Talespinning David J. Howe, 2011      *A HUMAN VENTURE* V. Virom Coppola, 2009-10-30      **Relational and Body-Centered Practices for Healing Trauma** Sharon Stanley, 2025-03-13 The second edition of *Relational and Body-Centered Practices for Healing Trauma* expands on this groundbreaking model for the treatment of trauma. It includes new principles and healing practices to address individual and collective trauma from climate instability, colonization, the global pandemic, and political unrest. Dr. Stanley expands on body-based relational practices including subjectivity, embodied intersubjectivity, reflective empathy, and community practices to embody ancient ways of knowing. She helps individuals and communities respond to adversity with vitality, empathy, and love. Dr. Stanley combines research in neuroscience and phenomenology with extensive clinical therapeutic experience, knowledge gained from training thousands of students, and collaboration with Indigenous people and traditional societies around the globe. With cross-cultural wisdom, she delves into aspects of somatic therapy and cultural healing, including key elements of relational empathy such as bracketing biases while allowing one's presence to connect with others, the self, and spiritual understanding. The role of homeostasis in healing, which vitalizes recovery from psychological, social, cognitive, and spiritual dimensions of trauma, is explored. How collective trauma can be effectively healed through relational community support. This new edition helps readers deepen and expand their understanding and practice of somatic healing to transform their practice as well as their connection with others and themselves.

**Mikes Obsession** A.W. Snow, 2015-01-05 After the death of his parents, Mike makes a tough decision to leave the family business and change careers. While making a name for himself on the police force, an opportunity arises to make him question what he truly wants for his future. After five months of seeing her every day, he wonders if she is the one. He is fascinated with her, and on the very day he gets the courage to officially meet her, fate steps in and may change everything. The call he gets is for a hold-up at the store he just followed her to, and she's already in there, a possible hostage. Is this a cruel joke? When he enters the store, the scene that is playing out before his eyes is not what he expected. Megan is determined not to be a victim again. She digs deep within herself and uses the training she has to control the situation before anyone gets hurt. Join Mike and see if he saves the girl of his dreams or could it be that she saves him. Will her circumstances keep her trapped behind her walls, or will his love be a new light at the end of the tunnel?

**Marley Was a Saint** I. G. Snyder, 2016-06-14 You admire people who live life to the fullest. Individuals who wake up each morning excited about what the coming day will bring. Diamond was this kind of a dog. Every day was a new adventure in the life of Diamond. He lived life with gay abandon, pushing himself to the limit, trying something new while at the same time pushing his owners to their limits. He was an incredible athlete, perfecting, creating, and developing every kind of retrieving ever imagined. He was bred to retrieve, born to retrieve, loved to retrieve, and lived to retrieve. This perfection, this obsession, was almost the undoing of Diamond and the residents of the stone cottage. If you enjoyed Marley, there was no looking back. He just looked forward to
