Reflecting Team Dialogues And Dialogues About The Dialogues:

The Reflecting Team Tom Andersen, Arlene Michele Katz, 1991 What happens when the barriers between therapists and clients are removed when they all participate in a dialogue about change and when therapists and clients even trade places As Lynn Hoffman says in her forward to this remarkable book it dramatically alters a family's position in relation to the professionals they have come to see In the process it changes the roles rules and expectations of therapy *The Reflecting Team* Tom Andersen, 1990-01-01 **Encountering the Sacred in Psychotherapy** James L. Griffith, Melissa Elliott Griffith, 2012-01-19

Drawing on narrative postmodern and other therapeutic perspectives this book guides therapists in exploring the creative and healing possibilities in clients spiritual and religious experience Vivid personal accounts and dialogues bring to life the ways spirituality may influence the stories told in therapy the language and metaphors used and the meanings brought to key relationships and events Applications are discussed for a wide variety of clinical situations including helping people resolve relationship problems manage psychiatric symptoms and cope with medical illnesses

Furthering Talk Thomas Strong, David Pare, 2012-12-06 Recently a client coming in for her second appointment told me the story of how she had been volunteering her time for the past several years to free several innocent prisoners from Illinois prisons She told me how tenaciously and persistently she had to work against politicians who did not want these releases to take place I was so struck by her dedication and personal sacrifice of time money and energy At the end of her story I thanked her I said there were many times when I heard some story of injustice on the news and I thought to myself how I should get involved or at least write a letter But somehow other matters would take precedence my anger would dissipate and soon the issue would slip my mind Listening to her I felt grateful that there were people like her to take up the cause and put energy and voice to my concerns I looked at her and thanked her again Reading this manuscript I was reminded of this story Editing a book on postmodern thinking and ways of being with clients is certainly not the same as confronting politicians or taking on power structures in a justice system But nonetheless after reading this manuscript I found myself grateful to Tom Strong and David Pare for their taking the time and committing the energy to the collection This is a book that should have been written It is timely and moves ideas forward This is a very worthwhile endeavor and the product reflects their dedication to contemporary ideas *Family Therapy* Alan Carr, 2012-07-31
