Russian Historians The Soviet State:

Russian Historians and the Soviet State Konstantin Shtepa, 1962 **Russian Historians and the Soviet State.** (Manuscript Prepared for Publication by William L. Blackwell.). Konstantin Feodos'evich SHTEPA, William L. BLACKWELL, 1962 **Russian Historians and the Soviet State** Konstantin Shtepa, 1962 The Historiography of the First Russian Antarctic Expedition, 1819-21 Rip Bulkeley, 2021-04-26 This book looks at the different ways in which Russian historians and authors have thought about their country's first Antarctic expedition 1819-21 over the past 200 years. It considers the effects their discussions have had on Russia's Antarctic policy and may yet have on Antarctica itself. In particular, it examines the Soviet decision in 1949 in line with the cultural policies of late Stalinism to revise the traditional view of the expedition in order to claim that it was Russian seamen that first sighted the Antarctic mainland in January 1820; this claim remains the official position in Russia today. The author illustrates, however, that the case for such a claim has never been established and that attempts to make it damaged the work of successive Russian historians. Providing a timely assessment of Russian historiography of the Bellingshausen expedition and examining the connections between the priority claim and national policy goals, this book represents an important contribution to the history of the Antarctic. **Plekhanov in Russian History and Soviet Historiography** Samuel H. Baron, 2010-11-23 Baron brings together eleven articles published between 1958 and 1986 with a new introduction and an autobiographical essay that serves as a coda to the collection. The essays examine Georgi V. Plekhanov's ideas about history and their relationship to Soviet historiography, most especially his concept of pre-revolutionary Russia not as a Western feudal society but rather as Oriental despotism and his views on the prospect for socialism in the United States. Baron also includes two pieces that revise his earlier thinking about Plekhanov, retracing his steps and exploring paths he neglected in his earlier research for his major biography, *Plekhanov: The Father of Russian Marxism* (1963). **The Eurocentric Historiography of Russia** Elizabeth Beyerly, 2018-12-03 No detailed description available for *The Eurocentric Historiography of Russia*. Readings in Russian Civilization Volume I Thomas Riha, 2009-02-15 This new and enlarged version of *Readings in Russian Civilization* is the result of fairly extensive revisions. There are now 72 instead of 64 items; 20 of the selections are new. The first volume has undergone the least change with 3 new items, of which 2 appear in English for the first time. In the second volume there are 6 new items, all of them appearing in English for the first time. The third volume has undergone the greatest revision with 11 new items, of which 6 are newly translated from the Russian. It is the editor's hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating. The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present. The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition. New citations include not only works which have appeared since 1963 but also

older books and articles which have come to the editor's attention From the Editor's Preface a judicious combination of seminal works and more recent commentaries that achieves the editor's purpose of stimulating curiosity and developing a point of view C Bickford O'Brien The Russian Review These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 **Citizens in the Making in Post-Soviet States** Olena Nikolayenko, 2011-03-02 This book based on extensive original research including new survey research amongst young people examines the political attitudes of Russian and Ukrainian adolescents without any firsthand experience with communism **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **The KGB, Russian Academic Imperialism, Ukraine, and Western Academia, 1946-2024** Sergei I. Zhuk, 2024-06-18 The KGB Russian Academic Imperialism Ukraine and Western Academia 1946-2024 is a study of Soviet and Russian intelligence operations against the centers for Soviet studies in North American academia Using recently opened archival KGB and US intelligence documents memoirs and personal interviews with former KGB officers in post-Soviet Ukraine this book analyzes the Soviet strategy of using their enemies for promoting their own political interests especially directed at the problems of Ukrainian nationalism and independence This volume investigates KGB operations establishing a foothold within the American Slavic studies community during the Cold War The KGB and their current successors the Russian FSB use Russian emigrants and academics to promote pro-Kremlin and pro-Putin myths within North American research institutes Special attention is paid to the historical roots of contemporary Russian intelligence operations targeting American Russian academics and promoting Russian state interests in the ongoing war against Ukraine **Russian Historiography from 1880 to 1905** Thomas M. Bohn, 2024-06-01 In Russian historiography the Moscow School's paradigm shift from political and legal history to social and economic history was markedly driven by Pavel Miliukov 1859-1943 the late leader of the Constitutional Democrats and foreign minister of the Provisional Government Russian Historiography from 1880 to 1905 develops a narrative of historical sociology's advancement through the Moscow School under Miliukov's influence and provides a window into his decision making as a

