Sabbath in the Suburbs MaryAnn McKibben-Dana, 2012-09-30 Remember the Sabbath day to keep it holy Yeah right Sabbath keeping seems quaint in our 24/7 twenty-first century world Life often feels impossibly full what with work to do lists kid activities chores and errands And laundry always and forever laundry But the Sabbath isn't just one of the ten commandments it is a delight that can transform the other six days of the week Join one family's quest to take Sabbath to heart and change their frenetic way of living by keeping a Sabbath day each week for one year With lively and compelling prose MaryAnn McKibben-Dana documents their experiment with holy time as a guide for families of all shapes and sizes Tips are included in each chapter to help make your own Sabbath experiment successful [Beginning Again](#) Mary C. Earle, 2004-10 Discover how to use St. Benedict's concepts of stability obedience and conversion to live spiritually even in the midst of illness *Leadership Paradigms in Chaplaincy* Joel Graves, 2007 This dissertation argues that business people clergy lay persons and many chaplains do not understand the leadership and management dynamics of chaplaincy and this lack of knowledge has a direct impact on how chaplaincy is done and not done in certain areas In chaplaincy and many churches leadership management and ministry have a synergistic effect when they come together in response to a problem or crisis An understanding of chaplaincy dynamics scope methods possibilities and issues in relation to this effect is vital to this growing field in four areas Helps prepare people for ministry as chaplains whether clergy or lay benefits those already in chaplaincy ministry helps clergy reexamine their ministry to determine if they are where God wants them serves to teach

Blessed Connections Judith Schwanz,2008-01-15 No pastor sets out to fail but statistics say 15 to 20 percent of pastors leave pastoral ministry within the first five years One seminary administrator said that every person he had heard of leaving the ministry had done so because of a relationship failure We cannot escape relationships in ministry yet few seminaries offer courses in how to build healthy relationships The assumption is that the type of person who is called to ministry will have all the people skills they need which sadly is not always true n Blessed Connections seminary professor Judith Schwanz focuses on the person of the minister and the relational system of the minister s life She spotlights three areas of connection relationship with self relationships with other people and relationship with God Attending to these three primary connections will strengthen the pastor and cushion her or him against the pressures and stresses of daily ministry Blessed Connections is ideal for seminary students and new pastors and includes Assessment Journal questions at the end of each chapter for personal application

Sharing Possessions Luke Timothy Johnson,2011-01-24 This book is written as an exercise in theological reflection on one of the knottiest questions imaginable the connection between being a Christian and the way we own and use things When we turn to thinking about money and possessions we find ourselves in

murky waters The things we own and use like our sexuality lie close to the bone of our individual and collective sense of identity So writes respected scholar Luke Timothy Johnson in his introduction to *Sharing Possessions What Faith Demands* Stepping purposefully into the murky waters of owning and sharing Johnson endeavors to clarify and define the ambiguous concept of human possession especially in relation to God's divine ownership and to discern the Bible's teaching on the mystery of human possessing and possessiveness This second edition reflecting thirty years of Johnson's further thinking on the subject features chapters expanded with fresh insights helpful new study questions for each chapter and a substantial epilogue updating the work All who found in Luke Johnson's treatment of possessions as part of the mystery of human existence a deeper and more fruitful approach to the problems of wealth and poverty will find in this new edition continued critical reflection and fresh insight Those for whom this is a first encounter will find out what made it worth reissuing after thirty years Sondra Ely Wheeler Wesley Theological Seminary
