## **Peoples War Conditions Consequences:**

People's War J. L. S. Girling, 2013-11-05 First published in 1969 The consequences in this book refer to Peking's policy on people's war and to US counter measures and the effect of these in South East Asia The author argues that on the whole China under Communism was a better place for the majority of people than it was under the Kuomintang Contents include Revolution and Intervention in South East Asia Communist Revolts 1948 Sino Soviet Dispute US reaction the Vietnam Commitment China Conditions for Success The Struggle for Vietnam August Insurrection China in Maphilindo Lessons from Malaya and the Philippines Peace and the Tet Offensive **From People's War to People's Rule** Timothy J.

Lomperis, 2000-11-09 Timothy Lomperis persuasively argues the ironic point that the lessons of American involvement in Vietnam are not to be found in any analysis of the war by itself Rather he proposes a comparison of the Vietnam experience with seven other cases of Western intervention in communist insurgencies during the Cold War era China Indochina Greece the Philippines Malaya Cambodia and Laos Lomperis maintains that popular insurgencies are manifestations of crises in political legitimacy which occur as a result of the societal stresses caused by modernization Therefore he argues any intervention in a people's war will succeed or fail depending on how it affects this crisis The unifying theme in the cases Lomperis discusses is the power of land reform and electoral democracy to cement political legitimacy and therefore deflect revolutionary movements Applying this theory to the ongoing Sendero Luminoso insurgency in Peru Lomperis makes a qualified prediction of that conflict's outcome He concludes that a global trend toward democratization has produced a new era of people's rule *People's War* Thomas A Marks, Paul Rich, 2019-12-18 Far from being an anachronism much less a kit bag of techniques people's war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of people's war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of people's war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of *Small Wars Insurgencies* People's War (RLE Modern East and South East Asia) J.L.S. Girling, 2017-09-19 This book first published in 1969 casts a critical eye over the problem of insurgency The author sees insurgency not just as a matter of technique military tactics or organizational skill nor as the result of force and fraud but as people's war the conditions in which the mass of the people become involved voluntarily or otherwise on either

side He quotes Nasution's statement The guerrilla movement is only the result not the cause of the problem People's war brings the peasantry hitherto ignorant apathetic or rejected into the political process For war is the continuation of politics by other means In Asia this was essentially a peasant's war arising when peasant grievances interests or demands cannot be met under the existing legitimate but urban or landowner orientated system of rule It shows little understanding to blame outside intervention when peasant and nationalist unrest leads to revolt The Chinese Communists did not owe success to Soviet aid the Vietminh to Chinese assistance or the Vietcong to North Vietnamese intervention The conclusion applies to governments as to insurgents no amount of outside aid can win the war for them if they themselves are incapable and the people on whom they depend for support have no will to fight This book based on first hand experience of the area and on study of original sources offers 1 an analysis of people's war in China Indochina and Vietnam 2 a critique of US policy in Laos and Vietnam and 3 a comparison with counter measures in Malaya the Philippines and Indonesia It is both original and constructive

**People's War and Aftermath Nepal** Sunil Thapa, Dr. Drew Cottle, 2018-02-01 This book is a study of how and why Nepal after a 10 year long armed insurgency regicide and fundamental political change sought to find a way to achieve peace and security The chosen pathway to peace and reconciliation in Nepal after the decade of war and destruction is examined It has faced delay frustration and neglect after its protracted implementation Politics has determined whatever peace process will be achieved in Nepal

The Aftermath Of The 1989 Tiananmen Crisis For Mainland China Bih-jaw Lin, 2019-07-11 The 1989 Tiananmen crisis marked a crucial turning point for the People's Republic of China The unprecedented demonstrations of popular dissent triggered the downfall of reformist premier Zhao Ziyang who supported the students and the rise of his conservative successor Li Peng The subsequent military crackdown on the demonstrators horrified the world and threatened the PRC with international isolation In this book distinguished scholars from Taiwan and the United States analyze the wide ranging effects of the crisis on the role of ideology the Party the military social and legal reform economic reform Taiwan and Hong Kong and foreign relations For anyone interested in China and in particular the future of Communism this volume will be essential reading

People's War J. L. S. Girling, 2016-01-31 First published in 1969 The consequences in this book refer to Peking's policy on people's war and to US counter measures and the effect of these in South East Asia The author argues that on the whole China under Communism was a better place for the majority of people than it was under the Kuomintang Contents include Revolution and Intervention in South East Asia Communist Revolts 1948 Sino Soviet Dispute US reaction the Vietnam Commitment China Conditions for Success The Struggle for Vietnam August Insurrection China in Maphilindo Lessons from Malaya and the Philippines Peace and the Tet Offensive

