Looking for Mary Beverly Donofrio, 2001-08-01 Entering her fortieth year Beverly Donofrio a lapsed Catholic inexplicably begins collecting Virgin Mary memorabilia at yard sales Her search for kitsch however soon becomes a spiritual quest leading her to make a pilgrimage to the holy city of Medjugorje There she learns that Mary comes into your life only when pride steps out and receives a bonus hope In Looking for Mary Donofrio offers the universal story about a woman who in a quest for the Blessed Mother finds herself Looking for Mary, Or, The Blessed Mother and Me Beverly Donofrio, 2000 At once a conversion story told by an immediately recognizable girl like you and me narrator an irreverent look at the cult of Mary and a genuinely moving memoir Looking for Mary is the story of one woman's stumble from darkness into the light

The Virgin Mary in the Perceptions of Women Joelle Mellon, 2016-04-21 Once the Virgin Mary was a pivotal element of Christianity a holy figure at the heart of most Christians spiritual lives She was invoked at all major life passages baptisms weddings childbirths and funerals and images of the Virgin Mary could be found virtually anywhere from pub signs to sacred texts Medieval women especially looked to Mary to answer their prayers be their role model and serve as their advocate in heaven They prayed to her several times a day and sometimes devoted their entire lives to her service This book investigates perceptions of the Virgin Mary through several centuries of literature Focusing especially on the depictions of the Virgin Mary in medieval and Renaissance manuscripts the author rediscovers a time when the Divine Female was very much in evidence and good Christian women were taught to pray to a Holy Mother Topics include the cyclical popularity of Virgin Mary devotional objects such as Books of Hours rosaries and Marian gardens the mystical qualities attributed to the Virgin Mary through centuries of reported divine visions the historical relationships between the Virgin Mary and other religious figures including the Devil and Mary Magdalene as an alternative to the Virgin Mary as a feminine model **Missing Mary**

C. Spretnak, 2016-06-07 What ever happened to the Virgin Mary in the modern Catholic Church For the past forty years her presence has been radically minimized In a groundbreaking work Charlene Spretnak cuts across the battle lines delineated by the left and the right within the Church to champion the recovery of the full spiritual presence of Mary Spretnak a liberal Catholic asserts that a deep loss ensues for women in particular when Mary's female embodiment of grace and mystical presence is denied and replaced with a strictly text bound version of her as a Nazarene housewife Complete with a striking insert of contemporary Marian art **Missing Mary** is a deeply insightful reflection on Mary in the modern age **Grieving with Mary** Mary K Doyle, 2009 More art music and literature have been devoted to Mary than to any other woman in history and millions of believers make hard pilgrimages to visit her shrines every day But why do Catholics pray to Mary in times of sorrow or need And how does she help them develop a closer relationship to Christ In **Grieving with Mary** author Mary K Doyle finds comfort and healing in devotion to the Blessed Virgin Doyle walks readers through the illustrious history of the many ways Catholics have of approaching Mary and encourages readers to use one or more of the following to nurture their

own personal relationship with the Mother of God Hymns and prayers Devotional art Shrines Rosary beads Labyrinths Feasts and processions When Catholics pray to Mary or any other saint they ask for her intercession In prose that is clear and precise Doyle makes clear that adoration of Mary does not replace worshipping God but rather draws believers closer to God Ultimately devo

The Way of the Rose Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of *Anatomy of the Spirit* Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary's prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world

Our Lady of the Rock Lisa M. Bitel, 2015-08-25 For more than twenty years Maria Paula Acu has claimed to see the Virgin Mary once a month at a place called Our Lady of the Rock in the Mojave Desert of California Hundreds of men women and children follow her into the desert to watch her see what they cannot While she sees and speaks with the Virgin onlookers search the skies for signs from heaven snapping photographs of the sun and sky Not all of them are convinced that Maria Paula can see the Virgin yet at each vision event they watch for subtle clues to Mary's presence such as the unexpected scent of roses or a cloud in the shape of an angel The visionary depends on her audience to witness and authenticate her visions while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they too can experience firsthand one of the oldest and most fundamental promises of Christianity direct contact with the divine Together visionary and witnesses negotiate and enact their monthly liturgy of revelations Our Lady of

the Rock which features text by Lisa M Bitel and more than sixty photographs by Matt Gainer shows readers what happens in the Mojave Desert each month and tells us how two thousand years of Christian revelatory tradition prepared Maria Paula and her followers to meet in the desert Based on six years of observation and interviews chapters analyze the rituals iconographies and physical environment of Our Lady of the Rock Bitel and Gainer also provide vivid portraits of the pilgrims who they are where they come from and how they practice the traditional Christian discernment of spirits and visions Our Lady of the Rock follows three pilgrims as they return home with relics and proofs of visions where out of Maria Paula s sight they too have learned to see the Virgin The book also documents the public response from the Catholic Church and popular news media to Maria Paula and other contemporary visionaries Throughout Our Lady of the Rock locates Maria Paula and her followers in the context of recent demographic and cultural shifts in the American Southwest the astonishing increase in reported apparitions and miracles from around the world the latest developments in communications and visual technologies and the never ending debate among academics faith leaders scientists and citizen observers about sight perception reason and belief

