Russian Prose

Victor Terras

Russian Prose:

Handbook of Russian Literature Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays **Russian Literature: A Very Short Introduction** Catriona Kelly, 2001-08-23 This book is intended to capture the interest of anyone who has been attracted to Russian culture through the greats of Russian literature either through the texts themselves or encountering them in the cinema or opera Rather than a conventional chronology of Russian literature the book will explore the place and importance of literature of all sorts in Russian culture How and when did a Russian national literature come into being What shaped its creation How have the Russians regarded their literary language The book will use the figure of Pushkin the Russian Shakespeare as a recurring example as his work influenced every Russian writer who came after him whether poets or novelists It will look at such questions as why Russian writers are venerated how they've been interpreted inside Russia and beyond and the influences of such things as the folk tale tradition orthodox religion and the West ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **India in Russian Literature** Robert H. Stacy, 1985-01-01 Volume VII Abhidharma Buddhism to 150 A D The present volume undertakes to summarize the gist of these philosophical teachings termed Abhidharma from the first texts that developed after the Buddha up to and including the mammoth text called Mahavibhasa generated from a convention held in the first or second century A D **The Cambridge Introduction to Russian Literature** Caryl Emerson, 2008-07-10 Russian literature arrived late on the European scene Within several generations its great novelists had shocked and then conquered the world In this introduction to the rich and vibrant Russian tradition Caryl Emerson weaves a narrative of recurring themes and fascinations across several centuries Beginning with traditional Russian narratives saints lives folk tales epic and rogue narratives the book moves through literary history chronologically and thematically juxtaposing literary texts from each major period Detailed attention is given to canonical writers including Pushkin Gogol Dostoevsky Tolstoy Chekhov Bulgakov and Solzhenitsyn as well as to some current bestsellers from the post Communist period Fully accessible to students and readers with no knowledge of Russian the volume includes a glossary and pronunciation guide of key Russian terms as well as a list of useful secondary works The book will be of great interest to students of Russian as well as of comparative literature **The Positive Hero in Russian Literature** Rufus W. Mathewson, 2000 The positive hero was defined by the Soviets as one who set an example for the reader's behavior As early as 1860 the merits of this ideal model were a central issue in the war between literary imagination and ideological criticism that raged in Russia for a hundred years In *The Positive Hero in Russian Literature* Rufus W Mathewson Jr brings a period of Russian literature to life and demonstrates how

the battles over the positive hero reappeared with dramatic clarity in the dissident literary movement that developed after Stalin's death Mathewson argues that the true continuity between nineteenth and twentieth century Russian prose was to be found in this persistent conflict between contrary views of the real nature and proper uses of literature This new edition of a widely acclaimed work first published in 1958 and covering literary developments through 1946 includes chapters on Belinsky Pasternak Solzhenitsyn and Sinyavsky Book Jacket

Library of Congress Subject Headings Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, 2013

A History of Russian Literature Andrew Kahn, Mark Naumovich Lipovetskiĭ, Irina Reyfman, Stephanie Sandler, 2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume's time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia's literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public

An Anthology of Jewish-Russian Literature Maxim Shrager, 2015-03-26 This definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language It features writers of the tsarist Soviet and post Soviet periods both in Russia and in the great emigrations representing styles and artistic movements from Romantic to Postmodern The authors include figures who are not widely

known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shrayer of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author s background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor s extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources

Fifty Years of Russian Prose Krystyna Pomorska,1971 Volume 2 of this anthology brings together stories by Russian writers of the period after 1953 *Russian Minimalism* Adrian Wanner,2003-12-26 The first study of the prose poem in the context of Russian literature

An Outline of Russian Literature Maurice Baring,2017-04-10 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2009 Russian Literature Petr Alekseevich Kropotkin (kni[a]z'),1905 Russian Literature, Ideals and Realities Pëtr Alekseevič Kropotkin,1916 *The American Bibliography of Slavic and East European Studies for 1994* Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs Literature of Nature Patrick D. Murphy,Terry Gifford,Katsunori Yamazato,1998 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company
