Selected Documents of the International Monetary Fund, Fortieth Issue International Monetary Fund. Legal
Dept.,2019-09-24 This volume is the Fortieth Issue of Selected Decisions and Selected Documents of the IMF It includes
decisions interpretations and resolutions of the Executive Board and the Board of Governors of the IMF as well as selected
documents to which frequent reference is made in the current activities of the IMF In addition it includes certain documents
relating to the IMF the United Nations and other international organizations As with other recent issues the number of
decisions in force continues to increase with the decision format tending to be longer given the use of summings up in lieu of
formal decisions Accordingly it has become necessary to delete certain decisions that were included in earlier issues that is
those that only completed or called for reviews of decisions those that lapsed and those that were superseded by more recent
decisions Wherever reference is made in these decisions and documents to a provision of the IMF s Articles of Agreement or
Rules and Regulations that has subsequently been renumbered by or because of the Second Amendment of the Fund s
Articles of Agreement effective April 1 1978 the corresponding provision currently in effect is cited in a footnote

<u>Debt Relief for the Poorest</u> Madhur Gautam, 2003 The Heavily Indebted Poor Countries HIPC Debt Initiative was designed to relieve the high external debt of some of the world's poorest nations. The Initiative was put in place by the World Bank and the International Monetary Fund IMF in 1996 and enhanced in 1999 The HIPC Debt Initiative addresses a key obstacle to economic growth and poverty reduction but it also contains multiple and overly ambitious objectives. This work is an independent evaluation which assesses the progress and prospects of the HIPC Debt Initiative achieving its objectives.

HIPCs Dinesh Dodhia, 2004 This paper provides a review of the economic prospects for HIPCs in the global context Two issues in particular are discussed First the paper emphasises the importance of promoting export orientated investment that upgrades and sustains exports Second it underlies the need to promote private participation in infrastructure Review of Development Effectiveness in Africa 2013 Promise and Performance OECD, United Nations Economic Commission for Africa, 2013-11-20 The Mutual Review of Development Effectiveness is an exercise in mutual accountability undertaken jointly by the UN Economic Commission for Africa and the OECD following a request of NEPAD Heads of State and Agricultural Commodities, Trade and Sustainable Development Thomas Lines, 2005 Government in 2003 **Review of** the Policy on Debt Limits in Fund-Supported Programs International Monetary Fund. Strategy, Policy, & Review Department, International Monetary Fund. Fiscal Affairs Dept., 2013-03-17 This review examines the experience with the policy on debt limits in Fund supported programs across the membership and proposes possible reforms to strengthen the policy The policy was last reformed in 2009 with a view to adapting it to the changing circumstances in low income countries LICs Given its primary focus on LICs the reform left the policy applying to the rest of the membership broadly unchanged The Fund's debt limits policy has been in place since the 1960s From the policy's inception concessional flows have been excluded from debt limits under the presumption that such financing was critical for LICs and posed only limited risks to debt sustainability Over time the exclusion of concessional flows has led to a bifurcation in the policy with one branch focusing on members to whom concessional financing is normally available and the other on those to whom it is not a distinction which in practical terms has involved differentiating between LICs and non LICs **Debt Relief for the Poorest** Shonar Lala, Rupa Ranganathan, Brett Libresco, 2006-01-01 This study evaluates progress under the HIPC initiative since IEG s 2003 evaluation It finds that the Enhanced HIPC initiative cut debt ratios in half for 18 countries but in eight of these countries the ratios have come to once again exceed HIPC thresholds Debt reduction alone is not a sufficient instrument to affect the multiple drivers of debt sustainability Sustained improvements in export diversification fiscal management the terms of new financing and public debt management are also needed measures that fall outside the ambit of the HIPC

initiative Statement by the Managing Director on the Work Program of the Executive Board - Executive Board Meeting -October 31, 2011 International Monetary Fund, 2011-10-31 The global economy has entered a dangerous new phase with severe downside risks The Fund has been called by the IMFC to contribute to an orderly resolution of these tensions and the membership must be prepared for bold action Our first responsibility is to help develop and coordinate solutions to immediate threats to global stability in particular to provide insightful analysis and policy advice to address fiscalfinancial vulnerabilities and rekindle growth and job creation Yet we must also be prepared to fortify the global financial safety net Secondly we must redouble efforts to make the international monetary system IMS stronger in the longer term through more effective surveillance and a clearer shared vision of the system s key underpinnings Commodity Prices, Aid and Debt Moh. Ābadura Rājjāka, Philip Osafo-Kwaako, Roman Grynberg, 2004 This study reveals the extent of persistent downward trends in commodity prices on least developed countries LDCs small vulnerable states SVSs and heavily indebted countries HIPCs and proposes a Joint Diversification Scheme exclusively for export diversification schemes in the commodity dependent poor countries The report also proposes and outlines the establishment of a Joint Diversification Fund in addition to regular Dealing Fairly with Developing Country Debt Christian Barry, Lydia Tomitova, Barry aid flows as a longterm solution Herman, 2007 The recent economic collapse in Argentina and financial crisis in Turkey and the persistent unsustainable debt burdens of many developing countries highlight the practically urgent problem of excessive indebtedness High debt levels can limit a sovereign government s capacity to provide social services necessary for the well being of its citizens and divert resources and energy from the pursuit of long term development strategies In this book philosophers theologians lawyers and economists examine questions related to how to deal fairly with the over indebted governments of developing countries These questions include How do you balance obligations to repay a debt with potentially worsening poverty in the debtor country Should creditors be held accountable and if so how for loans to governments that are not even minimally representative of their people's interests Are there reforms to the practices governing sovereign borrowing and lending to sovereigns that would increase fairness in how the world treats developing countries with debt difficulties Social Science Review .1999
