Sacrament Of Reconciliation A Theological And Canonical Treatise:

The Sacrament of Reconciliation Andrew J. Cuschieri, 1992 The central theme of the study is Christ as the sacrament of reconciliation of the human being with God In light of this premise the study is divided into two main parts The first part concentrates on the human response to grace thus personal justification In this section different but related topics are studied the human act and its limitations the nature of sin in antithesis to the virtue of justice implanted in the human heart The second part of the study takes care of the sacrament of reconciliation as understood in Catholic dogma An historical survey of the sacrament brings into focus the teaching of the Fathers of the Church which was implemented by ecumenical and particular councils and codifications The same historical survey prepares the reader for a better understanding of the canons on Penance The canons of the Latin and of the eastern Rite codes are presented with an explanation when necessary Through the study of these canons it becomes clear that concern of the Church is to protect the sacredness and the dignity of the sacrament as well as the dignity of the penitent

Sacrament of Reconciliation Robert L. Sacramental Forgiveness as a Gift of God Eric Luijten, 2003 What is the theological place of the Holy Spirit with respect to the forgiveness of sins in the sacrament of penance This study examines the role of the Spirit in the theology of sacramental forgiveness of Thomas Aquinas 1224-1274 who is often blamed for the *Geistvergesenheit* of Western theology In the first part of this study it is shown that in Thomas theology notions like guilt and forgiveness function within the context of a relationship of friendship between God and human beings Constitutive for this relationship is the indwelling of God which is appropriated to the Holy Spirit It is explained that Thomas understands appropriation i.e. the practice of ascribing to divine Persons individually what belongs to the divine essence in general as a part of proper God talk which takes into account the limitations of our language vis a vis God In the second part of this study it is argued that the notion of the causality of the sacrament of penance i.e. that it effects the forgiveness of sins that it signifies can only be evaluated properly if the sacrament of penance is not only seen as prolongation of the incarnation i.e. the visible mission of the Son but also as accompanied by the continuous invisible mission of the Holy Spirit Eric Luijten 1964 has been a research fellow of the Catholic Theological University at Utrecht the Netherlands and at present is rector of studies of the Arienskonvikt the priest seminary
