

A woman with blonde hair, wearing a voluminous pink and red gown with a wide white sash, stands in a lush green park. She is looking back over her shoulder towards the camera. In the background, a classical temple with a dome sits atop a grassy hill, surrounded by dense trees. A body of water reflects the scene. The title 'EILEEN PUTMAN' is written in large, light blue, serif capital letters at the top.

Reforming Harriet:

Reforming Harriet Eileen Putman, 2016-06-04 Elias Westwood's sensual appetites are boundless Lady Harriet's culinary skills are heavenly But she's sworn off men Can he bring some much needed spice to her life Westwood is at his wit's end Lady Harriet has been selling off her shares until he is nearly ruined As he plots to win them back Elias's extraordinary gifts of smell and taste so useful in judging fine spices prove his Achilles's heel He cannot resist Lady Harriet's culinary creations or her feminine charms When she maneuvers him into masquerading as her fiancé he never plans on falling in love Book 4 in the Love in Disguise series of Regency romances featuring daring masquerades with love as the prize **Reforming Men and Women** Bruce Dorsey, 2006 Before the Civil War the public lives of American men and women intersected most frequently in the arena of religious activism Bruce Dorsey broadens the field of gender studies incorporating an analysis of masculinity into the history of early American religion and reform His is a holistic account that reveals the contested meanings of manhood and womanhood among antebellum Americans both black and white middle class and working class Urban poverty drink slavery and Irish Catholic immigration for each of these social problems that engrossed Northern reformers Dorsey examines the often competing views held by male and female activists and shows how their perspectives were further complicated by differences in class race and generation His primary focus is Philadelphia birthplace of nearly every kind of benevolent and reform society and emblematic of changes occurring throughout the North With an especially rich history of African American activism the city is ideal for Dorsey's exploration of race and reform Combining stories of both ordinary individuals and major reformers with an insightful analysis of contemporary songs plays fiction and polemics Dorsey exposes the ways race class and ethnicity influenced the meanings of manhood and womanhood in nineteenth century America By linking his gendered history of religious activism with the transformations characterizing antebellum society he contributes to a larger quest to engender all of American history **Reforming Welfare** United States. Subcommittee on Departments of Labor, Health and Human Services, Education, and Related Agencies, 1995 Distributed to some depository libraries in microfiche *The Dastardly Duke* Eileen Putman, 2013-07-16

Vigorous Reforms Jess Libow, 2025-07-10 Nineteenth century America saw profound changes in the ways people viewed their bodies their health and their corporeal connection to their environments Though much of the writing about bodies was produced by men Vigorous Reforms focuses on the understudied literary history of how women came to understand physicality and its connection to their everyday lives The introduction of physical education allowed women to conceive their own and others bodies not as static entities but as adaptable to their own needs goals and labor Jess Libow also shows the limits of the science of the era since bodily differences were often understood as biologically determined theories of health defined womanhood in terms of racialized bodily abilities For example settler colonial ideology coded Native women as deteriorating due to their uncivilized ways of life and proponents of slavery insisted that Black women's inherent strength

made them suitable for enslavement Drawing on a wide ranging archive of ideas about exercise hygiene and nutrition Libow argues that women s writing about health was fundamental to the development of what we now think of as American feminism Reformed Bad Girl: A Steamy One Night Fling Romance Shelley Munro,2016-01-01 Spontaneity is a serpent sent to derail a good girl s intentions A little mistake Just one reckless blunder and Hayley Jones finds herself hip deep in man trouble Very sexy man trouble it s true but she has made promises to tread the good girl line Conservative Responsible Sensible too These days she embraces her life as a secretary and stays in nights to save money Yet there s something about wealthy businessman Sam Norville that prods her inner imp to mischievous life A chance meeting a margarita okay three a stolen kiss and suddenly against every screaming instinct she s embracing her bad girl persona Sam a successful businessman doesn t believe in love at first sight Not anymore For him involvement with any woman means risking a run in with the tabloid press But his mysterious lover keeps him coming back keeps him prodding her for more like the truth Of course it s not love Heck no Sam only does lust Hayley knows she shouldn t want Sam especially since she s been economical with the facts The right thing to do Shove that naughty bad girl off her shoulder and come clean But the pesky imp just won t budge Warning Contains a gypsy tea leaf reader a one night stand and more secrets and confusion than one can poke a stick at Sounds like trouble to me **Reforming Harriet** Eileen Putman,2024-07-19 Lady Harriet Worthington an independent widow and superb cook has been selling off shares of the spice business she shares with Elias Westwood He plots to win them back but can t resist her culinary creations or her feminine charms *The Perfect Bride* Eileen Putman,2012-07-21

Lord Pierson Reforms Donna Simpson,2004 An angel that s what Dante Delacourt Viscount Pierson spies as he staggers home one foggy night Admittedly he is quite in his cups but the blonde vision in the passing carriage is surely the archetype of goodness a moral compass to guide him away from his scandalous past Pierson can hardly believe his luck when he encounters this paragon the next day in the company of her chaperone Miss Amy Corbett Yet for all her physical loveliness Lady Rowena Revington seems a touch temperamental and Pierson turns more and more to wise warmhearted Amy for courtship advice and companionship But Amy has been charged with finding the spoiled harpy a husband by the end of the Season and it is no easy task *A Woman's Woman* Nalbro Bartley,1919