Miracles and Sacrilege William Bruce Johnson, 2008-01-05 *Miracles and Sacrilege* is the story of the epochal conflict between censorship and freedom in film recounted through an in depth analysis of the U S Supreme Court s decision striking down a government ban on Roberto Rossellini s film *The Miracle* 1950 In this extraordinary case the Court ultimately chose to abandon its own longstanding determination that film comprised a mere business unworthy of free speech rights declaring for the first time that the First Amendment barred government from banning any film as sacrilegious Using legal briefs affidavits and other court records as well as letters memoranda and other archival materials to elucidate what was at issue in the case William Bruce Johnson also analyzes the social cultural and religious elements that form the background of this complex and hard fought controversy focusing particularly on the fundamental role played by the Catholic Church in the history of film censorship Tracing the development of the Church in the United States Johnson discusses the reasons it found *The Miracle* sacrilegious and how it attained the power to persuade civil authorities to ban it The Court s decision was not only a milestone in the law of church state relations but it paved the way for a succession of later decisions which gradually established a firm legal basis for freedom of expression in the arts

The Valiant Woman Elizabeth Hayes Alvarez, 2016-02-23 Nineteenth century America was rife with Protestant fueled anti Catholicism Elizabeth Hayes Alvarez reveals how Protestants nevertheless became surprisingly and deeply fascinated with the Virgin Mary even as her role as a devotional figure who united Catholics grew Documenting the vivid Marian imagery that suffused popular visual and literary culture Alvarez argues that Mary became a potent shared exemplar of Christian womanhood around which Christians of all stripes rallied during an era filled with anxiety about the emerging market economy and shifting gender roles From a range of diverse sources including the writings of Anna Jameson Anna Dorsey and Alexander Stewart Walsh and magazines such as *The Ladies Repository* and *Harper s* Alvarez demonstrates that Mary was represented as pure and powerful compassionate

and transcendent maternal and yet remote Blending romantic views of motherhood and female purity the virgin mother s image enamored Protestants as a paragon of the era s cult of true womanhood and even many Catholics could imagine the Queen of Heaven as the Queen of the Home Sometimes Marian imagery unexpectedly seemed to challenge domestic expectations of womanhood On a broader level The Valiant Woman contributes to understanding lived religion in America and the ways it borrows across supposedly sharp theological divides *The New York Times Book Reviews* 2000 New York Times Staff,2001 This anthology examines Love s Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource *Astonished* Beverly Donofrio,2014-02-25 A narrative composed of brutal honesty tenderness and an aching love for God I could not put it down Sue Monk Kidd author of The Secret Life of Bees In the middle of her life acclaimed memoirist Beverly Donofrio thought she d found a safe haven in a beautiful town in Mexico until she was awakened in her bed by a rapist As she writes in this fierce unflinching account This was not supposed to happen I was supposed to have escaped I had hot flashes and liver spots and was in the final stretch Here Donofrio wrestles with anger toward her attacker and toward life yet realizes her despair is not unlike that of other friends who are struggling with grave illnesses loss of jobs deaths of loved ones Hoping to heal from trauma Donofrio turns to prayer while journeying to five very different monasteries A testimony to how anyone who is broken can move away from fear and anger toward grace Astonished will not only be read and shared by fans of Donofrio s previous books but also by anyone who hopes to be inspired by Donofrio s strength and her search for faith healing and identity [The Routledge History of Italian Americans](#) William Connell,Stanislao Pugliese,2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation s largest ethnic groups This history comprising original essays by leading scholars and critics addresses themes that include the Columbian legacy immigration the labor movement discrimination anarchism Fascism World War II patriotism assimilation gender identity and popular culture This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies Rich illustrations bring the story to life drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience **Finding Our Way Home** Myke Johnson,2016-11-25 In this time of ecological crisis all that is holy calls us into a more intimate partnership with the diverse and beautiful beings of this earth In Finding Our Way Home Myke Johnson reflects on her personal journey into such a partnership and offers a guide for others to begin this path Lyrically expressed it weaves together lessons from a chamomile flower a small bird a copper beech tree a garden slug and a forest fern along with insights from Indigenous philosophy environmental science fractal geometry
