Reflections From The Heart A Collection Of Poetry:

Reflections Dianna Wilson,2003-09-01 After having several poems published I was encouraged by friends and family to compose this book I have loved poetry since I was a teenager growing up in Washington D C I currently reside in Atlanta Georgia with my husband Patrick and I also have four sons who live in the area

Reflections from the Heart Martha A.Scott,2013-08-05 This book of poems takes a fresh look at common everyday occurrences The author noted for her keen observations of even the simplest things such as acorns laying scattered across a road paints a picture in the reader s mind that brings the poems to life With these vivid images in mind an emotional chord is struck between the reader and the author as she shares special moments that have touched her heart The poems range from the light hearted subjects of the antics of the author s beloved pets to more reflective topics as in the need for nature conservation or thoughts about living life that is true to one s self and to the needs of others This book touches the inner core of all of us and is a fun and sometimes thought provoking collection of poems In a day and age where life is so technologically oriented and fast paced it is nice to know that the art of poetry still exists where the beauty and play of words can touch people and make them smile Reflections of the Heart

Rachel Monaco,1997-05-01 **Reflections of the Heart** Carin Camen,2020-03-26 It is in the Realm of Love that the heart sees the sunrise and sunset on love Love s realm is one we take knowing it isn t if but when our hearts will be broken We hope that it will come after years together when our hair is grey and we have lived a lifetime together It is this hope that we face the rising sun Come journey into the Realm of Love and discover the beauty that is also found in the setting of the sun *Reflections* James Curtis,2016-05-23 Within the pages of this publication are found heart enlarging and faith

empowering words by which men live and grow and achieve a fuller richer relationship and understanding with God their fellow men and themselves The words featured in the titles of these poems are not new words Rather they are time hallowed words which have been wrought on the anvil of experience fashioned according to the aspiration and need of daily living and tested by the challenges and exigencies of our common venture through time to eternity **Reflections of the Heart**

Cynthia Ann Conley,2019-07-30 *Reflections of the Heart* is a simplistic yet profound book of poetry that has been drawn from the innermost place in the heart It deals with many issues that we face on a day to day basis including faith love friendship family relationships bereavement hardships and much much more As you read this book you will be touched by the writings that have touched so many lives over the years You may come to the realization that no matter how old you are what color your skin is or what your social status may be we all have one thing in common the longing to be loved and accepted by God and man Whether you are enjoying this book over breakfast or a cup of coffee you will find yourself wanting to share this God inspired poetry with others It is not a book that you will want to keep to yourself For poetry like this is meant to be shared So come relax and enjoy these beloved poems and be inspired to live life to the fullest by never being afraid to share with God or others the reflections of your heart Reflections of the Heart Jeffrey H. Williams,2017-02-07 What would happen if you let

faith hope and love guide your journey through life Jeffreys poetry will inspire your heart and mind to allow your emotions a healthy home in which to thrive Reflections of the Heart is a revelation of what can happen once we accept the responsibility for making ourselves happy and then share that happiness with others **Reflections of A Poet's Heart** Rebecca Rowton Hemingway,2009-03-23 This book is a collection of poetry that I have written over the years that deal with love life and hardships As well as a few that fill the spirit when lost or empty I have been writing since I was ten years old The fulfillment I get from writing grows as the years pass by and I hope to bring to my readers a light at the end of their tunnel
