Long Stretch At First Base:

Long Stretch at First Base Matt Christopher, 1960 **Too Hot to Handle** Matt Christopher, 2009-12-19 Baseball runs in David Kroft's family. His father was a good player in his day; his uncles play on professional teams and David's older brother Don is the best short stop in the history of Penwood High School. Power Play Matt Christopher, 2009-12-19 A magic candy bar improves Rabbit's basketball game more than is really desirable. Undercover Tailback Matt Christopher, 2009-12-19 Parker Nolan likes to tell tall tales so why should anyone believe him when he says he saw a mysterious figure stealing plays out of the coach's playbook. Hard Drive to Short Matt Christopher, 2009-12-19 Shortstop Sandy makes the error of not telling fellow players why he leaves ballgames early and alienates them further by excluding them from his friendship with an older boy. **Jimmie Foxx** Mark R. Millikin, 2005 The story of one of baseball's most ferocious hitters Jimmie Foxx. The most inclusive biography of Foxx to date. Millikin's book provides a complete picture of his subject. Mystery Coach Matt Christopher, 2009-12-19 When their coach becomes ill and their baseball team starts falling apart, several of the Blazers begin receiving coaching tips from an anonymous phone caller. Viner's View Spencer W. Viner, 2017-05-25 If only my parents were still here to answer the questions that I have, answers that no one else would know. How often do we all say something like this and wish that our parents had recorded their histories for future generations: the family tree, their travels, life experiences, dreams, disappointments, achievements and failures. It's what makes all of our journeys unique and worthy of passing along to our children so that they may know what made us who we are today. Viner's View is my answer to those questions written for my children and grandchildren. Although every question cannot be anticipated, I have recorded my journey from childhood to retirement in the hopes that they know about my life experiences and the lessons learned from each so no mystery remains. The events, people, places and experiences that had a profound effect on my life are recorded here. From Vietnam to the United States Supreme Court, the practice of law to politics, organized labor to the mob, all changed my life in a way that only I can accurately portray. Takedown Matt Christopher, 2009-12-19 As he is helped by an assistant referee to prepare for a wrestling match with the neighborhood bully, Sean begins to wonder if his mentor could be his long lost father. Front Court Hex Matt Christopher, 2009-12-19 Star of the previous year's basketball team, Jerry can't do anything right in the new season but refuses to believe his new friend who, claiming to be a warlock, predicts Jerry's play won't improve until he changes his slovenly habits. **Twenty-One Mile Swim** Matt Christopher, 2009-12-19 With remarks about his small stature and poor swimming skills ringing in his ears, the son of Hungarian immigrants begins to train for the 21 mile swim across a nearby lake. **The Mustache Gang Battles the Big Red Machine** John G. Robertson, Carl T. Madden, 2022-08-18 The 1972 World Series was a terrific clash between two rising Major League franchises: the Oakland A's and the Cincinnati Reds. Neither had won the pennant in decades. Twice removed from their original home in Philadelphia and unappreciated in Oakland, the A's quietly played excellent ball; their long hair and mustaches, symbols of rebellion, led by

manager Sparky Anderson the clean cut Reds baseball s most conservative club were becoming a powerhouse and were the favorites entering the Series This book chronicles both the A s and the Reds journeys to the memorable 72 Fall Classic where six of seven games were won by a single run with batter by batter coverage of the diamond exploits of Bench Perez Rose Rudi Odom Tenace and others Captured by History John Toland,1997 The result was a series of landmark works such as *Infamy* The Rising Sun which won him the Pulitzer Prize for nonfiction in 1970 and reflected his ability with the help of his Japanese wife to open doors normally closed to Westerners in Japan In *Mortal Combat* The Last 100 Days and his best selling biography of Adolf Hitler *Celebrating Ourselves* Daryl Russell Grigsby,2010-11 Celebrating Ourselves demonstrates how baseball is intricately woven in the fabric of African American family social and political life Beyond the significant accomplishments on the diamond well recounted here baseball knitted generations taught perseverance demonstrated economic independence and been a forum for civil rights and equality From Moses Fleetwood Walker in 1884 to the founding of the Negro National League in 1920 from Jackie Robinson in 1947 to today s Reviving Baseball in the Inner Cities RBI the game is connected with personal achievement community advancement economic independence and social equality This book discusses baseball from three perspectives from the player the fan and the family Alongside statistics and accomplishments on the field we read of the perseverance and dedication of the African American baseball fan Much has been made of the decline in baseball s popularity among black Americans When observers ask Where is the African American fan this book boldly responds Right here The Runmakers Frederick E. Taylor,2011-05-15 Statistics are the lifeblood of baseball Managers pore over batting averages to determine game day lineups and batting orders high number of runs batted in and low earned run averages receive praise from the press higher salaries from the front office and love from fans and the fate of fantasy baseball players rises and falls with each statistical change The prominence of the RC 27 and other more complex formula driven stats has made numbers even more important to understanding and appreciating the game For all these baseball buffs and more Frederick E Taylor provides a new measure of hitting prowess that just might be a game changer Taylor s potential runs per game PRG measure accounts for batters getting on base advancing runners and driving in runs and it separates leadoff and second batters from those in the middle of the order Taylor introduces the measure explains how it works and applies it to players past and present He breaks the history of major league baseball into eight eras based on differences in runs scored per game He systematically player by player and position by position compares the results of the PRG measure to those drawn from other statistics such as on base percentage and slugging average Taylor shows that PRG is more accurate and that career clutch hitting is a myth Sabermetricians baseball fans of all stripes and anyone who earns a living from the sport will find a wealth of information and a whole new set of stats to obsess over in *The Runmakers* Measuring baseball will never be the same *Glue Fingers* Matt Christopher,2009-12-19 Reluctant to play football because he stutters Billy Joe s first game discloses that he has no reason to fear ridicule *The Diamond Champs*

Matt Christopher,2009-12-19 An aura of intrigue surrounds a baseball coach obsessed with the idea of turning a bunch of handpicked beginners into champions in one season Wild Pitch Matt Christopher,2009-12-19 Eddie doesn't like the idea of girls playing baseball in his league but when one of his pitches injures a girl he rethinks his attitudes *Drama and Pride in the Gateway City* Society for American Baseball Research (SABR),2020-02-17 By 1964 the storied St Louis Cardinals had gone seventeen years without so much as a pennant Things began to turn around in 1953 when August A Busch Jr bought the team and famously asked where all the black players were Under the leadership of men like Bing Devine and Johnny Keane the Cardinals began signing talented players regardless of color and slowly their star started to rise again Drama and Pride in the Gateway City commemorates the team that Bing Devine built the 1964 team that prevailed in one of the tightest three way pennant races of all time and then went on to win the World Series beating the New York Yankees in the full seven games All the men come alive in these pages pitchers Ray Sadecki and Bob Gibson players Lou Brock Curt Flood and Bobby Shantz manager Johnny Keane his coaches the Cardinals broadcasters and Bill White who would one day run the entire National League along with the dramatic events that made the 1964 Cardinals such a memorable club in a memorable year

Running With a Stethoscope: Looking for Love Thomas S Buehner, MD,2017-08-02 When I was very young I created a plan of what I wanted to do with my life and how that plan would be carried out When I look at how my life turned out and what I accomplished it does not resemble that grand plan of mine I created earlier The lesson here is I just needed to place one foot in front of the other keep my eyes open and follow the path That is what led me to who I am today and now I want to share it with you As I progressed in my medical training my family always enjoyed
