Qualitative Gerontology

Jaber F. Gubrium, Andrea Sankar

Qualitative Gerontology:

Qualitative Gerontology Graham D. Rowles, 2001-09-24 The authors provide a contemporary perspective on the status of qualitative research in gerontology The second edition examines recent trends in the application of qualitative methodologies and the emergence of new qualitative techniques such as focus groups studies of personal histories and the use of photography Chapters include discussions of critical and feminist perspectives practice issues ethical issues and the contribution of qualitative research to the progress of science **The Encyclopedia of Aging** Richard Schulz, 2006 Print CourseSmart

Qualitative Gerontology Shulamit Reinharz, 1988 This book provide a contemporary perspective on the status of qualitative research in gerontology Chapters include discussions of critical perspectives practice issues ethical issues and the contribution of qualitative research to the progress of science *Research Design in Aging and Social Gerontology* Joyce Weil, 2017-02-24 This text provides a review of methodological approaches and data collection methods commonly used with older adults in real life settings **Gerontology** Janet May Wilmoth, 2013-04-26 Print CourseSmart

Gerontology in the Era of the Third Age Dawn C. Carr, Kathrin S. Komp, 2011-02-22 The third age is described as the period in the life course that occurs after retirement but prior to the onset of disability revealing a period in which individuals have the capacity to remain actively engaged This book serves as a comprehensive discussion about how the emergence of the third age has changed the way we think about and examine traditional frameworks regarding aging issues and the life course It introduces the discussion of the unique challenges and opportunities that older adults face while moving through this early phase of later life proposing new frameworks concepts and methods to re examine later life in the context of the era of the third age This book proposes new ways of thinking about how we conceptualize the life course think about the role of the welfare state in the lives of older people negotiate social roles in later life make meaning of our lives as we age and cultivate relationships with others during later life It brings together theoretical concepts and frameworks methodological advances and emerging themes and controversies that are redefining gerontology in the era of the Third Age Highlighting important issues that warrant further exploration and discussion this book advances our understanding of the Third Age and focuses attention on critical issues that should be addressed in future Third Age research and scholarly development Key Features Includes up to date description and analysis of the third age as a concept life phase and social status Addresses multiple perspectives to illustrate the impact of the third age on the way we examine later life Uses disciplinary perspectives such as social policy demography gerontology sociology social work anthropology and social psychology Examines mechanisms that stratify the older population in the context of the third age **The Short Guide to Aging and Gerontology** Kate de Medeiros, 2016-11-09 The Short Guide to Aging and Gerontology provides a concise and authoritative overview of key issues related to age including how old age has been viewed historically and across cultures what we know about health and function in later life and how older age is financed throughout the world among other questions Also

including current research on policy and practice and detailed suggestions for further reading it is an important resource both for anyone new to gerontology as well as established scholars and practitioners in the field

Rural Health and Aging Research Wilbert M Gesler, Donna G Rabiner, Gordon H Defrieze, 2019-03-19 This book describes a wide ranging set of research approaches which have been used to study the health care problems of adults living in rural areas It shows how these approaches can be used to define health care problems measure levels of illness and health and evaluate health care practices For each approach contributors provide a theoretical background from the health care delivery literature details of how it can be carried out in the field its strengths and weaknesses and illustrative examples from both the literature and their own work

Aging Education in a Global Context Dena Shenk, Lisa Groger, 2013-12-19 A selection of proceedings from the 2004 Association for Gerontology in Higher Education annual conference Aging Education in a Global Context is a carefully considered set of papers based on selected proceedings from the 2004 Association for Gerontology in Higher Education annual conference Each forward thinking presentation provides unique perspectives on teaching resources and education presenting a wellspring of creative ideas for new and experienced teachers in gerontology and aging education Respected educators present cutting edge concepts and effective strategies in gerontology curriculum development and cross cultural perspectives for advancing gerontology as a field of study Over the next twenty years the world s aging population will increase dramatically requiring increased attention to global aging issues To prepare gerontologists around the world for future challenges Aging Education in a Global Context provides educators with fresh viewpoints and practical information on which to base the latest teaching strategies Each presentation provides a multitude of valuable ideas perfect for incorporating into aging education curriculums such as how to use films and literature for teaching about aging how to enfold global perspectives into aging courses and how to avoid cross cultural misunderstandings when teaching gerontology in a host country This invaluable resource is extensively referenced Aging Education in a Global Context examines aging education issues and ageism topics such as the consequences of globalization for older people a course design incorporating cross cultural anthropological approaches to understanding aging an approach to teach about death and dying through the cross cultural viewpoint of various religious faiths a study of fourteen international films that provides gerontologists with models of successful aging to pass on in coursework teaching cross cultural aging using Chilean literary portrayals of elders the evolution and present state of gerontology education in Japan gerontology research and cooperative education in Kenya educating about community based long term care in China Aging Education in a Global Context presents a wealth of new ideas for all gerontology educators and educators addressing cross cultural aging issues within discipline based courses in sociology social work anthropology public policy and psychology

