

Russia In The Age Of Peter The Great

Andrew Lambert

Russia In The Age Of Peter The Great:

Russia in the Age of Peter the Great Lindsey Hughes,1998 Relying on newly available sources a professor of Russian history at the University of London recounts the history of the Russia of Peter the Great and reconsiders the tsar s legacy as a modernizer and reformer in an illustrated thematic account UP Russia in the Age of Peter the Great :1682-1725 Lindsey Hughes,1998

Peter the Great Lindsey Hughes,2002-01-01 This the shorter biography of Peter the Great 1672 1725 tells his story from birth to death in twelve chapters including two final chapters on the Tsar s legacy and posthumous reputation up to the present with the aim of providing a vivid sense of the dynamics of his life and reign The focus is firmly on the dramatic appealing and unconventional figure of Peter himself his actions deliberations decisions relationships tastes and possessions It includes the more bizarre aspects of his character such as his interest in dwarfs the use of disguises clowning and vandalism The main sources are Peter s letters and papers both published and unpublished as well as other

contemporary accounts and documents The narrative comprises both the public and private life the life Peter lived as well as his significant fantasy world Hughes offers fascinating new material on the alternative or parallel history of Peter s many disguises and pseudonyms his deference to a number of mock superiors and his relationships with individuals such as his second wife Catherine and his favourite Alexander Menshikov In each chapter Hughes explores Peter s image in painting and sculpture bringing the story to the present day with a discussion of controversial monuments in Moscow and St Petersburg

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Image of Peter the Great in Russian History and Thought Nicholas Valentine Riasanovsky,1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people

Peter the Great ,1906 *Peter the Great Through British Eyes* Anthony Cross,2000-11-30 Peter the Great s visit to England in the first months of 1698 has been called the most picturesque episode in the history of Anglo Russian relations and lives on most vividly in popular memory for the devastation caused at Sayes Court John Evelyn s house and garden in Deptford Recent celebrations of the tercentenary of that visit have refocused attention on the most famous of Russian tsars but the story of Britain s love hate relationship with him over the intervening centuries has never before been told This study analyses changing British reactions to Peter in an extremely wide variety of printed sources newspapers and journals letters and collections of anecdotes histories and biographies novels poems and plays A final innovative chapter is devoted to images of the tsar as interpreted by British painters from Godfrey Kneller to Daniel Maclise and by a whole cohort of engravers illustrating biographies and travel accounts Russia's Path toward Enlightenment Gary M. Hamburg,2016-06-28 This book focusing on the history of religious and political thinking in early modern Russia demonstrates that Russia s path toward enlightenment began long before Peter the Great s opening to the West Examining a broad range of writings G M Hamburg

shows why Russia's enlightenment constituted a precondition for the explosive emergence of nineteenth century writers such as Fedor Dostoyevsky and Vladimir Soloviev *Peter the Great* Derek Wilson, 2010-01-05 There has never been a more remarkable national leader in modern history than Peter the Great 1672-1725 He was a giant in every way In physical stature willpower enthusiasm energy libertinism and refusal to accept old conventions he stood head and shoulders above his contemporaries He grew up in an atmosphere of fear suspicion and court rivalries that often assumed violent forms He only gained power at the age of seventeen by ousting his half sister Sophia and shutting her up in a nunnery As a product of the system Peter was of necessity ruthless and tyrannical personally carrying out the execution of defeated rebels and even effecting the death of his own son But there his identification with Russia's past ends For what has earned Peter his place in history is his tearing his country kicking and screaming from its traditional oriental customs and beliefs and integrating it into the life of Europe He removed the privileges of the medieval aristocracy brought the church under state control and rejected the old Russian calendar in favor of the dating system used in Europe He even ordered his courtiers and officials to shave their traditional beards and adopt Western dress codes He avidly studied the latest scientific and technological advances and employed them to build a modern army and to create from scratch a Russian navy These tools he used to devastating effect by destroying the Swedish Empire and making Russia with its brand new capital St Petersburg master of the Baltic European leaders did not know what to make of this eccentric unsophisticated tsar who loathed pomp and ceremony served as a junior officer in his own armed forces and indulged in rowdy boorish behavior Yet by the end of his remarkable reign this man who had made a servant girl his own wife and empress had married members of his family into the royal houses of Europe Thanks to Peter the Great Russia was profoundly changed So was Europe Derek Wilson tells his extraordinary story with a verve and atmospheric detail that emphasizes vividly the impact this one man made not only in Russia but in the wider world Peter the Great created a new Europe in which for good or ill Russia was to play a crucial part His contemporaries were obliged to come to terms with him And today it is perhaps even more important for us to understand the historical context and the pivotal role Peter played in the creation of a whole new order *The History of Peter the Great* Voltaire, 2014-09-01 French Enlightenment thinker Voltaire saw much to admire in Russian emperor Peter the Great Most significantly Voltaire admired Peter's tireless efforts to drag Russia from its medieval mindset and thrust it into an age of rationality This exhaustive biography focuses more on Peter's philosophy and values than his wartime exploits

