Dog's Head Island Butch Wax, 2022-04-05 Paul Kennedy, widowed father and chief of police in the small island town of Dog's Head Island, Rhode Island, was just getting his life back in order when long-time summer resident Mary Beth Prouty moves to the island to live full-time. While still grieving from the sudden tragic loss of his famous rock star wife, Kennedy starts to come to terms with the fact that he still has a daughter and that she needs her father. With the help of his parents, Kennedy turns his despair into hope and a sense of purpose when the police chief job presents itself and his father encourages him to take it. Kennedy crosses paths with the island's newest resident as she prepares her new jewelry shop for its grand opening. He and his mother immediately take to the young woman, and soon a friendship develops between them. As Kennedy's young daughter Lauren develops a bond of her own to Prouty, something more than friendship develops between the handsome young policeman and the beautiful and fun-loving Prouty. What they don't know, however, is that trouble has followed Prouty, and it's soon clear to Kennedy that her life might be in danger. Though Prouty's wealthy father may be the intended target, Kennedy suspects that the elder Prouty's daughter may be an intended pawn. Kennedy utilizes the resources available to him, both from members of his police force and connections he'd made while in the service, to protect Prouty from the nefarious group of men sent to do her harm.
