AW Rasmussen

Russian Foreign Policy Today The Soviet Legacy And Postsoviet Beginnings Current Digest Foreign Policy:

Challenging America's Global Preeminence Thomas Ambrosio, 2017-07-05 Examining the shifts in Russian foreign policy and their potential impact on the status and influence of the United States in the international system this outstanding volume examines why the Kremlin initially sought an alliance with the United States and the internal and external reasons why such a policy was unsustainable In particular it looks for an explanation for the post Cold War vacillations in Russian foreign policy Russia made several decisions which were perceived domestically as being unacceptable capitulations to American interests Consequently a pro Western foreign policy became incompatible with Russian political culture The rapprochement following 9 11 was destined to be temporary due to the decision by the Bush administration to invade Iraq Contributing to the fields of international relations and comparative foreign policy this study provides a fresh approach to the balance bandwagon issue and takes into account the global repercussions of the recent war in Iraq It will be of particular value to specialists in Russian foreign policy international relations theory and US foreign policy *The Current Digest of the Post-Soviet Press* ,1997

The International Politics of Russia and the Successor States Mark Webber, 1996 This textbook examines the external relations of the fifteen new states which emerged from the ashes of the Soviet Union in 1991 Mark Webber examines the consequences of the Soviet collapse and the emergence of a new system of international relations embracing Russia and the other former Soviet republics The author explores both relations between the new states themselves and between these states and the wider world He pinpoints the daunting challenges facing the new states the invention of foreign policy orientations the management of the Red Army's material legacy including nuclear weapons the resolution of regional conflicts and the need for economic revival Two key themes emerge the reassertion of national identities and the special position of Russia which has assumed to some extent the rights and the obligations of the Soviet Union on the world stage whilst having to tackle the chaos of local wars and internal economic collapse The Foreign Policy of Russia Robert H. Donaldson, Joseph L. Noguee, Vidya Nadkarni, 2014-03-15 Now fully updated this widely respected text traces the lineage and development of Russian foreign policy with the insight that comes from historical perspective The fifth edition incorporates new and fully updated coverage of issues including relations with the major powers and with other post communist states international security issues including arms control issues and grounds for sanctions and intervention and domestic and regional issues related to natural resource politics human rights Islamism and terrorism *Russian Foreign Policy Today* Gordon Livermore, 1992 Russia's Parliamentary Elections 1993 and 1995 Fred Schulze, Ann C. Bigelow, 1996

The American Bibliography of Slavic and East European Studies ,1992 Provides information on East Central Europe and the former Soviet Union

Ulrich's International Periodicals Directory Carolyn Farquhar Ulrich, 1998 American Book Publishing Record Cumulative 1993 R R Bowker Publishing, 1994-03 Cited in BCL3 Sheehy and Walford Compiled from the 12 monthly issues of the ABPR this edition of the annual cumulation lists by Dewey sequence

some 41 700 titles for books published or distributed in the US Entry information is derived from MARC II tapes and books submitted to R R Bowker and

The Legacy of History in Russia and the New States of Eurasia Vladimir Shlapentokh, 2001 Shlapentokh undertakes a dispassionate analysis of the ordinary functioning of the Soviet system from Stalin's death through the Soviet collapse and Russia's first post communist decade Without overlooking its repressive character he treats the USSR as a normal system that employed both socialist and nationalist ideologies for the purposes of technological and military modernization preservation of empire and expansion of its geopolitical power Foregoing the projection of Western norms and assumptions he seeks to achieve a clearer understanding of a civilization that has perplexed its critics and its champions alike

Politics and Government in Europe Today Colin Campbell, 1995 A text on contemporary political issues in Europe and its union former Eastern European states Scandinavia and Latin Europe It discusses how events are influenced by the history political culture and institutions of the different countries An ancillary package is available upon adoption

Bibliographic Guide to Soviet and East European Studies, 1979 **Subject Guide to Books in Print**, 1993 **Indo-Russian Diplomatic Relations** Padma Lochan Dash, 2008 Proceedings of the International Conference on Indo Russian Diplomatic Relations Sixty Years of Enduring Legacy held at Mumbai during 9 10 April 2007

Russian Politics Today Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment

Forthcoming Books Rose Army, 1993 *Russia* Edward Acton, 2014-09-19 This text has established itself as the best general introduction to Russian history providing a forceful and highly readable survey from earliest times to the post Soviet State At the heart of the book is the changing relationship between the State and Russian society at large The second edition has been substantially rewritten and updated and new material and fresh insights from recently accessible research have been incorporated into every chapter

Political Science Abstracts IFI/Plenum Data Company staff, 2013-11-11 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available

Heritage Statecraft and Corporate Power Gertjan Plets, 2023-12-13 Heritage Statecraft and Corporate Power examines the politicization of heritage and heritage conflicts in Siberia In so doing it challenges the idea that heritage is created by the state and instead argues that heritage creates the state Building upon extensive ethnographic fieldwork undertaken in south central Eurasia this book provides an analysis of the sociopolitical enmeshment of archaeology and heritage in Russia's resource colony Siberia Although many examples from across Siberia are discussed the core study region for the book is the Altai Republic which is located where Russia Mongolia Kazakhstan and China intersect Taking a heritage statecraft approach Plets argues that heritage is a particularly important political instrument in this region The book considers how different social groups

including indigenous communities Russian settlers displaced groups national and international archaeologists political parties and energy companies translate archaeological data into culturally distinct heritages Plets encourages scrutiny of the different players that mobilize heritage to instill norms and ideas and the ways in which new regulations or institutions are ultimately implemented Heritage Statecraft and Corporate Power contributes to key debates around the politics of archaeology resource development and cultural heritage It will be essential reading for academics and students engaged in the study of heritage archaeology and memory Area Handbook Series ,1997
