caretaker of a unique institution that trains disabled youth in the art of watchmaking But he is no ordinary administrator He possesses extra sensory powers he does not fully understand and cannot control But an innocent outing to Coney Island results in him obtaining a more disturbing ability along with a terrifying prophecy that he will die in less than three days As the clock of his life counts down a still greater threat emerges An uncanny assassin who will destroy everyone he knows and loves Unless he can discover who the killer is And stop him in time Caught Dead Handed Carol J. Paraskovich,2016-02-05 The Wrong View of History is a provocative analysis of life predominately in The Middle Ages and Renaissance periods It dissects different aspects of daily life from childhood education sex shame warfare torture cuisine to other more philosophical views on time space and ever present societal changes It shows the reader how wrong it is to judge these past societies through the prism of our understanding through the values imposed on us by our morals and standards of todays conduct A libertine openness in sexual practices may belong on some sleazy porn site today but was the way of life during the times of Marquis de Sade This book is full of such examples from all facets of life All the while the author is keeping a light humorous style making it an easy and enjoyable read *The Redheaded Outfield, and Other Baseball Stories*

Zane Grey,2020-07-24 Excerpt There was Delaney s red haired trio Red Gilbat left fielder Reddy Clammer right fielder and Reddie Ray center fielder composing the most remarkable outfield ever developed in minor league baseball It was Delaney s pride as it was also his trouble Red Gilbat was nutty and his batting average was 371 Any student of baseball could weigh these two facts against each other and understand something of Delaney s trouble It was not possible to camp on Red Gilbat s trail The man was a jack o lantern a will o the wisp a weird long legged long armed red haired illusive phantom When the gong rang at the ball grounds there were ten chances to one that Red would not be present He had been discovered with small boys peeping through knotholes at the vacant left field he was supposed to inhabit during play **Red-headed Gill**

Rye Owen,1903 **The Lion and the Unicorn** Helena Vor,2013-09 After nine long years in the Holy Land Prince Andrian Gilbert de Langeais returns to Briton as a venerated war hero Unable to release the demons he carries inside himself after his experiences in battle Prince Andrian collapses under the weight of his birthright Following a series of ruinous losses
