- 1 the Inter American Commission and Court of Human Rights
- 2 the European Court of Human Rights
- 3 the African Commission and Court of Human and Peoples Rights and
- 4 the ASEAN Intergovernmental Human Rights Commission

These systems guarantee primarily civil and political rights Central to all four systems is the necessity of a democratic form of government to guarantee these rights although not all governments parties to these regional treaties are democracies These articles trace the history of these systems in particular the expansion of their membership to include almost all independent countries in the region and their evolution towards recognition of a right to democracy
