Memory and popular film Paul Grainge, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license One of the first books to put memory at the centre of analysis when exploring the relationship between film culture and the past Provides a sustained interdisciplinary perspective on memory and film from early cinema to the present drawing from film studies American studies and cultural studies Adopts a resolutely cultural perspective and unlike psychoanalytic or formalist approaches to memory explores questions of culture power and identity Contributes to the growing debate about the status and function of the past in cultural life and discourse discussing issues of memory in film and of film as memory Considers such well known films as Forrest Gump Pleasantville and Jackie Brown

Michael Jordan, Inc. David L. Andrews, 2001-08-09 Michael Jordan Inc seeks to make sense of a celebrated figure whose public existence illuminates a late capitalist order defined by the convergence of corporate and media interests Using Michael Jordan as a vehicle for viewing the broader social economic political and technological concerns that frame contemporary culture the contributors focus on celebrity economy corporate culture identity politics and the global marketplace foundational pillars of contemporary cultural existence They provide an introduction to late capitalism s pervasive and invasive cult of celebrity examine the innovative corporate connections particularly Jordan s association with Nike largely responsible for Jordan s aggressively commodified being excavate the cultural politics imbued within the racialized and sexualized nature of Jordan s identity and demonstrate the global reach and influence that has accompanied the concerted commodification of Jordan by transnational corporations This anthology represents both an intellectual expression of and a political commitment to the fact that Michael Jordan matters

Titanic Kevin S. Sandler, Gaylyn Studlar, 1999 In 1997 James Cameron s Titanic became the first motion picture to earn a billion

dollars worldwide These essays ask the question What made Titanic such a popular movie Why has this film become a cultural and film phenomenon What makes it so fascinating to the film going public *Fascism and Millennial American Cinema* Leighton Grist, 2018-05-31 This book examines a spate of American films released around the turn of the millennium that differently address the actuality or possibility of domestic fascism within the USA The films discussed span a diversity of forms genres and production practices and encompass low and medium budget studio and independent releases such as American History X Stir of Echoes and The Believer star and or auteur vehicles such as The Siege Fight Club and American Beauty and high budget high concept science fiction films and franchises such as Starship Troopers Minority Report the Matrix and X Men trilogies and the Star Wars prequels Central to the book is the detailed analysis of the films which is contextualized historically in relation to a period that saw the significant rise of the far Right The book concordantly affords a wider insight into fascism and its various manifestations and how such have been and continue to be registered within American cinema The Roadhouse Comes to Britain David W. Gutzke, Michael John Law, 2017-04-20 This is the first book to examine the cultural phenomenon of the roadhouse in mid 20th century Britain and its impact on British leisure The term roadhouse was used in varied ways in the 1930s from small roadside tearooms to enormous establishments on the outskirts of major cities These roadhouses were an important component in the transformation of leisure in the 1930s and beyond reflecting the increased levels of social and physical mobility brought about by new technologies suburbanisation and the influence of American culture Roadhouses attracted wealthy Londoners excited by the prospect of a high speed run into the countryside During the day they offered family activities such as tennis archery horse riding and swimming At night they provided all the fun of the West End with dancing classy restaurants cabaret swimsuit parades and dance demonstrations subverting the licensing laws to provide all night drinking Rumours abounded of prostitution and transgressive behaviour in the car park Roadhouses formed part of an imaginary America in suburban Britain that was promoted by the popularity of American movies music and fiction providing a pastiche of the American country club While much work has been done on the Soho nightclubs of the 1930s the roadhouse has been largely ignored Michael John Law and David Gutzke fill this gap in the literature by providing a comprehensive analysis of the roadhouse s cultural meaning demonstrating how its Americanisation was interpreted for British consumers This original and engaging study will be fascinating reading for all scholars of 20th century British cultural history British Culture of the Post-War Alastair Davies, Alan Sinfield, 2013-04-15 From Angus Wilson to Pat Barker and Salman Rushdie British Culture of the Post War is an ideal starting point for those studying cultural developments in Britain of recent years Chapters on individual people and art forms give a clear and concise overview of the progression of different genres They also discuss the wider issues of Britain s relationship with America and Europe and the idea of Britishness Each section is introduced with a short discussion of the major historical events of the period Read as a whole British Culture of the Postwar will give students a comprehensive introduction to this turbulent and exciting period

