All That Was Possible Howard Overing Sturgis,2009 Howard Sturgis All That Was Possible is a successful psychologic study Here is one Mrs Sibyl Crofts who discreetly retires to a Welsh countryside after her London past She meets Robert

Henshaw a rigidly conventional squireen belonging to the neighborhood At first he shows open hostility to Sibyl a beautiful and charming woman yet as in time they become closely acquainted Henshaw though knowing her history falls to her fascinations The American Monthly Review of Reviews Howard Overing Sturgis has handled his subject with great skill and delicacy and with a remorseless logic that compels the reader to recognize the outcome as inevitable The story is told in the form of letters which can be used by a clever writer with excellent results The letters all written by Sibyl are used as a vehicle for conveying facts not as a medium for revealing character The book is extremely interesting It is so devoid of any preaching yet so logical in its conclusions that no thoughtful person can read it without acquiescing in the lesson it so quietly inculcates M K Ford The Critic

Living a Longer Life Dr. Victor Zeines, 2010-06-21 There are so many books out there telling us how to eat healthy live longer lose weight and make yourself look ten years younger that you can go dizzy browsing the shelves of your bookstore trying to figure out which one to buy As both a holistic dentist and nutritionist for many years that's one of the reasons why I decided to write this book to help cut through all the confusion and offer readers a common sense guide to feeling great looking great losing weight and adding years to their lives This book will point you in the right direction It is an easy to follow roadmap to achieving the excellent quality of life you desire and is based on my own years of writing and lecturing about nutrition and dentistry It also utilizes many of the concepts and courses offered at the Institute of Natural Dentistry which graduates some of the nation's best holistic dentists Let me add that all the alternative modalities mentioned in this book are perfectly safe They are time tested techniques that over the centuries have been proven to promote health and healing without any undo side effects Of course they should be used only in addition to your regular medical care
