International Journal of Educational Reform, 1996-01-01 The mission of the International Journal of Educational Reform IJER is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities As the only peer reviewed scholarly publication that combines authors' voices without regard for the political affiliations perspectives or research methodologies IJER provides readers with a balanced view of all sides of the political and educational mainstream To this end IJER includes but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration curriculum instruction law and research IJER should thus be of interest to professional educators with decision making roles and policymakers at all levels turn since it provides a broad based conversation between and among policymakers practitioners and academicians about reform goals objectives and methods for success throughout the world Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes Finally it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U S and the world

We the People , 1992

Identities in North America , 1995-02 This wide ranging inquiry into the socio cultural forces that define the three nations of North America seeks out ways in which the countries can become more comfortable with their collective future on the continent

The Encyclopedia of Civil Liberties in America David Schultz, John R. Vile, 2015-04-10 Driven by the growing reality of international terrorism the threats to civil liberties and individual rights in America are greater today than at any time

since the McCarthy era in the 1950s At this critical time when individual freedoms are being weighed against the need for increased security this exhaustive three volume set provides the most detailed coverage of contemporary and historical issues relating to basic rights covered in the United States Constitution The Encyclopedia of Civil Liberties in America examines the history and hotly contested debates surrounding the concept and practice of civil liberties It provides detailed history of court cases events Constitutional amendments and rights personalities and themes that have had an impact on our freedoms in America The Encyclopedia appraises the state of civil liberties in America today and examines growing concerns over the limiting of personal freedoms for the common good Complete with selected relevant documents and a chronology of civil liberties developments and arranged in A Z format with multiple indexes for quick reference The Encyclopedia of Civil Liberties in America includes in depth coverage of freedom of speech religion press and assembly as outlined in the first amendment protection against unreasonable search and seizure as outlined in the fourth amendment criminal due process rights as outlined in the fifth sixth seventh and eighth amendments property rights economic liberties and other rights found within the text of the United States Constitution Supreme Court justices presidents and other personalities focusing specifically on their contributions to or effect on civil liberties concepts themes and events related to civil liberties both practical and theoretical court cases and their impact on civil liberties

Thank you definitely much for downloading **Peoples Charter The Pursuit Of Rights In America**. Maybe you have knowledge that, people have seen numerous periods for their favorite books later than this Peoples Charter The Pursuit Of Rights In America, but end in the works in harmful downloads.

Rather than enjoying a good PDF like a mug of coffee in the afternoon, instead they juggled in the same way as some harmful virus inside their computer. **Peoples Charter The Pursuit Of Rights In America** is approachable in our digital library with an online permission to it is set as public fittingly you can download it instantly. Our digital library saves in merged countries, allowing you to acquire the most less latency epoch to download any of our books similar to this one.
