Volume 2 of 3* Маргарет Олифант, 2017-05-02 *The Automaton Ear, and Other Sketches* Florence McLandburgh, 2023-09-13

Reproduction of the original **The Ladies Lindores. 2** Margaret Oliphant, 1884 *The Ladies Lindores* Mrs. Oliphant, 2023-12-28 In *The Ladies Lindores* Mrs Oliphant crafts a nuanced exploration of gender roles and societal expectations in 19th century Scotland Through the prism of the Lindores family she deftly intertwines themes of love duty and class employing a vivid narrative style that balances both realism and romantic sentiment The novel is characterized by its intricate character development and the subtle interplay of social dynamics reflecting the moral dilemmas faced by women of the era as they navigate familial obligations and personal aspirations Mrs Oliphant's keen observations reveal not just the challenges of her protagonists but the societal constructs that confine them all set against a backdrop rich in historical detail and cultural authenticity Mrs Oliphant a prolific Scottish novelist and critic was deeply influenced by her own circumstances as a woman writer in a predominantly male literary landscape Her experiences with loss resilience and her acute awareness of women's rights during the Victorian period provided fertile ground for her narratives *The Ladies Lindores* is not merely a tale of domestic life but a reflection of Oliphant's advocacy for female agency in a time of rigid societal norms making her voice both relevant and powerful This novel is a must read for those interested in feminist literature and historical fiction that thoughtfully examines the complexities of women's lives With its rich characterizations and insightful social criticism *The Ladies Lindores* invites readers to immerse themselves in a world where personal desires contend with societal expectations ultimately offering a timeless reflection on the struggle for identity and autonomy *The Selected Works of Margaret Oliphant, Part VI* Joanne Wilkes, Josie Billington, Elisabeth Jay, 2021-05-13 Margaret Oliphant Wilson Oliphant 1828-97 is one of the most important writers of the nineteenth century She was both prolific and wide ranging in her career which spanned half a century Primarily known as a novelist Mrs Oliphant is of interest to scholars today both for her wide popularity in her prime and her influential position as reviewer and journalist which saw her become an important critical voice for her generation Her high profile in the literary world led to savage satirical portrayals in works

by Anthony Trollope Thomas Hardy and Henry James This is the most ambitious and substantial scholarly edition of Margaret Oliphant's writings ever undertaken In six parts and twenty five volumes all her important fiction plus substantial selections of her criticism and journalism are collected and edited by a prestigious editorial team The novels contained in Parts V and VI represent some of Margaret Oliphant's most significant work Darker and more politically motivated than the more comic Chronicles of Carlingford they show Oliphant at the height of her writing powers Money financial crises and social and sexual inequality all feature strongly in these works which find Oliphant sharply critical of materialistic late Victorian culture They mirror her own experiences as a female professional writer having to support her family single handedly They also form some of her most popular and enduring works which gained a wide readership through serialization The significance of Oliphant as a writer can only be fully appreciated by close study of these novels which bring to completion this major twenty five volume scholarly edition
