Reforming Christianity

Don Cupitt

Reforming Christianity:

Reforming Protestantism Douglas F. Ottati, 1995-01-01 Reformed Protestantism has undergone drastic changes throughout its history in America. Although it has become less prominent in American society, Ottati reminds us that this particular Christian movement with its particular characteristics is still a dynamic and important witness to our world.

Reforming Christianity Don Cupitt, 2001 Christian churches are seemingly in terminal decline. Is a reformation and renewal of Christianity still possible even at this late hour? Don Cupitt argues that it is possible but will be difficult. Church Christianity as we have received it is handicapped by two great errors: a mistaken interpretation of Jesus as having been the co-equal divine Son of God incarnate and the mistaken belief that there is a controlling supernatural world beyond this world. To escape from these errors, we need to go back and start again from the historical Jesus and his message about the Kingdom of God on this earth. We need to create a modern version of his kingdom religion: a religion that is immediate, beliefless, and entirely focussed upon the here and now. Reconstructing Christianity in this way calls for a revolution in thought. At present, the churches don't even want to think about reform and renewal, but if they are ever to become serious, this is the path they'll have to take.

Reforming the Christian Faith Mark W. Karlberg, 2017-10-12 Central to the mission of the church with each passing generation is the elucidation of the gospel of Christ, which is the heart of the Christian message. Witness to God's saving word in Scripture comes in response to discussions and debates arising over the course of church history. Our study highlights some of the unity and disunity found within the Reformed tradition. Reformation and modern Beginning with the subject of the development of doctrine over the course of church history, we take up the foundational issue of biblical hermeneutics: the question of how we are to interpret the Bible. The year 2017 marks the Protestant Church's 500th anniversary. October 31. We consider secondly Protestantism's two leading theological principles: the formal doctrine of Scripture and the material doctrine of justification by faith alone. In the final section, we critique departures from the teaching of historic federalism found within contemporary Reformed orthodoxy, which strikes at the very heart of what it means to be Reformed in theology. Crucial in this long-standing and ongoing dispute is the interpretation of the Mosaic Covenant as in some sense a republication of the original Covenant of Works with Adam at creation. Covenant and justification are the focal doctrines under study.

Reforms of Christian Life in Sixteenth-Century Italy Querciolo Mazzonis, 2022-03-03 *Reforms of Christian Life* presents a new narrative of the role of the Barnabites and Angelics, the Ursulines, and the Somascans founded in Northern Italy in the 1530s by Battista da Crema, Angela Merici, and Girolamo Miani within sixteenth-century Italian reform movements. While historiography has considered these companies under the category of Catholic Reformation, this book argues that they promoted an unconventional view of perfection and of the Church that was alternative to both Roman Catholicism and Lutheranism and through which they wanted to reform society rather than the ecclesiastical institution. By highlighting the complex articulation of perceptions of Christian life and by exploring

neglected connections among devout milieus Mazzonis considers the sodalities in continuity with a fifteenth century ascetic mystical current and in relation to contemporary institutes such as the Jesuits and the Oratorians irenic reforming circles like that of Juan de Valdés and post Tridentine ecclesiastical reformers including Charles Borromeo This volume shows that reforming trends were more varied and fluid than previously thought and contributes to cultural and gender analyses of the religious mentality of the period Reforms of Christian Life is a useful tool for students and scholars of medieval and early modern religious and cultural history

Islam's Reformation of Christianity Zulfiqar Ali Shah,2022 Jesus was a product of Semitic monotheism moral law piety and humility His kingdom was the other worldly His ethical monotheism was transformed by the Roman Empire and mythology The supernatural Trinitarian and miraculous Roman Christianity transitioned into unintelligible dogmas the abolition of law moral laxity this worldly kingdom and divine right absolutism Natural theology law cosmology and politics were all compromised Religious freedom was barred and persecutions were normalised Latin Christendom was a persecutory society Islam was an intellectual cure to Christian paradoxes and an egalitarian pluralistic alternate to Christian inquisitions and religiopolitical absolutism It spread in the Eastern Christian territories like a bush fire This reformation of Christian excesses in religiopolitical theology reformed its paradoxical incarnational theology antinomianism grace based salvation scheme divine right Church and monarchy interventionist cosmology and religious persecutions This insightful and groundbreaking new book provides an in depth study of the Islamic Southern Reformation of Christianity a reformation seldom acknowledged or studied by the historians It explores how the Islamic reformative scheme emphasised ethical transcendental monotheism natural theology and rational discourse It limited monarchy and placed significance on an inclusive pluralistic and free society The Seventh Century Islamic natural rational moral republican and egalitarian reformation was the Southern Reformation of Christianity long before the partial Northern Reformation of Luther and Calvin

Always Reforming Craig D. Atwood,2001

Always Reforming highlights the fact that in the modern era the notion of heresy has fallen apart Every church has been declared heretical at some time or other by another church and it is not the role of the historian to decide who is right or wrong on doctrinal issues Christians have adapted to sweeping social changes including scientific discoveries and changing world views This volume attempts to uncover some of the hidden dynamics of faith within the many ways in which other Christians have tried to live out the gospel in an uncertain world It also demonstrates that all human institutions including churches change over time Jacket Christianity Alister E. McGrath, 2006-02-13 The new edition of this popular textbook by leading theologian Alister E McGrath will be essential reading for anyone wanting to understand the dynamics of the world s largest religion Fully revised to include greater coverage of the Catholic perspective contemporary issues non Western Christianity globalization and women this is a truly comprehensive lively and jargon free introduction to Christianity Written for beginners to this subject and assumes no knowledge of Christian beliefs or practices Includes an introduction to biblical sources and discussion of the central figure of Jesus Features comprehensive discussions of Christian theology the history of Christianity from its origins to the present day and Christianity in the modern world Increases coverage of contemporary issues the Catholic perspective non Western Christianity globalization and women Contains accessible and student friendly features including numerous illustrations suggestions for further reading a glossary of Christian terms and brief readings from illustrative Christian sources
