The Summary ,1916 **Civil War Arkansas** Anne Bailey,2000-07-01 This collection of essays represents the best recent history written on Civil War activity in Arkansas It illuminates the complexity of such issues as guerrilla warfare Union army policies and the struggles between white and black civilians and soldiers and also shows that the war years were a time of great change and personal conflict for the citizens of the state despite the absence of great battles or armies All the essays which have been previously published in scholarly journals have been revised to reflect recent scholarship in the field Each selection explores a military or social dimension of the war that has been largely ignored or which is unique to the war in Arkansas gristmill destruction military farm colonies nitre mining operations mountain clan

skirmishes federal plantation experiments and racial atrocities and reprisals Together the essays provoke thought on the character and cost of the war away from the great battlefields and suggest the pervasive change wrought by its destructiveness In the cogent introduction Daniel E Sutherland and Anne J Bailey set the historiographic record of the Civil War in Arkansas tracing a line from the first writings through later publications to our current understanding As a volume in The Civil War in the West series Civil War Arkansas elucidates little known but significant aspects of the war encouraging new perspectives on them and focusing on the less studied western theater As such it will inform and challenge both students and teachers of the American Civil War

A Scary Little Christmas Matthew C. Hollywood 9/11 Tom Pollard, 2015-12-03 The terrorist attacks of September 11 2001 and the subsequent US led invasions of Afghanistan in 2001 and Iraq in 2003 profoundly affected all aspects of society including cinema Or did they Even now years after those horrific events debate still rages over their impact on films At the time many expected Hollywood to tamp down graphic movie violence while others hoped that filmmakers would finally lay bare volatile socio political issues fuelling terrorist attacks In fact what has emerged is a thicket of darkly pessimistic genres including thrillers combat films sci fi and horror that makes pre 9 11 films appear naive and optimistic *Hollywood 9 11* explores this transformation critically examining everything from *Harry Potter and the Half Blood Prince* to *The Hurt Locker* and placing the films in the context of both the socio political scene and the history of cinema

Seven Shots Jennifer C. Hunt, 2010-09-15 On July 31 1997 a six man Emergency Service team from the NYPD raided a terrorist cell in Brooklyn and narrowly prevented a suicide bombing of the New York subway that would have cost hundreds possibly thousands of lives *Seven Shots* tells the dramatic story of that raid the painstaking police work involved and its

paradoxical aftermath which drew the officers into a conflict with other rank and file police and publicity hungry top brass Jennifer C Hunt draws on her personal knowledge of the NYPD and a network of police contacts extending from cop to four star chief to trace the experience of three officers on the Emergency Service entry team and the two bomb squad detectives who dismantled the live device She follows their lives for five years from that near fatal day in 1997 through their encounters inside the brutal world of departmental politics and on to 9 11 when they once again put their lives at risk in the fight against terrorism racing inside the burning towers and sorting through the ash debris and body parts Throughout this fast paced narrative Hunt maintains a strikingly fine grained street level view allowing us to understand the cops on their own terms and often in their own words The result is a compelling insider s picture of the human beings who work in two elite units in the NYPD and the moral and physical danger and courage involved As gripping as an Ed McBain novel and just as steeped in New York cop culture and personalities *Seven Shots* takes readers on an unforgettable journey behind the shield and into the hearts of New York City police **Bookseller** ,1998 *Nomination of James H.
