Reform Of The Rake:

Reform of the Rake Catherine George, 2011-07-15 BABY BOOM A daddy for Christmas Sensible Lowri had no intention of succumbing to Adam Hawkrigge's careless charm But Adam persisted Lowri resisted and gave in Loving Adam had its price soon Lowri was expecting his baby He proposed marriage but Lowri knew his heart just wasn't in it So she jilted him at the altar pretending her pregnancy was a false alarm Two years later and Lowri was looking forward to spending Christmas with her pride and joy little Rhosyn But the festive season would bring with it a series of surprises and shocks not least that Adam Hawkrigge was about to discover the existence of his daughter BABY BOOM Because two's company and three's a family

The Novel Stage Marcie Frank, 2020-02-14 The Novel Stage Narrative Form from the Restoration to Jane Austen traces the novel's relation to the theater over the course of the long eighteenth century arguing that the familiar account of the novel as new and distinct from other literary genres risks distorting a true reckoning of the form by failing to engage with the borrowings and departures from other more familiar genres particularly drama The Novel Stage traces the migration of tragicomedy the comedy of manners and melodrama from the stage to the novel These genres were shared across print and performance media that were not construed as opposites in a world in which individual silent reading took place beside playgoing play reading amateur theatricals and sociable reading aloud The book thus expands an overly narrow conception of the novel as the genre of realism or domesticity whose highest achievement is its representation of characters' mental lives by describing the influence of the stage and its genres Beginning in the later 1600s with Aphra Behn The Novel Stage concludes with a chapter on some novelists of the Romantic period and a coda about Victorian novels The Novel Stage's account of the novel provides an enriched because more specific sense of its formal accomplishments that drew on this ensemble of cultural forms and turns that lens back onto drama Provided by publisher *Theatre and Culture in Early Modern England, 1650-1737* Catie Gill, 2017-03-02 Framed by the publication of *Leviathan* and the 1713 Licensing Act this collection provides analysis of both canonical and non canonical texts within the scope of an eighty year period of theatre history allowing for definition and assessment that uncouples Restoration drama from eighteenth century drama Individual essays demonstrate the significant contrasts between the theatre of different decades and the context of performance paying special attention to the literary innovation and socio political changes that contributed to the evolution of drama Exploring the developments in both tragedy and comedy and in literary production specific topics include the playwright's relationship to the monarch women writers' connection to the audience the changing market for plays and the rise of the bourgeoisie This collection also examines aspects of gender and class through the exploration of women's impact on performance and production masculinity and libertinism master servant relationships and dramatic representations of the coffee house Accompanied by a list of Spanish English plays and a chronology of monarch's reigns and significant changes in theatre history From *Leviathan* to Licensing Act is a valuable tool for scholars of Restoration and eighteenth century performance providing groundwork for

future research and investigation *Lothario's Corpse* Daniel Gustafson,2020-06-12 Introduction The long running Restoration Corpsing Lothario Debating Dorimant Stuarts without end Libertines and liberalism The British Apollo, or, Curious amusements for the ingenious ,1708 A Genealogy of the Gentleman Mary Beth Harris,2024-03-15 A Genealogy of the Gentleman argues that eighteenth century women writers made key interventions in modern ideals of masculinity and authorship through their narrative constructions of the gentleman It challenges two latent critical assumptions first that the gentleman s masculinity is normative private and therefore oppositional to concepts of performance and second that women writers from their disadvantaged position within a patriarchal society had no real means of influencing dominant structures of masculinity By placing writers such as Mary Davys Eliza Haywood Charlotte Lennox Elizabeth Inchbald and Mary Robinson in dialogue with canonical representatives of the gentleman author Joseph Addison and Richard Steele David Hume Samuel Johnson and Samuel Richardson Mary Beth Harris shows how these women carved out a space for their literary authority not by overtly opposing their male critics and society s patriarchal structure but by rewriting the persona of the gentleman as a figure whose very desirability and appeal were dependent on women s influence Ultimately this project considers the import of these women writers legacy both progressive and conservative on hegemonic standards of masculinity that persist to this day *English Drama* Richard W. Bevis,2014-06-06 What were the causes of Restoration drama s licentiousness How did the elegantly turned comedy of Congreve become the pointed satire of Fielding And how did Sheridan and Goldsmith reshape the materials they inherited In the first account of the entire period for more than a decade Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre s essential characteristic **Studies in Restoration and Eighteenth-century Drama** Carl R. Kropf,1977 The Cambridge Companion to English Restoration Theatre Deborah Payne Fisk,2000-05-11 Fourteen specially commissioned essays provide essential information about staging playwrights themes and genres in the drama of the Restoration **London Municipal Notes** ,1912
