Global Russian Cultures Kevin M. F. Platt,2019-01-15 Is there an essential Russian identity What happens when Russian literature is written in English by such authors as Gary Shteyngart or Lara Vapnyar What is the geographic home of Russian culture created and shared via the internet Global Russian Cultures innovatively considers these and many related questions about the literary and cultural life of Russians who in successive waves of migration have dispersed to the United States Europe and Israel or who remained after the collapse of the USSR in Ukraine the Baltic states and the Central Asian states The volume s internationally renowned contributors treat the many different global Russian cultures not as displaced elements of Russian cultural life but rather as independent entities in their own right They describe diverse forms of literature music film and everyday life that transcend and defy political geographic and even linguistic borders Arguing that Russian cultures today are many this volume contends that no state or society can lay claim to be the single or authentic representative of Russianness In so doing it contests the conceptions of culture and identity at the root of nation building projects in and around Russia

Former People Douglas Smith, 2025-09-23 Epic in scope precise in detail and heart breaking in its human drama *Former People* is the first book to recount the history of the aristocracy caught up in the maelstrom of the Bolshevik Revolution and the creation of Stalin s Russia Filled with chilling tales of looted palaces and burning estates of desperate flights in the night from marauding peasants and Red Army soldiers of imprisonment exile and execution it is the story of how a centuries old elite famous for its glittering wealth its service to the Tsar and Empire and its promotion of the arts and culture was dispossessed and destroyed along with the rest of old Russia Yet *Former People* is also a story of survival and accommodation of how many of the tsarist ruling class so called former people and class enemies

overcame the psychological wounds inflicted by the loss of their world and decades of repression as they struggled to find a place for themselves and their families in the new hostile order of the Soviet Union. Chronicling the fate of two great aristocratic families the Sheremetevs and the Golitsyns it reveals how even in the darkest depths of the terror daily life went on. Told with sensitivity and nuance by acclaimed historian Douglas Smith. *Former People* is the dramatic portrait of two of Russia's most powerful aristocratic families and a sweeping account of their homeland in violent transition. **Music, Collective Memory, Trauma, and Nostalgia in European Cinema after the Second World War** Michael Baumgartner, Ewelina Boczkowska, 2019-09-23 In the wake of World War II the arts and culture of Europe became a site where the devastating events of the 20th century were remembered and understood. Exploring one of the most integral elements of the cinematic experience music the essays in this volume consider the numerous ways in which post war European cinema dealt with memory trauma and nostalgia showing how the music of these films shaped the representation of the past. The contributors consider films from the United Kingdom Poland the Soviet Union France Italy Germany Sweden Austria and the Netherlands providing a diverse and well rounded understanding of film music in the context of historical memory. Memory is often underrepresented within scholarly musical studies with most of these applications found in the disciplines of ethnomusicology popular music studies music cognition and psychology and music therapy. Likewise trauma has mainly been studied in relation to music in only a few historical contexts while nostalgia has attracted even less academic attention. In three parts this volume addresses each area of study as it relates to the music of European cinema from 1945 to 1989 applying an interdisciplinary approach to investigate how films use music to negotiate the precarious relationships we maintain with the past. **Music, Collective Memory, Trauma and Nostalgia in European Cinema after the Second World War** offers compelling arguments as to what makes music such a powerful medium for memory trauma and nostalgia. **Blasket Spirit** Anita Fennelly, 2010-03-03 Seeking solitude after personal crisis Anita Fennelly spent a summer alone on the Great Blasket Island. This is her story written by candlelight of personal healing and recovery interwoven with the island stories its people places and wildlife. Anita weaves a tapestry of tales ghost stories told by the fireside stories of love and betrayal stories celebrating womanhood. Ultimately Anita's own story is one of survival and hope. *Blasket Spirit* reveals a timeless place where the souls of the past and present are inextricably linked with the emotional and physical struggles of island life.
