

Take a Walk in My Shoes: reflections to myself

This research project explored experiences of how it feels to 'be' in the Museum and how the experiences of people affected by non-visible disabilities can be used to inform and support health and wellbeing in the Museum. We've created this postcard blog series as a way of sharing our experiences with you - in each series we reflect on different aspects of being in the museum, and share our thoughts as postcards to a friend.

Emily, Georgie, Jo, Alex, and Dale

The research project was facilitated by Dr Emily Bradfield (Practitioner Researcher).

This series includes our reflections to ourselves on participating in the research project.

Love: An Invitation: Fifty-two Reflections on Emotional and Spiritual Healing Sharon Southwell, 2014-10-26 Is love the place where psychological observation and spiritual wisdom about healing meet? If love is associated with healing of all sorts, how do I more consciously set about to grow in love seeking healing for myself and for my neighbours, community and world? How do I encourage others in their journeys into love? Drawing on a broad Christian heritage, a deep respect for the insights of other religious and spiritual traditions and two decades of work in welfare and clinical settings, psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves. Structured in 52 Reflections, each followed by Invitations, The Life of Love invites you to grow in love by embracing life-giving connection to yourself, to others, your community, to art, nature and to your ultimate context, whether you experience this as God or as some other immanent or transcendent spiritual connection. Searching for Yellowstone Norman K Denzin, 2016-09-17

Yellowstone, Sacagawea, Lewis Clark, Transcontinental railroad, Indians as college mascots. All are iconic figures, symbols of the West in the Anglo-American imagination. Well-known cultural critic Norman Denzin interrogates each of these icons for their cultural meaning in this finely woven work. Part autoethnography, part historical narrative, part art criticism, part cultural theory, Denzin creates a postmodern bricolage of images, staged dramas, quotations, reminiscences and stories that strike to the essence of the American dream and the shattered dreams of the peoples it subjugated. **SHARING THE WORD:**

TEACHING SERIES ON Resting in God's Quiet Strength: Reflections on Psalm 131:1-3 Dr. Thomas L. Driver, Ph.D., DMIN, 2025-09-19 Sharing the Word Teaching Series on Resting in God's Quiet Strength draws its message from Psalm 131:1-3, one of the Bible's shortest yet most profound psalms. In just three verses, David captures the journey of humility, stillness and eternal hope. In this book, Dr. Thomas L. Driver, Ph.D., DMIN, weaves together insights from 27 years of military service and his calling in ministry. Through vivid illustrations from the Navy, lessons from pastoral leadership and personal testimony, he reveals how true strength is not found in striving, ambition or self-reliance, but in resting in God's quiet presence. Each chapter explores themes such as humility in leadership, the discipline of quietness, the imagery of the weaned child and hope as an anchor for the soul. Reflection questions and prayers invite readers to apply these truths personally and practically, deepening both faith and character. The Interior Journey Toward God: Reflections from Saint Teresa of Ávila John Paul Thomas, The Interior Journey Toward God: Reflections from Saint Teresa of Ávila attempts to take what many believe is Saint

Teresa of Avila's greatest work *The Interior Castle* and break it down into successive lessons, reflections, and prayers. Each lesson is drawn from St. Teresa's writings and seeks not only to explain each particular teaching concisely but also to help you, the reader, to apply the content to your own life. This book can be used as a daily meditation book by which you can slowly ponder the teachings of Saint Teresa as she takes us through the various dwelling places of the soul. This book can also be used as a companion to the reading of Saint Teresa's original spiritual masterpiece *Interior Castle*. I began to think of the soul as if it were a castle made of a single diamond or of very clear crystal in which there are many rooms just as in Heaven there are many dwelling places.

Interior Castle, Part I, Chapter 2: Saint Teresa of Jesus, you were a daughter of the Church, a humble servant of God, a reformer, a mystic, and a great beacon of light for all. Please pray for me as I prayerfully reflect upon the lessons you have taught. Through your intercession, may I discover the presence of God Who dwells within me, journeying ever deeper to the center of my soul where the Great King resides.

Saint Teresa of Jesus, pray for us, Jesus. I trust in You. For more information, you can view this book online for free from our website at www.mycatholiclife.com.

Journey to Wholeness: Reflections for Transforming Your Life by Jean Farish, PhD, 2016-04-20. *Journey To Wholeness: Reflections for Transforming Your Life* is an inspirational book designed to inspire conscious living and serve as a catalyst for transformation. It reflects on the human condition and our yearning for inner harmony and fulfillment as we struggle to return to our innate state of wholeness. Wholeness is a natural and innate state of being. It is ultimate fulfillment. It is a conscious connection to our core being. Life circumstances and experiences often fracture aspects of ourselves and shift us into a different state of reality as we struggle against who we really are. Thus we find ourselves lost in illusions and false beliefs and must find our way back to our center of wholeness. The challenge is becoming more congruent and connected with the mental, physical, emotional, intellectual, and spiritual aspect of ourselves, living well, and ultimately loving ourselves into wholeness, ultimate fulfillment. The book offers a unique and fundamental approach for insightful introspection on topics relevant to our daily existence with reflective thoughts for us to ponder in moments of happiness and those of quiet desperation. Eastern and Western principles, practices, and creative inspirations from great thinkers of our time on being whole and living well provides a variety of perspectives for personal growth and self-renewal on our journey to wholeness. As we become more knowledgeable of ourselves and aware in our daily lives and sustain a mindset of conscious living with the realization that each moment presents a fresh opportunity to begin again, the author shares personal perspectives that are meaningful and insightful in the struggle for wholeness. Our labyrinth journey of life takes us out and back home to the place of wholeness wherein lies ultimate fulfillment.