*The People's Wars* Mark Hewitson, 2017 The second of three volumes from Mark Hewitson which explore the experiences of conflict in modern Germany and the resounding impact of these across Europe and the world The People's War takes a new look at the wars of unification and charts the rise of nationalism and the breakdown of the existing state system in the

1850s and 1860s      **The Peoples' War?** Alexander Wilson, Richard Hammond, Jonathan Fennell, 2022-11-15 Some 60 million people died during the Second World War millions more were displaced in Europe Africa and Asia The war resulted in the creation of new states the acceleration of imperial decline and a shift in the distribution of global power Despite its unprecedented impact a comprehensive account of the complex international experiences of this war remains elusive The Peoples War offers fresh approaches to the challenge of writing a new history of the Second World War Exploring aspects of the war that have been marginalized in military and political studies the volume foregrounds less familiar narratives subjects and places Chapters recover the wartime experiences of individuals including women children members of minority ethnic groups and colonial subjects whose stories do not fit easily into conventional national war narratives The contributors show how terms used to delineate the conflict such as home front and battle front occupier and occupied captor and prisoner and friend and foe became increasingly blurred as the war wore on Above all the volume encourages reflection on whether this conflict really was a Peoples War Challenging the homogenizing narratives of the war as a nationally unifying experience The Peoples War seeks to enrich our understanding of the Second World War as a global event      *After the Massacre* Heonik Kwon, 2006-11-10 Though a generation has passed since the massacre of civilians at My Lai the legacy of this tragedy continues to reverberate throughout Vietnam and the rest of the world This engrossing study considers how Vietnamese villagers in My Lai and Ha My a village where South Korean troops committed an equally appalling though less well known massacre of unarmed civilians assimilate the catastrophe of these mass deaths into their everyday ritual life Based on a detailed study of local history and moral practices *After the Massacre* focuses on the particular context of domestic life in which the Vietnamese villagers interact with their ancestors on one hand and the ghosts of tragic death on the other Heonik Kwon explains what intimate ritual actions can tell us about the history of mass violence and the global bipolar politics that caused it He highlights the aesthetics of Vietnamese commemorative rituals and the morality of their practical actions to liberate the spirits from their grievous history of death The author brings these important practices into a critical dialogue with dominant sociological theories of death and symbolic transformation      *Our People's War* Jeremy Crang, 2024-10-17 An Independent Book of the Month What was the mood of the British people during the middle and later years of the Second World War How did they react to the major military and domestic events of the period What issues were uppermost in their minds What incidents caused particular public interest and controversy These are some of the insights provided by this remarkable collection of contemporary wartime documents During the Second World War Home Intelligence a unit of the Ministry of Information closely monitored British public attitudes on the home front and compiled secret reports on the state of popular morale which were circulated around Whitehall In this volume leading historian of the period Jeremy Crang brings together selected Home Intelligence reports from June 1941 to December 1944 to offer us a fascinating real time glimpse into the mindset of the British people during these long years of struggle The reports provide a unique window into public

