Sacred Tree In Religion And Myth:

The Sacred Tree; Or, The Tree in Religion and Myth J. H. Philpot, 1897 *The Sacred Tree in Religion and Myth* J. H. Philpot, 1977-04 Ancient cultures around the world have attributed to trees aspects divine and demonic beneficent and malevolent magical and mysterious Frequently linked with cult worship of the sun moon and stars and with sacred springs and stone tree worship as a pagan ritual was the most widespread While many books have treated some aspects of tree worship none has focused on the subject so precisely and with such lively insight as this fine work Ranging from the deity inhabited sycamores worshipped in Egypt to the dreaded moss women of Central Germany this book presents a fascinating survey of the tree in religion mythology and folklore Invaluable to scholars in many fields this fascinating compendium of facts folklore and superstition enhanced with rare illustrations will appeal to any reader with an interest in the religions rituals and myths of ancient and primitive societies Book jacket ***The Sacred Tree Or the Tree in Religion and Myth (Classic Reprint)*** Mrs. J. H. Philpot, 2017-11-11 J H Philpot's *The Sacred Tree or The Tree in Religion and Myth* traces the pagan ritual of tree worship throughout history and across different cultures and religions Philpot states in her opening that this is not an academic or scientific book rather it is a collection of facts and conclusions on the subject of tree worship The book begins with a detailed exploration of the origin of tree worship and its spread across religions Philpot relies on archaeological evidence to tell the story of early tree worship highlighting Chaldea and 4 000 BCE as the place and time of the first recorded evidence of this practice The author traces tree worship through ancient civilizations from Egypt to Africa to India with focus also given to tree worship in Greece and Rome Following this introductory chapter later sections of the book examine the religious significance given to trees Separate chapters discuss God and the tree the tree as an Oracle the tree as a spirit being Paradise and trees and finally the tree's central role in the Christmas celebration Ultimately *The Sacred Tree or The Tree in Religion and Myth* is a pleasant and interesting read that will primarily appeal to those interested in religious symbolism as well as anybody that places a religious significance on trees About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Sacred Tree* J. H. Philpot, 2014-03 This Is A New Release Of The Original 1897 Edition **SACRED TREE OR THE TREE IN RELIGION AND MYTH** MRS. J. H. PHILPOT, 2018 ***SACRED TREE OR THE TREE IN REL*** J. H. People Trees David L. Haberman,2013-04-25 This is a book about religious conceptions of trees within the cultural world of tree worship at the tree shrines of northern India Sacred trees have been worshipped for millennia in India and today tree worship continues there among all segments of society In the past tree worship was regarded by many Western anthropologists and scholars of religion as a prime example of childish animism or decadent popular religion More recently this aspect of world religious cultures is almost completely ignored in the theoretical concerns of the day David Haberman hopes to demonstrate that by seriously investigating the world of Indian tree worship we can learn much about not only this prominent feature of the landscape of South Asian religion but also something about the cultural construction of nature as well as religion overall The title People Trees relates to the content of this book in at least six ways First although other sacred trees are examined the pipal arguably the most sacred tree in India receives the greatest attention in this study The Hindi word pipal is pronounced similarly to the English word people Second the

personhood of trees is a commonly accepted notion in India Haberman was often told This tree is a person just like you and me Third this is not a study of isolated trees in some remote wilderness area but rather a study of trees in densely populated urban environments This is a study of trees who live with people and people who live with trees Fourth the trees examined in this book have been planted and nurtured by people for many centuries They seem to have benefited from human cultivation and flourished in environments managed by humans Fifth the book involves an examination of the human experience of trees of the relationship between people and trees Haberman is interested in people s sense of trees And finally the trees located in the neighborhood tree shrines of northern India are not controlled by a professional or elite class of priests Common people have direct access to them and are free to worship them in their own way They are part of the people s religion Haberman hopes that this book will help readers expand their sense of the possible relationships that exist between humans and trees By broadening our understanding of this relationship he says we may begin to think differently of the value of trees and the impact of deforestation and other human threats to trees

The Mythology of All Races: Greek and Roman, by W. S. Fox. 1916. 2. Eddic, by J. A. Macculloch. 3. Celtic, by J. A. Macculloch; Slavic by Jan Máchal. 1918 ,1916
