Long Walk To Freedom Vol 1 Nelson Mandela,2009-12-17

The riveting memoirs of the outstanding moral and political leader of our time LONG WALK TO FREEDOM brilliantly recreates the drama of the experiences that helped shape Nelson Mandela's destiny From his beginning in the Transkei to his being taken to Robben Island this is the remarkable story of how a man rose so far only to be sentenced to life imprisonment Emotive and compelling this is the story of an epic life Burns with the luminosity of faith in the invincible nature of human hope and dignity Unforgettable ANDRE BRINK Enthralling Mandela emulates the few great political leaders such as Lincoln and Gandhi who go beyond mere consensus and move out ahead of their followers to break new ground Donald Woods in the SUNDAY TIMES *Unfinished Empire* John Darwin,2013-02-12 John Darwin's After Tamerlane a sweeping six hundred year history of empires around the globe marked him as a historian of massive erudition and narrative mastery In *Unfinished Empire* he marshals his gifts to deliver a monumental one volume history of Britain's imperium a work that is sure to stand as the most authoritative most compelling treatment of the subject for a generation Darwin unfurls the British Empire's

beginnings and decline and its extraordinary range of forms of rule from settler colonies to island enclaves from the princely states of India to ramshackle trading posts His penetrating analysis offers a corrective to those who portray the empire as either naked exploitation or a grand civilizing mission Far from ever having a master plan the British Empire was controlled by a range of interests often at loggerheads with one another and was as much driven on by others weaknesses as by its own strength It shows too that the empire was never stable to govern was a violent process inevitably creating wars and rebellions Unfinished Empire is a remarkable nuanced history of the most complex polity the world has ever known and a serious attempt to describe the diverse contradictory ways from the military to the cultural in which empires really function This is essential reading for any lover of sweeping history or anyone wishing to understand how the modern world came into being

The Man Who Killed Apartheid: The Life of Dimitri Tsafendas Harris Dousemetzis,2024-03-04 On 6 September 1966 inside the House of Assembly in Cape Town Dimitri Tsafendas stabbed to death Hendrik Verwoerd South Africa s Prime Minister and so called architect of apartheid Tsafendas was immediately arrested and before he had even been questioned by the authorities they declared him a madman without any political motive for the killing In the Cape Supreme Court Tsafendas was found unfit to stand trial on the grounds that he suffered from schizophrenia and that he had no political motive for killing Verwoerd Tsafendas spent the next 28 years in custody making him the longest serving detainee in South African history For most of his incarnation he was subjected to cruel and inhumane treatment by the prison authorities From 2009 to 2018 Harris Dousemetzis extensively researched the assassination of Verwoerd and the life of Tsafendas For this research he travelled to South Africa Mozambique Greece France and Turkey and interviewed about 150 people who either knew Tsafendas or Verwoerd or were involved with the case of the assassination He discovered about 12 000 pages of documents on the case most of them previously unpublished in archival collections in South Africa Portugal and the UK Dousemetzis collaborated with prominent South African jurists psychiatrists and psychologists and concluded his research by writing the Report to the Minister of Justice in the Matter of Dr Verwoerd s Assassination The report conclusively proved that Tsafendas had assassinated Verwoerd for political reasons and that the apartheid authorities had orchestrated a massive operation to declare him insane and apolitical This ground breaking report and this book corrected the historical record

regarding Verwoerd's assassination and Tsafendas The Man Who Killed Apartheid based on Dousemetzis's groundbreaking research chronicles in detail Tsafendas's life and conclusively demonstrates that he was a perfectly sane and deeply political person with a long history of political activism At the same time the book exposes the lie at the heart of apartheid's posture on the assassination of Hendrik Verwoerd and provides a rare picture of how the racist regime operated and what it was like to live and die under apartheid

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
