Moots,2025-08-17 Across the loft to the other side was a support beam that came up from the ground of the barn and was one of several which held the roof in place It was round and on the side facing him Charlie saw something curious At about eye level there were uneven burgundy marks in the wood There were four tally marks up and down with a slash through them which extended from top left to bottom right There was one more tally mark underneath the others and it was also straight up and down Six What could the marks represent Charlie bore the marks of abuse upon his back and there was nothing he despised more than one human being wielding their power physically over another person who could not protect themselves He desperately desired to break the chain of abuse There is always hope We can hope and pray for life without fear of being beaten or abused in some other way by someone who is supposed to take care of us We can hope and pray for someone who will come and rescue us We can hope and pray that people who should be responsible for us won t turn their backs and ignore what is happening Sometimes there might be someone who is willing to help and it can come from an unexpected source This is a story of hope **Riding for Justice** S. King,2020-10-20 Life as a homicide detective is never easy but when your personal life becomes a case Well things become a lot more challenging Picking up

where Riding for Fear left off Denton is forced to confront his past demons in order to justify the way he is Torn between a new guilt and an old one Denton will relive the years of working with his partner Alana Lao back in Georgia and the details won't be pretty Detective Alana Lao is living everyone's worst nightmare A psychopath self-proclaimed as the Teardrop Killer has reemerged and her family was one of his last victims before disappearing for three years Being forced off the case as well as having flashbacks of finding the bloody scene Detective Lao must find the balance between professional grieving mother and widow Feeling as though her department has done nothing to make strides towards finding the dangerous serial killer or bring her family justice she enlists the help of her partner Denton Walker Unfortunately for them the Teardrop Killer is tearing his way through the sleepy town of Lan Chang Georgia with no signs of slowing down any time soon Can Lao and Walker beat the killer at his own sick game before the last bloody tear drop has fallen Find out in Riding for Justice **The A to Z of Westerns in Cinema** Paul Varner,2009-09-28 When the earliest filmgoers watched The Great Train Robbery in 1903 many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience The puff of smoke was sudden and it was hand colored so that it looked real Today we can look back at that primitive movie and see all the elements of what would evolve into the Western genre Perhaps it is the Western's early origins The Great Train Robbery was the first narrative commercial movie or its formulaic yet entertaining structure that has made the Western so popular Whatever the case may be with the recent success of films like 3:10 to Yuma and The Assassination of Jesse James by the Coward Robert Ford the Western appears to be in no danger of disappearing The story of the western is told in The A to Z of Westerns in Cinema through a chronology a bibliography and an introductory essay However it is the hundreds of cross-referenced dictionary entries on cinematographers composers producers films like Butch Cassidy and the Sundance Kid Dances With Wolves The Good The Bad and the Ugly High Noon The Magnificent Seven The Searchers Tombstone and Unforgiven such actors as Gene Autry Kirk Douglas Clint Eastwood Henry Fonda James Stewart and John Wayne and directors like John Ford and Sergio Leone that will have you reaching for this book again and again **Lucky Shot** B.J. Daniels,2015-11-24 He's determined to uncover the truth behind a decades-old disappearance even if it kills him When hotshot reporter Max Malone gets a rare shot of Buckmaster Hamilton with a blonde woman near Beartooth Montana he chases down one of the senator's daughters to verify that the woman is his supposedly long dead first wife But Kat Hamilton won't give him the time of day let alone any information about her mother With his tousled blond hair sexy stubble and an old straw cowboy hat topping off his long lean frame Kat can just tell Max isn't used to female sources denying him anything But when her own life is put in jeopardy it's Max who comes to her rescue Seems someone is prepared to kill to keep the past in the past Kat can't deny she needs Max to find out what happened to her mother but will getting closer and closer to each other lead them to the truth or to danger *Shot at and Missed* Jack R. Myers,2012-02-27 In this riveting narrative Jack R. Myers recounts his experiences as a B-17 bombardier during World War II

Commissioned a second lieutenant in 1944 at age twenty Myers began flying missions with the 2nd Bomb Group U S Fifteenth Air Force He learned firsthand the exhilaration and terror of being shot at and missed Based in Italy the Fifteenth Air Force flew strategic bombing raids over southern Germany Austria Hungary Rumania and Czechoslovakia Less celebrated than the Eighth Air Force which flew out of England the Fifteenth nevertheless was pivotal in dismantling the German industrial complex Myers offers an insider s view of these missions over southern and central Europe The reader goes with him into the highly exposed Plexiglas nose of the Flying Fortress flying with him through the flak filled skies of Europe and peering with him through his Norden bombsight at Axis targets On average a heavy bomber crewman survived only sixteen bombing missions Myers survived his allotted thirty five missions before being honorably discharged in 1945