Seapower States Andrew Lambert, 2018-11-27 A fascinating geopolitical chronicle A superb survey of the perennial opportunities and risks in what Herman Melville called the watery part of the world *The Wall Street Journal* In this volume one of the most eminent historians of our age investigates the extraordinary success of five small maritime states Andrew Lambert author of *The Challenge Britain Against America in the Naval War of 1812* winner of the prestigious Anderson Medal turns his attention to Athens Carthage Venice the Dutch Republic and Britain examining how their identities as

seapowers informed their actions and enabled them to achieve success disproportionate to their size Lambert demonstrates how creating maritime identities made these states more dynamic open and inclusive than their lumbering continental rivals Only when they forgot this aspect of their identity did these nations begin to decline Recognizing that the United States and China are modern naval powers rather than seapowers is essential to understanding current affairs as well as the long term trends in world history This volume is a highly original big think analysis of five states whose success and eventual failure is a subject of enduring interest by a scholar at the top of his game An intriguing series of stories of communities thinking seriously about how to stand their own ground when outpowered how to do so in ways that are consistent with their values and sometimes how to negotiate the descent from being a great power when the cards just aren't in their favor any more These are timely questions Times Higher Education Supplement Lambert is without a doubt the most insightful naval historian writing today The Times

Quest for Status Deborah Welch Larson,Alexei Shevchenko,2019-01-01 A look at how the desire to improve international status affects Russia's and China's foreign policies Deborah Welch Larson and Alexei Shevchenko argue that the desire for world status plays a key role in shaping the foreign policies of China and Russia Applying social identity theory the idea that individuals derive part of their identity from larger communities to nations they contend that China and Russia have used various modes of emulation competition and creativity to gain recognition from other countries and thus validate their respective identities To make this argument they analyze numerous cases including Catherine the Great's attempts to westernize Russia China's identity crises in the nineteenth century and both countries' responses to the end of the Cold War The authors employ a multifaceted method of measuring status factoring in influence and inclusion in multinational organizations military clout and cultural sway among other considerations Combined with historical precedent this socio psychological approach helps explain current trends in Russian and Chinese foreign policy

Russian History Geoffrey Hosking,2012-03-29 Spanning the divide between Europe and Asia Russia is a multi ethnic empire with a huge territory strategically placed and abundantly provided with natural resources But Russia's territory has a harsh climate is cut off from most maritime contact with the outside world and has open and vulnerable land frontiers It has therefore had to devote much of its wealth to the armed forces and the sheer size of the empire has made it difficult to mobilise resources and to govern effectively especially given the diversity of its people In this Very Short Introduction Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society the transformation of the empire into a multi ethnic empire Russia's relationship with the West Europe the Soviet experience and the post Soviet era ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

