Renaissance Poetry Cristina Malcomson,2016-07-01 This book the first single volume to collate essays about sixteenth and seventeenth century poetry explores the remarkable changes that have occurred in the interpretation of English Renaissance poetry in the last twenty years In the introduction Cristina Malcolmson argues that recent critical approaches have transformed traditional accounts of literary history by analysing the role of poetry in nationalism the changing associations of poetry and class status and the rediscovered writings of women The collection represents many of the critical methodologies which have contributed to these changes new historicism cultural materialism feminism and an historically informed psychoanalytic criticism In particular three diverse readings of Spenser s Bower of Bliss canto illustrate the different approaches of formalist close reading new historicist analysis of cultural imperialism and feminist interpretations of the relation of gender and power The further reading section categorizes recent work according to issues and critical approaches

The Industrial Revolution Lee T. Wyatt III,2008-11-30 The Industrial Revolution that began in Great Britain in the mid seventeenth century transformed the British economy and later the economies of Western Europ and the U S from a rural agricultral system into an industrial society centered around the factory system of mass production and specialized labor the right mix of social political and legal conditions in Britain at the time led to the discovery of labor The right mix of social political and legal conditions in Britain at the time led to the discovery of fresh sources of power and energy and to advances in agriculture manufacturing communication and transportation Notable results included the steam engine which made possible everything from textile factories to railroads and later in the U S the cotton gin electric light and automobiles This comprehensive volume explores all these events and more including the aftermath of the Revolution its spread beyond Britain and the U S to Asia and throughout the world allowing for a higher standard of living while challenging that standard with increased pollution and health problems a widened economic and social class gap and a weakening of traditional family structure Biographical sketches of key figures a chronology of events primary document excerpts from the period and a print and nonprint source bibliography supplement the work

Nation and Nurture in Seventeenth-Century English Literature Rachel Trubowitz,2012-05-31 Rachel Trubowitz connects changing 17th century English views of maternal nurture to the rise of the modern nation especially between 1603 and 1675 Economic History of Britain Christopher Hill,1992 The period 1530 1780 witnessed the making of modern English society

The Changing Face of Imperialism Sunanda Sen,Maria Cristina Marcuzzo,2018-01-02 This volume reiterates the relevance of imperialism in the present as a continuous arrangement from the early years of empire colonies to the prevailing pattern of expropriation

across the globe While imperialism as an arrangement of exploitation has sustained over ages measures deployed to achieve the goals have gone through variations depending on the network of the prevailing power structure Providing a historical as well as a conceptual account of imperialism in its classical context this collection brings to the fore an underlying unity which runs across the diverse pattern of imperialist order over time Dealing with theory the past and the contemporary the study concludes by delving into the current conjuncture in Latin America the United States and Asia The Changing Face of Imperialism will provide fresh ideas for future research into the shifting patterns of expropriation spanning the early years of sea borne plunder and the empire colonies of nineteenth century to contemporary capitalism which is rooted in neoliberalism globalization and free market ideology With contributions from major experts in the field this book will be a significant intervention It will be of interest to scholars and researchers of economics politics sociology and history especially those dealing with imperial history and colonialism