political figure who based his leadership not on public opinion but on the effectiveness of historical processes Russian Nationalism and the Russian-Ukrainian War Taras Kuzio, 2022-01-26 This book is the first to provide an in depth understanding of the 2014 crisis Russia's annexation of Crimea and Europe's de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity *A History of Twentieth-century Russia* Robert Service, 1915 A professor of Russian history offers a fresh and lively survey of the Soviet experience from the rise of communism in 1917 to the aftermath of its collapse in 1991 5 maps 7 cartoons **Stalinism and Nazism** Ian Kershaw, Moshe Lewin, 1997-04-28 The internationally distinguished contributors to this landmark volume represent a variety of approaches to the Nazi and Stalinist regimes These far reaching essays provide the raw materials towards a comparative analysis and offer the means to deepen and extend research in the field The first section highlights similarities and differences in the leadership cults at the heart of the dictatorships The second section moves to the war machines engaged in the titanic clash of the regimes between 1941 and 1945 A final section surveys the shifting interpretations of successor societies as they have faced up to the legacy of the past Combined the essays presented here offer unique perspectives on the most violent and inhumane epoch in modern European history **Stalinism: Its Nature and Aftermath** Nick Lampert, Gabor T. Rittersporn, 1992-01-20 This is a collection of essays with contributors from Britain Continental Europe and the USA dealing with the character and aftermath of Stalinism in the USSR The focus is on the interwar years and on the methodological problems of studying this period but the volume highlights also the links between Stalinism and the Tsarist past and the ways in which Stalinism in its very formation prepared the ground for its own demise In this way it contributes to a historical understanding of the current upheavals in the Soviet Union Russia, the Roots of Confrontation Robert

Vincent Daniels, 1985 This book examines the historical contrasts between East and West and elucidates the Russian enigma. It springs from the thesis that Russia's national character and its international relations can be understood only in light of the traumas and triumphs, privation and privileges that the country weathered under the tsars and the Soviets. **The Rise and Fall of the Soviet Empire** Dmitrii Antonovich Volkogonov, 1998 Following his great trilogy of biographies of the giants who dominated the history of the Soviet Union: Stalin 1991, Lenin 1994, and Trotsky 1996, Dmitri Volkogonov delves deeper into the Soviet archives to produce new character evaluations and political assessments of the seven leaders who ruled the Soviet Union from 1917 to 1991. A former general in the Soviet Army's propaganda department, Director of the Institute for Military History and Defence Adviser to President Yeltsin from 1991 to his death from cancer in December 1995, Dmitri Volkogonov had unrivalled access to Soviet military archives, Communist Party documents, and secret presidential files. Basing his new book on these inside sources, he has continued his pioneering work of revealing the truth behind the activities of the world's most secretive political leaders. He throws new light on Lenin's paranoia about foreigners in Russia, his creation of a privileged system for top Party members, Stalin's repression of the nationalities and his singular conduct of foreign policy, the origins and conduct of the Korean War, Khrushchev's relationship with the odious secret service chief Beria, Brezhnev's vanity and stupidity, the Afghan War, Poland and Solidarity, Soviet bureaucracy, Gorbachev's Leninism, and role in history. **The Origin of Russian Communism** Николай Бердяев, 1960 An analysis of the political, social, cultural, and religious trends in recent Russian history which influenced Soviet ideology. **A History of Russia Volume 1** Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US, Canada, and around the world. Moss's accessible history includes full treatment of everyday life, the role of women, rural life, law, religion, literature, and art. In addition, it provides many other features that have proven successful, including a well-organized and clearly written text, references to varying historical perspectives, numerous illustrations and maps, fully updated bibliographies accompanying each chapter, as well as a general bibliography, a glossary, and chronological and genealogical lists.

Right here, we have countless ebook **Russian Historians The Soviet State** and collections to check out. We additionally find the money for variant types and after that type of the books to browse. Russian Historians The Soviet State Introduction

In today's digital age, the availability of Russian Historians The Soviet State books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Historians The Soviet State books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Historians The Soviet State books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Historians The Soviet State versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Historians The Soviet State books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Historians The Soviet State books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Historians The Soviet State books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Historians The Soviet State books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Historians The Soviet State books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Historians The Soviet State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