responses to the shifting military fortunes of the war including the German invasion of the Soviet Union the Japanese attack on Pearl Harbor the British and Commonwealth victory at El Alamein the strategic bombing of Germany the defeat of Italy and the Allied landings in Normandy They also include much valuable information on the continuing stresses and strains of wartime life such as the blackout rationing fuel economy and strikes as well as the V weapon attacks of 1944 which brought back all the horrors of the Blitz Alongside this hopes and fears about the post war world come to feature strongly and Home Intelligence carefully documented attitudes to the Beveridge report as well as other aspects of reconstruction Introduced by the editor and incorporating an extensive glossary this collection is an exceptional record of popular opinion on the British home front as the tide of war gradually turned from defeat to victory It is indispensable in understanding both the unity and diversity of wartime Britain as well as the many sided experience of living through Our People s War     *People's War* John J. S. Girling,1969     The Rise And Demise Of Democratic Kampuchea Craig C Etcheson,2019-07-11 This study traces the rise of Kampuchean communism from its inception in 1930 to the present The author analyzes the socioeconomic and political conditions that brought Cambodia to an explosive stage in 1970 and documents the cataclysmic transformation that followed The protagonist in this ongoing historical drama is the revolutionary movement known as the Khmer Rouge or Red Khmers Their revolution was so ultraradical that even the communists were appalled The Soviets studiously ignored it the Chinese vainly tried to moderate it and the Vietnamese ultimately destroyed it In an attempt to explain the Khmer revolution one of the most violent in modern political history the author focuses on the ideology created by a key group of Khmer Rouge leaders The theoretical and historical significance of the Khmer revolution and the state of Democratic Kampuchea has received little attention from scholars and far too much of what has been written has been motivated by a bewildering array of ideological and geopolitical interests This book is one of the first to apply a systematic analytical framework to the creation growth and destruction of Democratic Kampuchea     *Maoist People's War and the Revolution of Everyday Life in Nepal* Ina Zharkevich,2019-05-09 By providing a rich ethnography of wartime social processes in the former Maoist heartland of Nepal this book explores how the Maoist People s War 1996 2006 transformed Nepali society Drawing on long term fieldwork with people who were located at the epicentre of the conflict including both ardent Maoist supporters and reluctant rebels it explores how a remote Himalayan village was forged as the centre of the Maoist rebellion how its inhabitants coped with the situation of war and the Maoist regime of governance and how they came to embrace the Maoist project and maintain ordinary life amidst the war while living in a guerilla enclave By focusing on people s everyday lives the book illuminates how the everyday became a primary site of revolution of crafting new subjectivities introducing new social practices and displacing the old ones and reconfiguring the ways that people act in and think about the world through the process of embodied change     **China's Naval Power** Dr Yves-Heng Lim,2014-01-15 The rapid modernization of the Chinese Navy is a well documented reality of the post Cold War world This book makes sense of Chinese priorities in its naval modernization

and argues that the orientation of Beijing's choices concerning its naval forces can essentially be explained by China's position as a potential regional hegemony. Lim highlights how a rising state develops naval power to fulfil its security objectives, a theoretical perspective that goes further than the sole Chinese case. [Air University Library Index to Military Periodicals](#), 1970

[Encyclopedia of Insurgency and Counterinsurgency](#) Spencer C. Tucker, 2013-10-29 A fascinating look at the insurgencies and counterinsurgencies throughout history with a concentration on the 20th and 21st centuries. This encyclopedia examines insurgencies and the counterinsurgency efforts they prompt through history, addressing military actions and the techniques and technologies employed in each conflict, significant insurgency leaders and the leading theorists, with emphasis on the small wars of the 20th century and most recent decades. The clear, concise entries provide a breadth of coverage that ranges from the Maccabean Revolt in 168-143 BCE and the Peasants Revolt in Germany in the 1500s to the American Revolutionary War and the ongoing insurgency in Syria. Readers will gain a solid understanding of how insurgency warfare and counterinsurgency COIN strategy has played a key role in the US conflicts in Afghanistan and Iraq in the early 21st century and grasp how this important military strategy has evolved during modern times. **Creating the people's war** Jessica Hammett, 2022-08-02 Why has the people's war been such a durable and attractive myth? *Creating the people's war* examines how civil defence personnel engaged with this narrative during the war and in the following decades to answer this question. Civil defence was the most significant voluntary organisation of the Second World War, involving millions of men and women of every class, generation and locality in Britain. This book shows how local communities of civil defence personnel co-developed narratives about the value of their work, which challenged hierarchies of war service. In their social groups, volunteers wrote themselves into the people's war and invested it with meaning, creating national identity from the bottom up. Community was both central to these representations and vital for their production. *Which People's War?* Sonya O. Rose, 2004-07-01 *Which People's War* examines how national belonging or British national identity was envisaged in the public culture of the World War II home front. Using materials from newspapers, magazines, films, novels, diaries, letters and all sorts of public documents, it explores such questions as: who was included as British and what did it mean to be British? How did the British describe themselves as a singular people and what were the consequences of those depictions? It also examines the several meanings of citizenship elaborated in various discussions concerning the British nation at war. This investigation of the powerful constructions of national identity and understandings of citizenship circulating in Britain during the Second World War exposes their multiple and contradictory consequences at the time. It reveals the fragility of any singular conception of Britishness, even during a war that involved the total mobilization of the country's citizenry and cost 400,000 British civilian lives. **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996

## **Peoples War Conditions Consequences Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Peoples War Conditions Consequences PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Peoples War Conditions Consequences PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Peoples War Conditions Consequences free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Peoples War Conditions Consequences Books**

1. Where can I buy Peoples War Conditions Consequences books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
