and retention form the foundation for achieving your school community's learning and safety goals. You know what it feels like to ask yourself: How will this professional fulfill his or her role in five years? *Ten Induction Connecting Teacher Recruitment to Retention* is designed to help school administrators, teachers, and board of education members choose from a wide variety of proven practices to attract and retain the best professional staff in this competitive market. This excellent new resource provides you with the best practices for attracting and keeping educators by using five building blocks to construct a three-year practical plan to recruit and retain staff: Preparing (recognizing your induction needs, developing your mission statement, establishing policy, and setting your induction goals), Staffing (recruiting, interviewing, and hiring), Orienting (Year One: conducting professional development, mentoring, and collaborating; and supervising, observing, and evaluating; Connecting Years Two and Three: continuing professional development as well as supervising, observing, and evaluating; granting tenure, permanence, keeping, retaining, sustaining the connection, developing career-long learners, and renewing and reorienting), Create a professional culture in which staff members meet student needs by using the best practices throughout their careers, and Create a custom approach to recruitment and retention that will meet your school's learning and safety goals now and for years to come.

All Star Sales Teams Dan Kleinman, 2008-03-15 *All Star Sales Teams* focuses on molding the sales team into an organization's most productive nucleus. This book uniquely integrates critical development, organizational, and compensation concepts into practical day-to-day processes. It also answers eight key questions that define successful sales and reward structures: What methods most clearly communicate sales objectives? How do you make sure that new products or services reinforce the organization's vision, strategy, and operating style? What critical information does management need about how the marketplace rewards comparable delivery teams? What tactics boost the effectiveness of sales rewards? How can leaders maximize sales management strengths and neutralize weaknesses? How does a company fully engage its sales representatives? What functional areas ought to participate in designing sales rewards? How can an organization minimize design complexity? This comprehensive book benefits anyone who manages a sales force, influences their company's strategy, and staff productivity, or is critical in sustaining the culture of selling throughout an organization. It also provides a needed blueprint for achieving a dynamic sales environment and a satisfied and productive team of selling all stars.
