Celeste Fierro, 2020-06-20 In this collective work we return to old controversies that the feminist tide reopens as well as new

and complex questions that reality raises Among those controversies that are becoming relevant today we address here the patriarchy state relationship the border between the different reformist currents and revolutionary feminism as well as the construction of the latter In turn regarding the new we include abortion as a right now in dispute the religious political fundamentalist crusade the validity or not of punitivism in the face of male violence the dilemmas of surrogacy domestic work and prostitution or sex work identity and intersectionality policies and the challenges of the LGBTI movement
