The Shadow Alpha's Secret Child TURLEY CLARK,2025-09-14 The Shadow Alpha s Secret Child An Enemies to Lovers Rejected Mate Shifter Romance Roderick Nightshade the ruthless Alpha of the Shadow Ridge Pack has never looked back after rejecting his fated mate Isla Moonfire But when Isla returns bringing with her a shocking secret his world shatters She s not only survived his abandonment but she s kept something even more dangerous from him their daughter Lyla a child with power that could either save or destroy them all With an enemy like no other lurking in the shadows Kael Darkhart a rogue Alpha with a deadly vendetta is determined to tear apart everything Roderick holds dear Now the Shadow Alpha must put aside his pride and work with the woman he once rejected to protect their child their pack and their future But as they come face to face with Kael s fury the undeniable bond between Roderick and Isla reignites throwing them into a dangerous game of passion power and betrayal With Lyla s abilities awakening and Kael growing stronger by the day Roderick finds himself torn between duty and desire between the pack he leads and the family he never knew he wanted Can they survive the storm that s brewing or will their past mistakes tear them apart for good As the shadows close in can love truly conquer all or will they lose everything including each other Will Roderick risk everything for a second chance Can their bond survive the ultimate test of trust and loyalty

Broken but Solid Tony Shahedi,2016-06-24 Should we fight every moment that doesnt match what we pictured or wished for Conflict and anxiety can play too large a role in our daily life We may feel dejected after expecting too much from a particular moment However moments are transient they can be altered and reconstructed by perception as we internalize them and store them in our mind

Making Gods Tony Cooper,2011-05-26 A collection of three short stories that will get under your skin plus the first three chapters of the superhero novel Powerless

Powerless Chapters 1 3 a retired hero is dragged from his self imposed isolation when an old teammate is murdered by another power and he is tasked to find his killer In **Lord of Shadow** a small boy becoming emotionally detached from his parents finds solace in the darkness In **Making Gods** two linguistics experts find an awkward romance over ancient carvings In **The Colours of Jupiter** a group of scientists undertaking a radical experiment to prove the nature of time end up discovering more about their own nature

The Shadow House Anna Downes,2022-04-05 Extraordinarily tense and deliciously mysterious Anna Downes s **The Shadow House** follows one woman s desperate journey to protect her children at any cost in a remote place where not everything is as it seems A HOUSE WITH DEADLY SECRETS A MOTHER WHO LL RISK EVERYTHING TO BRING THEM TO LIGHT Alex a single mother of two is determined to make a fresh start for her and her children In an effort to escape her troubled past she seeks refuge in a rural community Pine Ridge is idyllic the surrounding forests are beautiful and the locals welcoming Mostly But Alex finds that she may have disturbed barely hidden secrets in her new home As a chain of bizarre events is set off events eerily familiar to those who have lived there for years Alex realizes that she and her family might be in greater danger than ever before And that the only way to protect them all is to confront

the shadows lurking in Pine Ridge **Family Lessons** Steven H. Propp, 2006-12-03 Who says it's easy to raise kids these days Certainly not Nana and Papa the proud grandparents and definitely not the parents other grandparents and great grandparents and aunts and uncles of 7 year old Deion and his younger cousins Joshua and Donovan But Life is for learning and that's just what takes place whether it's while going to the park playing on the computer talking a walk making music playing football eating fast food playing board games going to the State Fair or just doing homework not to mention celebrating birthdays and observing holidays such as Valentine's Day Easter Mother's Day the 4th of July Halloween and Christmas The lessons of life may involve the miracle of new birth or the passing away of a loved one but they are always shared in a gentle and loving way Inspired by the real life adventures trials and tribulations of real life kids Family Lessons is a heartfelt celebration of the joy wonder and beauty of children told from the perspective of Nana and Papa Teague who undoubtedly learn more lessons from their grandchildren than they ever impart to them **Me and My Shadows** Lorna Luft, 2015-12-21 The question follows Lorna Luft to this day What's it like to be Dorothy's daughter Although by appearances glamorous and truly thrilling growing up as the daughter of Judy Garland was anything but a journey over the rainbow With unsparing candor Lorna Luft offers the first ever insider portrait of one of Hollywood's most celebrated families a rare story of a little girl her half sister Liza and her baby brother trying desperately to hang on to the mother whose life seemed destined to burn brightly but briefly Lorna makes an extraordinary journey back into the spiral of love addiction pain and loss that lurked behind a charmed facade Filled with behind the scenes dramas hilarious untold stories and little known details of Garland family life Me and My Shadows is a tribute to Lorna's victory over her own past a story of hope of love and its limitations and a deeply moving testament to the healing powers of embracing one's past and charting a course of self love and discovery **Waltzing with my Shadows** Jovana Pavlica, 2024-09-27 Throughout Waltzing with My Shadows the author Jovana shares her deepest memories including joy sadness love and a wide range of emotions that she has experienced throughout her whole life Furthermore she provides the reader with a means of connecting with the memories in the book and allowing them to reflect on their own life experiences in order to allow them to feel connected to the story The author gives us a fascinating look at each character's thoughts and feelings allowing us to see how general dynamics and interpersonal conflicts are handled realistically and honestly by the author The reader might experience a greater sense of proximity to the story thanks to the diverse array of events and situations depicted in it They will recognize the ways in which their experiences and those of others mirror their own fostering a stronger emotional bond with the characters and a greater focus on real life occurrences Jovana Pavlica Agu was born into a long line of writers waiting for her talent to reveal itself with her first piece Waltzing with My Shadows Jovana was born in Serbia raised in Egypt and now lives in Estonia where the memoir unexpectedly sank into the pages Being a gifted orator and creative writer she entered the marketing industry early on and held leadership positions for more than 20 years She is fearless in exploring unfamiliar territories openly

