Sacred Spaces:

Sacred Spaces and Other Places Lisa Stone, 1993 This book was created to accompany the exhibition Sacred Spaces and Other Places the Artist in the Landscape of the Upper Midwest at the Betty Rymer Gallery at The School of the Art Institute of Chicago 28 August 13 October 1993

American Sanctuary Louis P. Nelson, 2006-03-14 This volume examines a diverse set of spaces and buildings seen through the lens of popular practice and belief to shed light on the complexities of sacred space in America Contributors explore how dedication sermons document shifting understandings of the meetinghouse in early 19th century Connecticut the changes in evangelical church architecture during the same century and what that tells us about evangelical religious life the impact of contemporary issues on Catholic church architecture the impact of globalization on the construction of traditional sacred spaces the urban practice of Jewish space nature worship and Central Park in New York the mezuzah and domestic sacred space and finally the spiritual aspects of African American yard art

Sacred Spaces Margaret Silf, 2014-05-15 Popular author Margaret Silf introduces you to the seven traditional sacred spaces reflect on practises and scripture There are many books that explore actual physical sacred space and pilgrimage sites This is a different kind of book It introduces seven traditional sacred spaces but then leads readers into a deeper reflection on what such sacred space means in our own lives and experience The various sacred spaces explored are the Celtic Cross the infinite knot hilltops wells and springs causeways and bridges thresholds and burial grounds and boundaries In each chapter the author introduces a sacred space as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience The ideas are then brought together by means of a scripture story

African Sacred Spaces 'BioDun J. Ogundayo, Julius O. Adekunle, 2019-02-06 African Sacred Spaces Culture History and Change is a collection of carefully and analytically written essays on different aspects of African sacred spaces The interaction between the past and present points to Africans continuing recognition of certain natural phenomena and places as sacred Western influence the introduction of Christianity and Islam as well as modernity have not succeeded in completely obliterating African spirituality and sacred observances especially as these relate to space in its various iterations Indeed Africans on the continent and in the Diasporas have responded to the challenges of history environmentalism and sustainability with sober and versatile responses in their reverence for sacred space as expressed through a variety of religious historical and spiritual practices as this volume attempts to show

J. Wightman, Gregory J. Wightman, 2007 A great deal has been written about religious architecture in ancient cultures but the great bulk of the literature has tended to be culture specific Wightman's volume offers for the first time a comprehensive synopsis of the rich manifestations of religious architecture throughout the ancient world In addition the book provides a conceptual framework within which cross cultural comparisons of religious architecture may usefully take place and tackles

some fundamental issues in relation to the definition and characterisation of sacred space in ancient contexts The last fifteen years have witnessed the focusing of a great deal of scholarly attention on the archaeology of religions with the result that today researchers are able to make use of a broad armoury of theoretical and methodological approaches Yet theory must at all times be tested against material evidence and here Wightman's volume is timely in laying out empirical data pertaining to all the major traditions of religious architecture in antiquity The book is comprised of twenty one chapters divided into five parts Beginning around twelve thousand years ago at the transition of the Holocene the book embarks on an explorative journey around the ancient globe ending between the 3rd and 5th centuries AD The first four parts of the book deal with broad regions of the ancient world Western Pre Classical Europe and the Mediterranean the Graeco Roman world South and East Asia and the Americas Part Five covering about a quarter of the book has three chapters each dealing with aspects of sacred space Identity and Meaning Language of Sacred Space Text and Image The text is complemented by approximately 400 line drawings in colour many of which are Wightman's reconstructions of ancient temples and sanctuaries and 200 photographic plates most in colour The volume is rounded off by a comprehensive bibliography with essential literature highlighted benefiting both the general reader and specialists Wightman's book will become a work of reference to those interested in gaining or furthering an understanding of architecture archaeology and religion in the ancient world Sacred Power, Sacred Space Jeanne Halgren Kilde, 2008 The author's main concern in this book is the dynamic character of Christianity and how church buildings shape and influence the religion She argues that a primary function of church buildings is to represent and reify three different types of power divine power personal empowerment and social power

Culture of The Sacred Space Olimpia Niglio, 2024-12-03 This book highlights the relationship between sacred architecture and tourism specifically focusing on the role of interior design strategies It explores how the interior design of sacred spaces can influence the tourist experience and shape their perception of these places The book touches upon elements such as spatial organization symbolism material selection lighting and acoustics all of which contribute to creating a meaningful and immersive environment for visitors It explores the architectural design ideological motivations and the historical context surrounding the palace's construction The book also addresses the eventual abandonment of the project and its transformation of their uses reflecting on the complexities of realizing utopian visions in architecture It examines how the sanctuary's architectural design and spatial arrangement interact with the surrounding landscape including elements such as topography vegetation and water features Moreover it focuses on the interior design and explores the symbolism spatial organization artistic elements and spiritual experiences associated with the dome interiors of these structures The book showcases the historical context cultural influences and the evolution of design principles that shaped these remarkable spaces Also this book investigates the transition of visionary architectural drawings from the realm of professional architects Furthermore it explores how architectural drawings serve as a medium for expressing imaginative and utopian ideas and how

this transition occurs in the context of architectural education *Sacred Space, Sacred Thread* John W. Welch, Jacob Rennaker, 2019-04-17 The insightful studies contained in this book will be of significant value to anyone interested in experiencing more deeply the intersections between materiality and spirituality Part 1 introduces readers into Egyptian Israelite Christian and Hindu temples shrines or sanctuaries Part 2 helps readers understand how items of colored fabrics clothing robes and veils convey ritual meanings Part 3 reports two panel discussions that exemplify the pathway of fruitful conversation Matter and spirit might seem to some to be polar opposites But as these studies by distinguished and diverse scholars demonstrate spiritual experiences are constructively defined and refined within the coordinates of place and time Sacred space as well as sacred cloth define borders but not necessarily boundaries between the sacred and the profane These material coordinates physically enclose and also spiritually disclose They both symbolize and synergize as they encompass and expansively inspire These original and enjoyable presentations will help all readers to hold tenaciously to the tenets and also the tensions inherent in physical spiritual experiences *Sacred Spaces* Virginia Chieffo Raguin, 2002
