

THE LONG ROAD TO RECOVERY

Esther is a single mother from northern Kenya with four children. Her husband died a year ago, and now the small amount of sorghum she grows is the only way to provide for her family.

However after three years of scarce rains, there is barely enough to feed the family, and her two-year-old son, Akusi, is now moderately wasted.

Millions of mothers and wasted children like Esther and Akusi are forced to navigate this system every year. It is a system built to work for UN agencies, not for them, and the unnecessary hardship they face is incalculable.

They need our help.