acknowledging areas of uncertainty and adept at swiftly overcoming any challenge that comes her way Jovana graduated from the University of Sheffield in 2011 with an Executive MBA in International Marketing prior to starting to write Years later she had a strong desire to formally pursue her interest in the field of psychology but a language barrier kept her from going forward She continued her business track and is working on completing her doctoral studies at the Estonian Business School Jovana was also a Lecturer at EBS for a few years Although Jovana has a full time career she intends to transition and dedicate more time to writing her own fictional romance novel

Fault-Tolerant Parallel and Distributed Systems Dimiter R. Avresky,David R. Kaeli,2012-12-06 The most important use of computing in the future will be in the context of the global digital convergence where everything becomes digital and every thing is inter networked The application will be dominated by storage search retrieval analysis exchange and updating of information in a wide variety of forms Heavy demands will be placed on systems by many simultaneous re quests And fundamentally all this shall be delivered at much higher levels of dependability integrity and security Increasingly large parallel computing systems and networks are providing unique challenges to industry and academia in dependable computing espe cially because of the higher failure rates intrinsic to these systems The chal lenge in the last part of this decade is to build a systems that is both inexpensive and highly available A machine cluster built of commodity hardware parts with each node run ning an OS instance and a set of applications extended to be fault resilient can satisfy the new

stringent high availability requirements The focus of this book is to present recent techniques and methods for implementing fault tolerant parallel and distributed computing systems Section I Fault Tolerant Protocols considers basic techniques for achieving fault tolerance in communication protocols for distributed systems including synchronous and asynchronous group communication static total causal ordering protocols and fail aware datagram service that supports communications by time

My Shadow Is My Skin Katherine Whitney, Leila Emery, 2020-03-16 The Iranian revolution of 1979 launched a vast global diaspora with many Iranians establishing new lives in the United States In the four decades since the diaspora has expanded to include not only those who emigrated immediately after the revolution but also their American born children more recent immigrants and people who married into Iranian families all of whom carry their own stories of trauma triumph adversity and belonging that reflect varied and nuanced perspectives on what it means to be Iranian or Iranian American The essays in *My Shadow Is My Skin* are these stories This collection brings together thirty two authors both established and emerging whose writing captures the diversity of Iranian diasporic experiences Reflecting on the Iranian American experience over the past forty years and shedding new light on themes of identity duality and alienation in twenty first century America the authors present personal narratives of immigration sexuality marginalization marriage and religion that offer an antidote to the news media's often superficial portrayals of Iran and the people who have a connection to it *My Shadow Is My Skin* illuminates a community that rarely gets to tell its own story

The Shadows of Wren Jen Bliton, 2023-08-30 May the Valiant Prevail After decades of peace within the lands of Caldumn ruled by the Red Kingdom the southern towns have come under attack Their libraries burned and ancient texts stolen by an ominous force An unlikely alliance between two magic kinds is formed when Wren a nineteen year old Mage finds herself in the middle of a conflict that will take her outside of the peaceful life she's known Along her journey she meets Tyran whose Necromancer magic is not widely trusted and learns they share a deeper ancient magic that has long since disappeared Together with the help of all magic kinds they must unite the towns to save their lands and themselves while the threat of the Red Kingdom looms

Grasping Shadows William Chapman Sharpe, 2017-08-04 What's in a shadow Menace seduction or salvation Immaterial but profound shadows lurk everywhere in literature and the visual arts signifying everything from the treachery of appearances to the unfathomable power of God From Plato to Picasso from Rembrandt to Welles and Warhol from Lord of the Rings to the latest video game shadows act as central players in the drama of Western culture Yet because they work silently artistic shadows often slip unnoticed past audiences and critics Conceived as an accessible introduction to this elusive phenomenon *Grasping Shadows* is the first book that offers a general theory of how all shadows function in texts and visual media Arguing that shadow images take shape within a common cultural field where visual and verbal meanings overlap William Sharpe ranges widely among classic and modern works revealing the key motifs that link apparently disparate works such as those by Fra Angelico and James Joyce Clementina Hawarden and Kara Walker Charles Dickens and Kumi Yamashita Showing how real world shadows have shaped

the meanings of shadow imagery Grasping Shadows guides the reader through the techniques used by writers and artists to represent shadows from the Renaissance onward The last chapter traces how shadows impact the art of the modern city from Renoir and Zola to film noir and projection systems that capture the shadows of passers by on streets around the globe Extending his analysis to contemporary street art popular songs billboards and shadow theatre Sharpe demonstrates a practical way to grasp the dark side that looms all around us
