Looking with Robert Gardner Rebecca Meyers, William Rothman, Charles Warren, 2016-08-01 Assesses the range and magnitude of Robert Gardner's achievements as a filmmaker photographer writer educator and champion of independent cinema During his lifetime Robert Gardner 1925 2014 was often pigeonholed as an ethnographic filmmaker then criticized for failing to conform to the genre's conventions conventions he radically challenged With the release of his groundbreaking film Dead Birds in 1963 Gardner established himself as one of the world's most extraordinary independent filmmakers working in a unique border area between ethnography the essay film and poetic experimental cinema Richly illustrated Looking with Robert Gardner assesses the range and magnitude of Gardner's achievements not only as a filmmaker but also as a still photographer writer educator and champion of independent cinema The contributors give critical attention to Gardner's most ambitious films such as Dead Birds 1963 New Guinea Rivers of Sand 1975 Ethiopia and Forest of Bliss 1986 India as well as lesser known films that equally exemplify his mode of seeking anthropological understanding through artistic means They also attend to his films about artists including his self depiction in Still Journey On 2011 to his roots in experimental film and his employment of experimental procedures and to his support of independent filmmakers through the Harvard Film Study Center and the television series Screening Room which provided an opportunity for numerous important film and video artists to present and discuss their work This book is a monumental fearless and insightful contribution of critique that looks both with and at Gardner's works as a whole Catherine Summerhayes author of Google Earth Outreach and Activism Looking with Robert Gardner introduces new and exciting voices into the dialogue about the renowned ethnographic and documentary filmmaker

The book contains very close readings of many of his films and suggests fresh approaches for analyzing those as well as ethnographic films in general Ilisa Barbash coeditor of *The Cinema of Robert Gardner* **The Joy and Power Of Your Eternal Self** Dr Anthony J Emmett,2023-03-22 Learn about your inner connections Keep your faith but learn to see things in a new way you are never alone and inspiration guidance and hope are never far away We are all one in spirit You are able to connect into your Eternal Self energy and abolish fear and worry and to utilise the subconscious aspects of your mind to transform your life You have the Eternal Spirit of God within know that and remember the love peace and happiness of your soul That which you seek you already are for God is all things and you are that *Recording for the Blind & Dyslexic, ... Catalog of Books* ,1996 *Understanding Self-Worth* Dawna Daigneault,Chris Brown,2025-09-08 Understanding Self Worth A Guide to Worth Conscious Theory and Psychotherapeutic Practice is a guide for psychotherapists confounded by the struggle of working with clients who present with a pervasive pattern of denied self worth When self worth is perceived as conditional or denied altogether clients may become complicit in creating a lost worth story the story they tell that keeps them denying their own worth The denial may include generational abusive and or intrusive injunctions that go against their lived truth Psychotherapists will come away from this book with a deep understanding of the importance of attending to the degree of trauma experienced when the client s self worth is separated from their individual truth Moreover where there is worth based trauma the psychotherapist will learn models both for helping clients gently and honestly reestablish a worthy and true sense of self and for consciously guiding clients toward recovery of human worth as a birthright *Library of Congress Catalogs* Library of Congress,1979 Embodied Consciousness J. McCutcheon,B. Sellers-Young,2013-07-01 This volume of essays combines research from neuroscience conscious studies methods of training performers modes of creating a staged narrative Asian aesthetics and post modern theories of performance in an examination of the relationship between consciousness and performance **Kant's Defense of Common Moral Experience** Jeanine Grenberg,2013-07-18 This book argues that everything important about Kant s moral philosophy emerges from common human experience of the conflict between happiness and morality Selfless Minds Monima Chadha,2023-01-28 Selfless Minds offers a new interpretation of no self metaphysics in Vasubandhu s Abhidharmakosa Bhasya Monima Chadha reads Vasubandhu as defending not only eliminativism about self but also about persons and illusionism about the sense of self and all kinds of self representation This radical no self thesis presents several challenges for Abhidharma Buddhist philosophy of mind Even if we then grant that there is no self we are left with deeper questions about the sense of self or self representations implicated in our ordinary everyday experience and thought about the world and ourselves And if we grant that there are no persons questions remain about the status of our person related concerns and interpersonal practices Selfless Minds answers these questions on behalf of the Abhidharma Buddhist The first part of the book defends the hypothesis that we can salvage much of our experience and thought without implicating self representations The second part of the book examines the revisionary

implications of the no person metaphysics Some of these seem unpalatable if not downright absurd This she argues give us reason to re evaluate both the Abhidharma metaphysics and our ordinary person related practices and concerns in light of each other by using some sort of wide reflective equilibrium Selfless Minds is a contribution to cross cultural philosophy that studies the nature of selfless minds from a place at the crossroads of different traditions and disciplines philosophy in the traditional Buddhist and contemporary Western traditions and contemporary cognitive sciences *Subject Catalog, 1977* Library of Congress, 1977 Subject Catalog Library of Congress, Sartre, Self-formation, and Masculinities Jean-Pierre Boulé, 2005 Published on the occasion of Sartre s Centenary this book helps to understand the man behind the work offering a psycho social analysis of Jean Paul Sartre with an emphasis on his masculinity It sets out to contextualize Sartre in terms of his psycho sexual formation and processes of self constitution in view of his childhood The main period under detailed study is 1905 1945 before Sartre became the Sartre It concentrates on his early childhood his teenage years in La Rochelle the years at the Ecole Normale and the first few years of his adulthood with specific attention on the war years An analysis of Sartre s relationships follows with Simone de Beauvoir and other women and men including love and sex before a postscript covering the period 1973 1980 This essay is not a reductive account It tells the story of Jean Paul Sartre from the inside out so that the achievements of one of the major intellectuals of the 20th Century can be measured against his own internal struggles
