Looking Both Ways Heritage Identity Of:

Looking Both Ways Aron Crowell, Amy F. Steffian, Gordon L. Pullar, 2001 Photographs and text provide an introduction to the indigenous people and culture of Alaska's south central coast tracing their history from its earliest origins through the present day

The Harriman Alaska Expedition Retraced Thomas S. Litwin, 2005 Following the ship's route the book addresses wilderness conservation biology and ecology American history natural history and anthropology and travel and exploration Jacket

Returns James Clifford, 2013-11-04 Returns explores homecomings the ways people recover and renew their roots Engaging with indigenous histories of survival and transformation James Clifford opens fundamental questions about where we are going separately and together in a globalizing but not homogenizing world It was once widely assumed that tribal societies were destined to disappear Sooner or later irresistible economic and political forces would complete the destruction begun by culture contact and colonialism But aboriginal groups persist a reality that complicates familiar narratives of modernization History is a multidirectional process where the word indigenous long associated with primitivism and localism takes on unexpected meanings In these probing essays native people in California Alaska and Oceania are shown to be agents not victims struggling within and against dominant forms of cultural identity and economic power Their returns to the land performances of heritage and diasporic ties are strategies for moving forward ways to articulate what can paradoxically be called traditional futures With inventiveness and pragmatism often against the odds indigenous people are forging original pathways in a tangled open ended modernity Third in a series that includes *The Predicament of Culture* and *Routes* this volume continues Clifford's signature exploration of intercultural representations travels and now returns

Dahl, 2012-12-05 In the UN indigenous peoples have achieved more rights than any other group of people This book traces this to the ability of indigenous peoples to create consensus among themselves the establishment of an indigenous caucus and the construction of a global indigenism **Yupik Transitions** Igor Krupnik, Michael Chlenov, 2013-11-15 The Siberian Yupik people have endured centuries of change and repression starting with the Russian Cossacks in 1648 and extending into recent years The twentieth century brought especially formidable challenges including forced relocation by Russian authorities and a Cold War ice curtain that cut off the Yupik people on the mainland region of Chukotka from those on St Lawrence Island Yet throughout all this the Yupik have managed to maintain their culture and identity Igor Krupnik and Michael Chlenov spent more than thirty years studying this resilience through original fieldwork In Yupik Transitions they present a compelling portrait of a tenacious people and place in transition an essential portrait as the fast pace of the newest century threatens to erase their way of life forever

Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America Robin Inglis, 2008-04-02 The Northwest Coast of America ranging from northern California through Oregon Washington and British Columbia all the way up to Alaska was the last temperate coastline to be placed on the world map First visited by Russians in 1741 and thought to contain a navigable passage between the Pacific and the Atlantic it was systematically revealed during

an intense period of exploratory and commercial activity from the 1770s to the 1790s Subsequently the imperial ambitions of Russia Spain and Britain and an assumption of manifest destiny by the United States led to further exploration and ensured that the region would become disputed territory before national boundaries were determined in the mid 19th century The Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America tells of the heroic endeavors and remarkable achievements the endless speculation about a northwest passage and the fighting and manipulation for commercial advantage that surrounded this terrain This is done through an introductory essay a detailed chronology an extensive bibliography modern maps and selected historical maps and drawings and over 400 cross referenced dictionary entries Entries cover the native people encountered the scientists and artists who left an invaluable documentary and visual record of people places flora and fauna the numerous voyages taken by men such as Vitus Bering James Cook Juan Francisco de la Bodega y Quadra and George Vancouver overland expeditions like those of Alexander Mackenzie Simon Fraser Meriwether Lewis and William Clark and David Thompson and maritime fur traders including George Dixon Grigori Shelikhov Robert Gray and William Sturgis No other dictionary exists that is dedicated solely to the coverage of this region

Natalia Shelikhova Dawn Lea Black,Alexander Petrov,2010-05-15 This volume makes available for the first time in English a variety of primary source materials relating to the life and work of Natalia Shelikov a pioneering nineteenth century Russian American businesswoman As a principal of the Russian American Company Shelikov worked in Alaska and her business acumen and wide ranging connections including the empress of Russia and a swathe of northern leaders were crucial to the growth of Alaska s economy as well as to the welfare of the Native people in whose life and culture she took a strong interest The letters petitions and personal documents presented here will be indispensable for students of Alaska and nineteenth century women s history *The Oxford Handbook of Prehistoric Figurines* Timothy Insoll,2017-04-13 Figurines dating from prehistory have been found across the world but have never before been considered globally The Oxford Handbook of Prehistoric Figurines is the first book to offer a comparative survey of this kind bringing together approaches from across the landscape of contemporary research into a definitive resource in the field The volume is comprehensive authoritative and accessible with dedicated and fully illustrated chapters covering figurines from the Americas Europe Africa Asia and Australasia and the Pacific laid out by geographical location and written by the foremost scholars in figurine studies wherever prehistoric figurines are found they have been expertly described and examined in relation to their subject matter form function context chronology meaning and interpretation Specific themes that are discussed by contributors include for example theories of figurine interpretation meaning in processes and contexts of figurine production use destruction and disposal and the cognitive and social implications of representation Chronologically the coverage ranges from the Middle Palaeolithic through to areas and periods where an absence of historical sources renders figurines prehistoric even though they might have been produced in the mid 2nd millennium AD as in parts of sub Saharan Africa The result is a synthesis of

invaluable insights into past thinking on the human body gender identity and how the figurines might have been used either practically ritually or even playfully
