Redefining The Discipline Of Adult Education:

Redefining the Discipline of Adult Education Robert Dean Boyd, Jerold W. Apps, 1980 Issued by the Adult Education Association of the USA Redefining the Discipline of Adult Education presents a model that unites curriculum and instruction while forcing adult educators to examine the social and cultural systems in which they operate Editors Apps and Boyd state that they have two objectives in redefining the field of adult education 1 to construct a conceptual framework to demarcate the practice and study of adult education and 2 to structure the content to present an integrated inquiry that focuses on foundational issues The field of adult education is experiencing high growth and neophytes seeking an understanding of its parameters may find the discussion of the conceptual model presented a bit confusing The book will be most useful as a text for graduate study and as a forum for further exploration of a conceptual basis for defining the field of adult education from within

Redefining the Discipline of Adult Education Robert Dean Boyd, 1980-06-01 Mapping out the Research Field of Adult Education and Learning Andreas Fejes, Erik Nylander, 2019-05-22 This book discusses the current state of the art in research on the education and learning of adults and how such research has been transformed through contemporary policy and research practices Gathering contributions from leading experts in the field the book draws on previous research as well as new findings in order to provide a map of this research field and its contemporary history The chapters address a number of questions including What constitutes this research field What theories and methodologies dominate within the field What invisible colleges are active in shaping this academic field in marking out its contours and in transforming its contemporary battle zones Who is publishing in the field and who is deemed worth citing What is the relationship between the shift in state policy on adult education and the research that is conducted on the education and learning of adults How has the research field changed over time in various western countries What do these meta reflections of the field tell us about possible future research endeavours Rather than speaking from within the field this is a book about the research field The diversity of the chapters provide a fascinating resource for anyone interested in research on the education and learning of adults

Routledge Library Editions: Adult Education Various Authors, 2021-07-14 Against a background of profound worldwide social and economic change the concept of lifelong learning has come increasingly into the public eye As educators and policy makers rethink the meaning of education the purpose of schooling and the place of learning in our everyday lives educational institutions are opening up to those traditionally deprived of the opportunity The books in this set originally published between 1979 and 1992 including global case studies reflect upon major issues confronting adult educators worldwide and discuss the role of adult education in social and community action examine the relationship between class and adult education look at the concept of culture and the transmission of cultural values in relations to adult education evaluate the role of adult education in reducing unemployment
