Levine,Yosef Dov Robinson,2024-06-11 This book presents a group of distinguished scholars who examine key themes in Jewish religious life Their essays revolve around the dimensions of rabbinic intellectual cultural communal educational political and social leadership as well as a reflective look at one of the most tragic events in Jewish experience towards the hope of repairing the world and not repeating such evil The scholarship reproduced in this volume captures the essence of Touro University remembering the past perpetuating the rich historic Jewish tradition of tolerance and dignity and managing the delicate ballet of serving humanity and the Jewish community at the same time These papers are expressive of the Jewish commitment to intellectual inquiry the transmission of knowledge and the pursuit of social justice

Getting to the Better

Future John E. Renesch, 2001 Renesch puts forth a vision for historic transformation for all humankind as he pictures a global future full of possibilities a much better future than the one that appears most likely if we rely upon forecasts based on existing trends Not only that the author points directly to the business community as the segment of our society that can best lead the rest of the world in such an incredible transition for all humanity **Big Heart, Big Profits** Tom McDonald

Ph.D., 2013-05-30 Our soul is in trouble at work We are caught up in the relentless search for promotions and bigger pots of money The strategies skills and tools we use are outmoded We need a new understanding one that focuses on human beings and their direct connection to financial success In a remarkably candid way Big Heart Big Profits shows you how to liberate the souls of people and to benefit financially from the effort Written in a unique memo format it offers eleven strategies fifty skills and more than one hundred tools that can guarantee you success at work Yes there is life after this business recession and a great one at that if you learn how to liberate the soul of business These strategies include among other things making work interesting recognizing and rewarding consistently and turning on brain power But theres more For the first time you will hear about what may be the best way to put all these strategies into action strategy 11 Use friendship love as your business driver If you want to succeed in this turbulent work world you will need a bold new approach Big Heart Big Profits lays out that journey for you Essays in Faith and Learning Michael Bollenbaugh, Steven N. Goetz, 2015-12-07 This book

represents the collected thinking of a few people who have had strong personal connections to Dr Song Nai Rhee Because the integration of faith and learning is a core value held by Dr Rhee the various authors have written essays on this topic in honor of his life and work Such a book is typically referred to as a Festschrift a celebratory writing given for a special person Dr Rhee s robust career at Northwest Christian College University is celebrated by the essays brought together in this book All the authors have known Dr Rhee as students or as academic colleagues or both What they write about ranges from topics found in biblical literature to expressly theological ideas to matters that are eminently practical Yet each essay is held in place by its relevancy to the ongoing conversations about how faith and learning are integrated in the context of the Christian liberal arts university More important each author has a deep and abiding respect for Dr Song Nai Rhee His teaching and mentoring at Northwest Christian College University have left an indelible mark on each of their lives

Creating Enlightened Organizations J. Neal, 2013-12-05 There is a growing movement to incorporate faith and spirituality in the workplace to do things better to utilize all the human capabilities of employees and to truly revolutionize the role of business in the world Creating Enlightened Organizations is the first book to provide a truly comprehensive approach to creating an organization designed to unleash full human potential in the workplace Businesses have learned how to involve employees in problem solving improve the emotional intelligence of their leaders reengineer the business processes and create customer delight but they have left out one essential ingredient that makes all the difference the human spirit There is a hunger for meaning and purpose in our workplaces and in our institutions This book simplifies and organizes

the best of what is going on in organizations at the individual team and systems levels and provides guidance for putting it to practical use It also offers a radically new view of the purpose of business in society and provides examples of leading edge organizations that make a positive difference in the world Spirituality is the new competitive edge and enlightened organizations know how to integrate the human spirit and spiritual values into their business practices
