Robert Marion La Follette:

The Political Philosophy of Robert M. La Follette as Revealed in His Speeches and Writings Robert Marion La Follette, 1920 **Address of Senator Robert M. La Follette, Jr., of Wisconsin, Made During the National Radio Forum, Arranged by the Washington Star and Broadcast Over a National Broadcasting Company Network, Monday Night, May 9, 1938, at 9:30 E.S.T.** Robert Marion La Follette, 1938 *Young Bob* Patrick J. Maney, 2003 He made his mark on national life as a key architect of Franklin Roosevelt's New Deal a leading champion of labor rights and civil liberties and author of legislation that endures to this present day Young Bob was one of the best senators in history but also one of the most tragic In 1946 at the height of his national prominence La Follette lost his Senate seat to Joseph McCarthy Seven years later with McCarthy very much on his mind La Follette committed suicide BOOK JACKET *Robert Marion La Follette* Fred Greenbaum, 1975 **Speech of Senator Robert M. La Follette**, 1917 *Robert M. La Follette, Jr* Robert Marion La Follette, 1925 *SPEECH OF SENATOR ROBERT M LA* United States Congress Senate Committ, Robert M. La Follette as Revealed in His Speeches and Writings](#) Robert Marion La Follette, 1920 [La Follette's Autobiography](#) Robert Marion La Follette, 1913 The autobiography of Robert La Follette 1855 1925 traces the political life and accomplishments of this eminent Republican politician from his election as district attorney for Dane County Wisconsin in 1880 to the presidential campaign of 1912 when his bid to dislodge President William Howard Taft was pushed aside by former president Theodore Roosevelt on the Progressive Party's national ticket The book emphasizes tactics strategies and coalition building as well as La Follette's assessments of various local and national public figures We learn little about La Follette's childhood education legal training or family life although he does pay tribute to his wife a lawyer and civic reformer in her own right La Follette served three terms in Congress 1885 1891 and after a decade of private law practice and grassroots activism was elected Wisconsin's governor 1900 1904 From 1905 until his death La

Follette was a senator He crusaded at state and national level against powerful unregulated business interests especially the railroads which he felt exerted undue influence upon government He also championed open primary elections equitable taxation of corporations and public management of public resources by highly qualified non partisan public servants While many of these influential reforms were instituted at the state level during his governorship his contribution in the Senate may have had less to do with his legislative record than with his ability to rally forces around well articulated programs