Annual Review of Gerontology and Geriatrics, Volume 13, 1993, 1993-10-22 During the past few decades the dramatic social changes with regard to our aging population and changes in the family unit have made both demographic and socioeconomic consequences as well as an effect on matters

of social policy The prestigious editors George L Maddox and M Powell Lawton have assembled an impressive group of expert contributors whose chapters address topics from the latest theory and research findings to the changing balance of work and families as well as patterns of kinship Methodological Issues in Aging Research Cindy S. Bergeman, Steven M Boker, 2015-12-22 Methodological Issues in Aging Research is the first volume in the Notre Dame Series on Quantitative Methodology This new series provides practical training on the latest quantitative methods used in social and behavioral research Each volume features contributions from leading experts in state of the art techniques applicable to a selected substantive topic The first series volume provides researchers with innovative techniques for the collection and analyses of data focusing on aging and lifespan development The book addresses such techniques as structural equation modeling latent class analysis hierarchical linear growth curve modeling dynamical systems analysis multivariate Rasch models survival analysis multilevel modeling and quantitative genetic methods These new techniques provide better estimates of the direct effect of environmental or treatment effects and the dynamic pattern of genetic and environmental influences on adult development more precise predictions of outcomes which in turn increase the diagnostic power of test instruments the potential for developing new treatments that take advantage of the intrinsic dynamics of the course of a disease or age related change to enhance treatment Methodological Issues in Aging Research appeals to advanced students and researchers in lifespan development gerontology health psychology and other fields related to human development It can be used as a main or supplemental text for advanced courses related to developmental research methods **Aging Research - Methodological Issues** Carmen García-Peña, Luis Miguel Gutiérrez-Robledo, Mario Ulises Pérez-Zepeda, 2018-09-25 This is the second edition of a well received book that reviews classical epidemiological and clinical research designs with a specific focus on aging Chapters cover basic topics like the scientific method ethics and the consequences of certain exclusion criteria The work also includes a look at clinical concepts like multimorbidity frailty and functionality New material includes chapters such as geroscience health systems research big data and data mining financing and future of aging research The authors reveal the issues and challenges for researchers of age and aging and also consider from basic to clinical and from clinical to public policies of social and health care The focus on aging is what gives this book its valuable perspective on research methodology All authors have considerable experience in aging geriatrics or gerontology and each chapter includes both a theoretical framework and practical examples of studies in aging Readers will discover study designs that are reviewed for basic structure main flaws and advantages and are analyzed for specific conditions and variables regarding aging This text is suited to both health care professionals caring for older adults and researchers who are new to research in aging It is relevant across the disciplines including medicine psychology social sciences and dentistry and it supports learning with graphs and figures Narrative Gerontology in Research and Practice Kate de Medeiros, 2014 This book will no doubt support a growing number of us who see narrative gerontology as a field with much potential within and outside of

academia Kathy D Lohr Ed D East Carolina University Educational Gerontology What is meant by narrative How can one elicit a narrative or analyze it in research How can narrative work best be facilitated among older adults This is the only text to provide comprehensive information about the applications of narrative approaches in community and long term settings writing in the virtual world and such individual work as journaling or poetry The book explores the theories of narratives across many disciplines research practices and analytical strategies and applications in work with older adults It has been written by a prominent researcher of the narrative construction of self in old age whose studies have been funded by the NIH the Brookdale Foundation and the Alzheimer s Association among other related achievements The book brings together a unique blend of interdisciplinary perspectives and practices not found in other books on life stories autobiography and or narrative approaches to understanding one s experiences Specifically it focuses on the myriad theoretical underpinnings of narrative provides a developmental history of narrative use in gerontology and details various ways to use narratives in a variety of research settings Each chapter includes step by step guides on who to analyze and report on and how to write up narrative data It also discusses ways to incorporate narratives in varied practice settings such as writing workshops in retirement communities individual writing projects and others Key Features Offers a hands on research tool that guides the reader from theory to research to practice Describes the theoretical underpinnings and practical applications of narrative with older adults Illustrates how narrative gerontology is fundamentally different in practice than narrative research with younger participants Addresses the breadth of available narrative methods and how to apply them in a research settings Designed for use in qualitative methods service learning and gerontological research courses

