Prof. Colleen M. Conway

Redeemer Friend And Mother Salvation In Antiquity And In The Gospel Of John:

Redeemer, Friend and Mother Josephine Massyngberde Ford, 1997 How wide a range of ideas was used by early Christians to proclaim redemption through Jesus Christ What did the followers of Jesus do about concepts of shame death suffering forgiveness and friendship And how did their beliefs relate to the lives and thoughts of actual persons in the Graeco Roman world including women Author J Massyngbaerde Ford opens a new vista on the ancient world of Bible times

Paroimia and Parrësia in the Gospel of John Thomas Tops, 2022-02-07 The language of the Gospel of John is known for its complexity On the basis of the modern standards of transparency and logic previous scholars have depicted this language as obscure confusing and mysterious Thomas Tops goes beyond these oversimplifications by providing an in depth historical study of John s characterisation of Jesus language with the terms paroimia and parr e sia By providing original insights in these terms the author offers a new perspective on the functioning of Johannine language As the Johannine Jesus teaches both through paroimia and parr e sia his language conceals and reveals at the same time His criticism is veiled and calls on its addressees to search for the hidden meanings of his words Veiled speech allows the Johannine Jesus to criticise his opponents and openly reveal his messianic identity to those who cannot accept the truth in any other way *John and the Johannine Letters* Prof. Colleen M. Conway, 2017-11-15 While the book necessarily includes discussion of key concepts in Johannine scholarship e g the existence or not of a distinctive Johannine community questions regarding the gospel s sources and redactional layers it also takes into account more recent developments in New Testament studies It includes gender related issues with influence by postcolonial approaches as well as the influence of the Gospel s socio political context in shaping its Christology and theology Chapters focus on the different approaches to the Johannine texts and view the Gospel and letters through the lens of each respective approach Chapters also encourage observation and open with a brief scripture reading assignment followed by guiding questions to help students understand the key questions and themes for each approach

Communal Holiness in the Gospel of John Musa Victor Mdabuleni Kunene, 2012-06-14 In this book the author contends that communal holiness is the central theme of the vine metaphor in John 15 1 17 Illumination of the Johannine vine metaphor is illustrated by drawing on background information on the vine and its metaphorical usage in the Ancient Near East Old Testament and Second Temple Period and to suggest understanding in light of the communal holiness of the covenant people of God Comparing the themes of holiness and corporateness pertinent to the covenant the book also reflects the covenant with Israel in relation to John s understanding of the people of God The notion of covenant which embraces reference to the people of God as vine vineyard in the Old Testament and Second Temple Period underlies John s vine metaphor The book focuses research on ANE viticulture to determine the context s of when the vine was used to refer to Israel in a covenant relationship with God In this historical context the Johannine vine metaphor receive fresh meaning and relevance for the people of God

Coloe, 2017-07-27 In her remarkable first book *God Dwells With Us Temple Symbolism in the Fourth Gospel* Mary L Coloe P B V M explored the profound insight of John's Gospel expressed in Jesus' invitation to his disciples Make your home in me as I make mine in you John 15:4 For the gospel's author and audience the dwelling of God among humans was above all the Jerusalem Temple The gospel traces how after the trauma of the destruction of the Temple the Johannine community came to expand and deepen its knowledge of God's dwelling among humans finding it now in the person of Jesus and in the community of believers *Dwelling in the Household of God* moves us from seeing God's dwelling place as the Temple to seeing God's dwelling place within the community of believers The starting point now is an image in John 14:2 my Father's house which is given its Old Testament meaning of my father's household Our awareness thus moves like that of the first Christians from understanding My father's house as the Temple John 2:16 to My Father's Household as a community of believers drawn

into Jesus own divine filiation Coloe invites us to re read the gospel from the post Easter perspective of those who have become brothers and sisters of Jesus and living Temples of God s presence What emerges is nothing less than a profound mysticism of the mutual indwelling of God and believers Mary Coloe PBVM DTh holds a joint teaching position at the Australian Catholic University and St Paul s Seminary Brisbane Her publications include numerous articles and God Dwells With Us Temple Symbolism in the Fourth Gospel Liturgical Press 2001
