Reflections On The Christ:

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today *Reflections of the Christ Mind* Paul Ferrini, 2000

Knowing Jesus Jim Reapsome, 2012-10-01 In this unique devotional readers will find more than just pious platitudes to start the day They ll ponder the question of what Jesus has to say to his followers living in a deeply troubled and hurting world They ll explore some of his most important teachings And they ll see how Jesus calls each of us to embrace his message and make it come alive in our lives Anyone looking for a renewed passion for Jesus s message and a deeper understanding of his life will find both here **Love Without Conditions** Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood Rarely has any book conveyed the teachings of the master in such a simple but profound manner This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life *Reflections on the Christ* David Spangler, 1977 *Reflections, meditations, and prayers (with Gospel harmony) on the ... life ... of ... Jesus Christ [signed R.B.]* Robert Brett, 1852 *Every Thing Is Sacred* Richard Rohr, Patrick Boland, 2021-02-16 In this companion to *The Universal Christ* Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live in Christ In his landmark book *The Universal Christ* Richard Rohr articulated a transformative view of what it means to recognize Jesus as Christ as a portrait of God s constant unfolding work in the world Now in partnership with Patrick Boland a psychotherapist and member of Rohr s Center for Action and Contemplation community he invites readers to engage with the themes of the book through spiritual practice Each reflection in this book draws on a key passage of *The Universal Christ* paired with prayers journal prompts and embodied exercises that invite readers into a more personal encounter with the truth that the presence and compassion of the Christ are in every thing Whether read daily for the season of Lent or explored over the course of a year *Every Thing Is Sacred* is a hope filled

Footsteps to Christ Jewel Harper, MPA, MDiv, 2013-11-13 In learning to walk in the footsteps to Christ I originally thought this journey would be hopeless and unobtainable but the more I practiced my prayer meditation and silence I realize that it is obtainable You too can begin to come into a deep awareness of Christ How can you say that you love him and know who he is when you do not seek him When practicing a constant fellowship with Christ you are able to walk the steps to seek wanting to know more of who he is This book originated when I was on a silent retreat and started daily journaling of my experience walking in the footsteps to Christ I pass this book on to you as a tool to the body of Christ I have never intended to keep my relationship with Christ to myself as private but it is intended to be shared and encourage your experience to become a corporate experience with others