The Encyclopedia of Aging George L. Maddox, 2013-12-11 Comprehensive multidisciplinary encyclopedia dealing with aging processes and older adults Intended for the educated inquirer who needs a brief authoritative introduction to key topics and issues in aging Signed entries contain cross references Contains lengthy bibliography General index

Qualitative Methods in Aging Research Jaber F. Gubrium, Andrea Sankar, 1994 This volume of original articles by leading researchers explores the methodological possibilities and difficulties involved in doing qualitative work with the aged The contributors illustrate with numerous examples the strengths of qualitative strategies and techniques for uncovering meaning dissecting processes and examining cultural and other issues of difference between people and groups

Research on Adulthood and Aging L. Eugene Thomas, 1989-01-01 By borrowing from a wide range of disciplines such as psychology sociology anthropology psychiatry and the humanities this book gives a more human personal voice to the many experiences of aging The result is a new sort of social science research one which often reads more like literature than social science Indeed the author uses a wide variety of techniques borrowed from the humanities from hermeneutics to oral histories in addition to the more traditional social science methods

Anthropology and Aging Robert L. Rubinstein, 2012-12-06 This book was conceived as a project of the Association for Anthropology and Gerontology a multidisciplinary and international organization formed in

1978 that is dedicated to the exploration and understanding of aging within and across the diversity of human cultures The perspective of the Association is holistic comparative and international Membership is drawn from both academic and applied sectors and includes the social and biological sciences medicine urban planning policy studies social work and the development administration and provision of services for the aged Information about membership may be obtained from Dr Eunice Boyer Department of Sociology and Anthropology Carthage College Kenosha Wisconsin WI 53141 USA VII

Birren, 2013-10-22 *Handbook of the Psychology of Aging* Third Edition describes the psychology of adult development and aging This book is organized into four parts encompassing 28 chapters that cover the basic behavioral changes and capacities occurring with advancing age The first part deals with the history concept and models of the psychology of aging This part also examines the distinctions between physical biological psychological and social time or age The second part explores the influences of racial ethnic and cultural factors on biological health social and psychological aging processes This part also surveys gender differences in aging The third part describes numerous behavioral processes changes and patterns in advancing age This part specifically considers the motivation cognitive and motor performance attentional processes learning memory personality and wisdom in aging The fourth part focuses on the applications of the concepts and principles of aging to the individual and society This book will be of great value to psychologists researchers and graduate students **Voices and Visions of Aging** Robert Kastenbaum,

PhD, Thomas R. Cole, PhD, W. Andrew Achenbaum, PhD, Patricia L. Jakobi, PhD, 1992-11-15 A critical gerontology requires more than a simple elaboration of existing humanistic scholarship on aging This exceptional new work introduces a basis for genuine dialogue across humanistic scientific and professional disciplines Among the topics addressed are industrial employment retirement life styles of older women and biological research From philosophical reflections on the third age to critical perspectives on institutional adaptations to an aging society this book presents a wide range of provocative thought

Culture, Context and Aging of Older Indians Jagriti Gangopadhyay, 2021-06-05 This book discusses the intersections between culture context and aging It adopts a socio cultural lens and highlights emotional social and psychological issues of the older adults in urban India It is set in multiple sites such as Ahmedabad Delhi Kolkata and Saskatoon to indicate how

different cultural practices and contextual factors play an integral role in determining the course of aging It also focuses on different narratives such as older adults living with adult children older adults living with spouse and older adults living alone to demonstrate the intricate process of growing old Drawing from various sites and living arrangements of older adults it sheds light on cultural constructions of growing old ideas of belonging the inevitability of death everyday processes of aging perceptions associated with growing old in India acceptance of the aging body and intergenerational ties in later lives Given its scope the book is essential reading for students and researchers in the fields of sociology demography and social scientists studying aging

Qualitative Gerontology Introduction

In today's digital age, the availability of Qualitative Gerontology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Qualitative Gerontology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Qualitative Gerontology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Qualitative Gerontology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Qualitative Gerontology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Qualitative Gerontology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Qualitative Gerontology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Qualitative Gerontology books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Qualitative Gerontology books and manuals for download and embark on your journey of knowledge?

FAQs About Qualitative Gerontology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Qualitative Gerontology is one of the best book in our library for free trial. We provide copy of Qualitative Gerontology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Qualitative Gerontology. Where to download Qualitative Gerontology online for free? Are you looking for Qualitative Gerontology PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Qualitative Gerontology. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Qualitative Gerontology are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You

will also see that there are specific sites catered to different product types or categories, brands or niches related with Qualitative Gerontology. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Qualitative Gerontology To get started finding Qualitative Gerontology, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Qualitative Gerontology So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Qualitative Gerontology. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Qualitative Gerontology, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
