H. Bennett,2013-02-15 In 2006 a long forgotten canister of film was discovered in a church in Devon a county located in the southwestern corner of the United Kingdom No one knew how it had gotten there but its contents were tantalizing the grainy black and white footage showed members of the German SS and police building a road in Ukraine and Crimea in 1943 The BBC caused a sensation when it aired the footage but the film gave few clues to the protagonists or their task World War II historian G H Bennett pieces together the story of the film and its principal characters in The Nazi the Painter and the Forgotten Story of the SS Road In his search for answers Bennett unearthed an overlooked chapter of the Holocaust a wartime German road building project led by Walter Gieseke the Nazi policeman who ended up running the SS task force that served the dual purpose of exterminating Jewish and other lives while laying the infrastructure for a utopian Nazi haven in the Ukraine Bennett tells the story of the road and its builders through the experiences of Arnold Daghani a Romanian artist who was one of the few Jewish laborers to survive the project Daghani describes the brutal treatment he endured as well as the beating torture and murder of his fellow laborers by the Nazis and his postwar efforts to bring the perpetrators to justice Recovering an important but lost episode in the history of World War II and the Holocaust The Nazi the Painter and the Forgotten Story of the SS Road is a moving and at times horrifying chronicle of suffering deprivation and survival **Erving Goffman and the Cold War** Gary D. Jaworski,2023-08-07 Erving Goffman and the Cold War presents a provocative new reading of the work of sociologist Erving Goffman Instead of viewing him as a marginal man or academic outsider Gary D Jaworski explores Goffman as a social theorist of the Cold War Goffman was deeply connected to both the ethos of his time and to a range of cold warriors and their critics such as Edward A Shils Thomas C Schelling and the researchers on brainwashing associated with the Walter Reed Army Institute of Research among others Chapters on loyalty betrayal secrecy strategy interrogation provocation and aggression concretely illustrate these connections Erving Goffman and the Cold War shows that Goffman was much more than a microsociologist of mundane life he was a perceptive analyst of the Cold War America **2000** Susan Sarah Cohen,2012-05-24 This work includes international secondary literature on anti Semitism published throughout the world from the earliest times to the present It lists books dissertations and articles from periodicals and collections from a diverse range of disciplines Written accounts are included among the recorded titles as are manifestations of anti Semitism in the visual arts e g painting caricatures or film action taken against Jews and Judaism by discriminating judiciaries pogroms massacres and the systematic extermination during the Nazi period The bibliography also covers works dealing with philo Semitism or Jewish reactions to anti Semitism and Jewish self hate An informative abstract in English is provided for each entry and Hebrew titles are provided with English translations **Patriarch** David M.
