for Writers and Readers Chris M. Anson, Robert A. Schwegler, 2000 The authors designed the book as a resource both for times when you are looking for the answer to a specific question and for times when you want extended help *Writing for Life* Sammy R Browne, **The Longman Handbook for Writers** Christopher M. Anson, Anson, 1997 *Closing the Gap*

Karen Keaton Jackson, Sandra Vavra, 2007-09-01 Without contraries there is no progression William Blake This is a book about reality and hope Its chapters reframe the concept of gap acknowledging distances for example acknowledging old insights and theory while also honoring teacher discovery However it refuses to bow under the weight of these challenges Its contributors focus instead on how to overcome acknowledged inadequacies in learning how to teach writing as well as how to practice principled literacy instruction These contributors see gaps not as unbridgeable chasms but rather as opportunities to educate their students to use writing to understand the broader context of their education and pre service candidates to adapt curriculum creatively Contributors include new and seasoned secondary school teachers graduate students and university faculty who together remind us of old insights needing to be passed along Villanueva and show us new practices that challenge the conventions of the status quo and promote social justice To close the gaps in short they demonstrate how rhetoric and truth are intertwined In a time when too many children continue to be left behind this book should be required reading for all literacy teachers because it is in our continued willingness to learn from each other that hope resides The Executive Guide to E-mail Correspondence Dawn-Michelle Baude, 2006-11-15 Make your messages shorter simpler and more effective with this guide to writing e mails that get read and get results As we correspond with everyone from international partners to remote workers writing skills are more important than ever to business and career success They can make the difference between climbing the corporate ladder and getting stuck on a low rung An e mail that s clear concise and targeted will get more than just a response It will get results including your boss s attention No matter what sector a company is in excellent written communication skills are in demand because too long wordy or unclear emails bog down a business This guide provides insight guidelines and a wide variety of templates to help you get it right and rapidly transform basic writing skills into global communications expertise In a lively here s how style it demonstrates the hallmarks of effective business e mails features ready to use organizational plans presents quick and easy editing techniques furnishes before and after editing models focuses on the do s and don ts of proficient e mails supplies practical writing tips and tricks and more A

Multidisciplinary Exploration into Flow in Writing Deborah F. Rossen-Knill, Katherine L. Schaefer, Matthew W. Bayne, Whitney Gegg-Harrison, Dev Crasta, Alessandra DiMauro, 2024-04-05 Offering a multidisciplinary exploration of flow and the often nebulous ways it is conceptualized and operationalized in writing pedagogy this book addresses a critical gap in writing studies Bringing together practice based and scholarly perceptions it outlines the key features and definitions of flow and identifies pedagogical approaches and opportunities for classroom instruction Incorporating perspectives from disciplines including classical rhetoric composition studies cognitive science and linguistics this book provides a diverse overview of the literature on flow in writing pedagogy It includes two instructional voice based and rhetorical grammar based activities that outline how to recognize and improve flow in writing In doing so the book also provides clear examples of how to create an inclusive writing pedagogy that incorporates sensory and analytical perspectives to help readers and writers experience flow and meet their writing goals As an exploration of flow instruction as it currently stands and might stand in the future this book will be of interest to students and instructors in the field of academic professional and creative writing studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