A Companion to Russian History Abbott Gleason,2009-04-06 This companion comprises 28 essays by

international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field

Peter the Great: His Life and World Robert K. Massie, 2012-09-18 PULITZER PRIZE WINNER An urgently readable Newsweek biography of the captivating tsar who changed Russian history from the New York Times bestselling author of Nicholas and Alexandra The Romanovs and Catherine the Great Enthralling as fascinating as any novel and more so than most The New York Times Book Review Against the monumental canvas of seventeenth and eighteenth century Europe and Russia unfolds the magnificent story of Peter the Great crowned co tsar at the age of ten Robert K Massie delves deep into his life chronicling the pivotal events that shaped a boy into a legend including his incognito travels in Europe his unquenchable curiosity about Western ways his obsession with the sea and establishment of the stupendous Russian navy his creation of an unbeatable army his transformation of Russia and his relationships with those he loved most Catherine the robust yet gentle peasant his loving mistress wife and successor and Menshikov the charming bold

unscrupulous prince who rose to wealth and power through Peter s friendship Impetuous and stubborn generous and cruel tender and unforgiving a man of enormous energy and complexity Peter the Great is brought fully to life *Vodka Politics* Mark Lawrence Schrad, 2014-02-05 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In *Vodka Politics* Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin *Vodka Politics* presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself from palace intrigues under the tsars to the drunken antics of Soviet and post Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival evidence to answer provocative historical questions How have Russia s rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas II s ill fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodka s hurdles to produce greater social well being prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue

had been put to bed in most every other modern state Indeed recognizing and confronting vodka s devastating political legacies may be the greatest political challenge for this generation of Russia s leadership as well as the next **Britain and Russia in the Age of Peter the Great** Simon M. Dixon,1998 **The Farther Adventures of Robinson Crusoe** Daniel Defoe,2021-11-24 Defoe s *The Farther Adventures of Robinson Crusoe* was almost always published together with *The Life and Strange Surprising Adventures of Robinson Crusoe* Only after 1950 was the first volume printed alone a shorter work for some classes But in addition to fulfilling the promise of the first volume *The Farther Adventures* is an exciting adventure novel by itself Crusoe returns to his island to learn about his colony and then travels to Madagascar India and China before returning to England after some exciting encounters Complete with an introduction line notes and full bibliographical notes this is an edition like no other Published by Bucknell University Press Distributed worldwide by Rutgers University Press

The Tsar's Happy Occasion Russell E. Martin,2021-05-15 *The Tsar s Happy Occasion* shows how the vast ornate affairs that were royal weddings in early modern Russia were choreographed to broadcast powerful images of monarchy and dynasty Processions and speeches emphasized dynastic continuity and legitimacy Fertility rites blended Christian and pre-Christian symbols to assure the birth of heirs Gift exchanges created and affirmed social solidarity among the elite The bride performed rituals that integrated herself and her family into the inner circle of the court Using an array of archival sources Russell E Martin demonstrates how royal weddings reflected and shaped court politics during a time of dramatic cultural and dynastic change As Martin shows the rites of passage in these ceremonies were dazzling displays of monarchical power unlike any other ritual at the Muscovite court And as dynasties came and went and the political culture evolved so too did wedding rituals Martin relates how Peter the Great first mocked then remade wedding rituals to symbolize and empower his efforts to westernize Russia After Peter the two branches of the Romanov dynasty used weddings to solidify their claims to the throne *The Tsar s Happy Occasion* offers a sweeping yet penetrating cultural history of the power of rituals and the rituals of power in early modern Russia *The Revolution of Peter the Great* James CRACRAFT,James Cracraft,2009-06-30 Many books chronicle the remarkable life of Russian tsar Peter the Great but none analyze how his famous reforms actually took root and spread in Russia By century s end Russia was poised to play a critical role in the Napoleonic wars and boasted an elite culture about to burst into its golden age In *The Revolution of Peter the Great* James Cracraft offers a brilliant new interpretation of this pivotal era **Strange Parallels: Volume 2, Mainland Mirrors: Europe, Japan, China, South Asia, and the Islands** Victor Lieberman,2003 Blending fine grained case studies with overarching theory this book seeks to rethink 1 000 years of Eurasian history

As recognized, adventure as competently as experience practically lesson, amusement, as without difficulty as arrangement can be gotten by just checking out a books **Russia In The Age Of Peter The Great** in addition to it is not directly done, you could say yes even more in the region of this life, something like the world.

Russia In The Age Of Peter The Great Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia In The Age Of Peter The Great PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia In The Age Of Peter The Great PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia In The Age Of Peter The Great free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
