Sacred Path Of Midwifery:

Sacred Path of Midwifery Karen Melody Shatar,2003-04-01 Karen Melody Shatar explores both the actual and metaphorical roles of midwifery as fertile ground for spiritual emotional and psychological growth The Sacred Path of Midwifery is an interweaving of stories from perspectives of the midwife and the birthing woman **Hot Flashes and Healing: A Sacred Journey for Black Women from Perimenopause to Menopause** Shondrea Harroon,2025-10-27 Hot Flashes and Healing A Sacred Journey for Black Women from Perimenopause to Menopause is a powerful and heartfelt guide that breaks the silence surrounding one of the most transformative seasons in a woman s life Written with honesty grace and cultural awareness this book speaks directly to Black women navigating the emotional physical and spiritual shifts of perimenopause and menopause Through personal stories holistic insights and empowering reflections Hot Flashes and Healing offers a safe space to explore the changes happening within and around us It challenges the stigma that often keeps these conversations hidden especially in Black and Brown communities and invites readers to embrace this journey with knowledge compassion and strength Whether you re just beginning to notice changes or deep in the throes of hot flashes and hormonal shifts this book is a sacred companion for healing growth and self discovery Perfect for Women seeking culturally relevant support during menopause Readers interested in holistic wellness and emotional healing Anyone ready to reclaim their power through life s transitions Click Buy Now to begin your sacred journey and share it with someone who needs it

The Art of Spiritual Midwifery Stephen Faller,2015-09-24 What comes after reflective listening What comes after the ministry of presence Spiritual midwifery is a powerful framework for offering pastoral care in today s fast paced environment Midwifery offers ways of thinking about those who are served the work itself and what it means to be a clinical caregiver within the tradition of the care of souls Spiritual midwifery has philosophical and spiritual roots that stem from the earliest seeds of Western thought even back to Jesus and Socrates Readers will find an inductive approach toward a conceptual model that offers insight for richer assessments and outcome oriented goals of care Part One sets out the metaphors of the midwife and the dialogue Part Two unpacks the methodology behind the mechanics Part Three looks at creative applications of midwifery and is followed by a Symposium patterned after Plato s own Symposium A rigorous theory remains at the centre of the work but the tone is poetically balanced enough to invite the transformation of the spiritual caregiver From the philosophy of Heraclitus to the theology of Kierkegaard and the spiritual direction of Guenther The Art of Spiritual Midwifery brings forth a comprehensive conception of pastoral care and its delivery **Imagery, Ritual, and Birth** Anna M.

Hennessey,2018-12-11 Every human being is born and has gone through a process of birth Yet the topic of birth remains deeply underrepresented in the humanities overshadowed by a scholarly focus on death This book explores how imagery is used ritualistically in religious secular and nonreligious ways during birth through analysis of a wide variety of art iconography poetry and material culture Objects central to the book s study include religious figurines paintings about birth

and other items representative of pregnancy crowning or giving birth that have an historical or original meaning connected to religion Contemporary artists are also creating new art in which they represent birth and mothering as nonreligious events that are sacred or divine Framed through the concept of social ontology which examines the nature of the social world and studies how people create meaning out of the various objects images and processes that make up human social life the book theorizes a social ontology of birth focusing on how the meaning of imagery undergoes metamorphosis between the spheres of religion secularity nonreligion and the sacred when used during birth as a rite of passage Included in the study are more than thirty images of birth some of which have never been written about before