and a greater understanding of the cultural production arising from it

Star Authors Joe Moran, 2000-02-20 In America authors are as likely to be seen on television talk shows or magazine covers as in the more traditional settings of literary festivals or book signings Is this literary celebrity just another result of dumbing down Yet another example of the mass media turning everything into entertainment Or is it a much more unstable complex phenomenon And what does the American experience tell us about the future of British literary celebrity In Star Authors Joe Moran shows how publishers the media and authors themselves create and disseminate literary celebrity He looks at such famous contemporary authors as Toni Morrison J D Salinger Thomas Pynchon Don DeLillo John Updike Philip Roth Kathy Acker Nicholson Baker Paul Auster and Jay McInerney Through an examination of their own work biographical information media representations and promotional material Moran illustrates the nature of modern literary celebrity He argues that authors actively negotiate their own celebrity rather than simply having it imposed upon them from reclusive authors such as Salinger and Pynchon famed for their very lack of public engagement to media friendly authors such as Updike and McInerney Star Authors analyses literary celebrity in the context of the historical links between literature advertising and publicity in America the economics of literary production and the cultural capital involved in the marketing and consumption of books and authors

A Handbook of Media and Communication Research Klaus Bruhn Jensen, 2013-03 This handbook covers perspectives from both the social sciences and the humanities It provides guidelines for how to think about plan and carry out studies of media in different social and cultural contexts

Spectacular Bodies Yvonne Tasker, 2012-10-02 While films such as Rambo Thelma and Louise and Basic Instinct have operated as major points of cultural reference in recent years popular action cinema remains neglected within contemporary film criticism Spectacular Bodies

unravels the complexities and pleasures of a genre often dismissed as obvious in both its pleasure and its politics arguing that these controversial films should be analysed and understood within a cinematic as well as a political context Yvonne Tasker argues that today's action cinema not only responds to the shifts in gendered sexual and racial identities which took place during the 1980s but reflects the influences of other media such as the new video culture Her detailed discussion of the homoeroticism surrounding the musclemen hero the symbolic centrality of blackness within the crime narrative and the changing status of women within the genre addresses the constitution of these identities through the shifting categories of gender class race sex sexuality and nation *Spectacular Bodies* also examines the ambivalence of supposedly secure categories of popular cinema questioning the existing terms of film criticism in this area and addressing the complex pleasures of this neglected form

Badfellas Simon Winlow, 2020-05-25 Fights fraud and drugs racketeering regularly hit the headlines but they are just news stories for most of us For others they constitute a way of life This book uncovers a world where male identity is expressed each day through physical strength and power Focusing on professional criminals and violent men the author shows how workshop camaraderie hard physical work and criminal reputations allow for changing masculinities It is all too easy to stereotype criminals when in fact their world is complex and creative Criminal men adapt and modify their forms of gender expression to fit in with their changing economic social and cultural circumstance as do men in all walks of life Why is violence attractive to these men What motivates their crimes both planned and impulsive How do criminals themselves view their activities and their reputations and how do these reputations affect their perception of masculinity This book is the first sustained analysis of organized crime and violence to use covert research methods Far from the sensationalized memoirs of retired gangsters or the abstract discussions of scholars this book builds on first hand experiences and relationships made while working amongst bouncers and criminals The social world of professional criminals and the working environments of criminal bouncers are demystified and laid bare The author sets individual criminal careers and experiences in the wider context of de industrialization and globalization and provides a thoughtful and stimulating addition to the fields of anthropology sociology and criminology

Sound Tracks John Connell, Chris Gibson, 2003 *Sound Tracks* is the first comprehensive book on the new geography of popular music examining the complex links between places music and cultural identities It provides an interdisciplinary perspective on local national and global scenes from the Mersey and Icelandic sounds to world music and explores the diverse meanings of music in a range of regional contexts In a world of intensified globalisation links between space music and identity are increasingly tenuous yet places give credibility to music not least in the country and music is commonly linked to place as a stake to originality a claim to tradition and as a marketing device This book develops new perspectives on these relationships and how they are situated within cultural and geographical thought
