

So if you care to find me/Look to the western sky/As someone told
me lately/Everyone deserves the chance to fly!/And if I'm flying
solo/At least I'm flying free/Tell those who'd ground me/Take a
message back from me/Tell them how I am defying gravity!/I'm flying
high defying gravity/And soon I'll match them in renown./And nobody
in all of Oz/No Wizard that there is or was/Is ever gonna bring me
down!/

William Rice, 2014-04-21 A collection that follows the lives of two families who own land and hunt in rural South Carolina The Lost

Woods is a collection of fifteen short stories most of them set in and around the fictional small town of Sledge South Carolina. The events narrated in the stories begin in the 1930s and continue to the present day. The stories aren't accounts of hunting methods or legends of trophy kills; they are serious stories about hunting that are similar in style to William Faulkner's *Go Down Moses*. The collection traces the evolution of two families, the Whites and the Chapmans, as well as the changes in hunting and land use of the past eighty years. Some of these stories are narrated in third person; others are told by a wide range of characters from grown men and women to children, but only from one perspective: that of the hunter. As they walk the woods in search of turkeys, deer, or raccoons, these characters seek something more than food. They seek a lost connection to some part of themselves. The title *The Lost Woods* is adapted from Cherokee myths and stories wherein people must return again and again to the woods to find animals that were lost. Thereby, we find not only food but who we are. Through these stories, Rice reminds us that hunting is inextricably entwined with identity. As one of the oldest rituals that we, as a species, know, it reflects both our nobility and our depravity. Through it, we return again and again to find the lost woods inside ourselves.

The Golden Book Magazine, 1927 *Sun Dancer* David London, 1998-01-01. Follows a Native American community through the actions of Clement Blue Chest, an alcoholic turned spiritual leader, his brother Joey, Moves Camp, medicine man Bear Dreamer, Bordeaux, and others.

A Shining Portal Leonard J. Griego, 2006-10. An Adventure Science Fiction Love Story. An 83-year-old man on his last hike in the San Juan Mountains of Southern Colorado finds or is led to a Portal into another world. There, he encounters two Black Wolves that have been waiting for him. Into his life has come a lovely woman. He first sees her when she is about fourteen, and as she keeps appearing to him in the mountains where he lives, he can watch her grow into a woman. He keeps seeing her in the same small town somewhere. She appears to him by the Portal, and she asks him when he is coming for her. After much inner turmoil, he is 83 years old; he finds her, is transformed into the man she has been seeing, a man she has known for a long, long time. He takes her back to his strange new world, and there begins the process of rediscovering who they really are and who the Wolves are. There, they encounter a Horror they have been chasing through time. Through time, they remember who they are. They have come to Earth centuries before, have been at Troy and with Charlemagne at Roncesvalles, and many other battles have become human living and dying, losing each other many times. Gradually and reluctantly, with the Wolves' help, they discover who they are and the reason for their lives, which is to eradicate the Universe of the Black Horror they have been pursuing. The only way to fight them is in hand-to-hand combat; he is a Swordsman and she is an Archer, and the Wolves have been bred to fight alongside them. The Horror's reason for existence is to cleanse whole planets so their masters can move there. The Monsters have been brought to Earth, and the last battle will be there. The final battle begins at Roncesvalles in Northern Spain, where he fought in 787, continues in Space, and finally on the Tundra of Northern Canada.

A Dream Impossible! Brian S. Langton, 2006-01-09. After I had published my first book *A First Step Understanding Guillain Barré Syndrome*, it occurred to me that the dream sequences described in

that book would make for an interesting read on their own as a collection of short but impossible stories Thus were sewn the seeds for this publication The postscripts that have been added are included to assist readers who have not read the earlier book and who therefore may not have a full understanding of the circumstances I found myself in During my seven month confinement in Intensive Care on a ventilator for breathing assistance diagnosed with severe acute chronic Guillain Barr Syndrome sometimes referred to in its abbreviated form as GBS I experienced many dreams and hallucinations some of which are described in the book The medications I was taking the inability to distinguish between night and day being thrust into an unfamiliar environment or something inherent in the disease itself may have been the cause Although these dreams are not necessarily in the sequence in which I dreamed them it is possible to connect them to certain events or phases of my illness Initially I was paralysed from my toes up to my eyebrows This did not appear to inhibit my mobility in some of the dreams though One moment I was in a wheelchair the next flying an F16 fighter jet even though I had never flown before other than as a fare paying passenger I found these episodes much more intense than the garden variety dream In fact most seemed so real that sometimes it was difficult if not impossible to separate them from reality Every effort has been made to keep the original story lines It must of course be understood there were a few although very few grey areas and only in those situations have I linked different parts of the story by the logical threads suggested by circumstances For the most part my recall of these dreams was total Except for my relatives the names used to identify characters are fictitious and used to enable the reader to follow the thread of the story In these sequences any similarity to any person living or deceased other than in the case of the exception noted is entirely coincidental and unintended I hope you enjoy your read The Author
