Eva Merrill

Looking Backward At Us:

Futurama: Looking Backward at Present Day America Christian Schlegel, 2014-06-27 Matt Groening developed together with his friend and colleague David X Cohen the TV Show Futurama set in New York in the year 3000 Groening describes his vision of the future in Futurama as corporate commercial and confusing which is not what he expects it to be and it is not necessarily valuing this world as good or bad Thus the assumption of this study is that Futurama presents a stereotyped science fiction world that deals with themes and problems of our present time This becomes clear when looking at the excessive use of allusions and references to political and historical events as well as to popular and classical culture The creators comment that way on topics that concern us or at least should concern us today The task of this study is to identify these topics and references focusing on America as a political entity and thereby discuss the points of criticism Futurama raises

Looking Backward, 2000 to 1887 Edward Bellamy, 2016-06-20 Living as we do in the closing year of the twentieth century enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old No historical fact is however better established than that till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages The object of this volume is to assist persons who while desiring to gain a more definite idea of the social contrasts between the nineteenth and twentieth centuries are daunted by the formal aspect of the histories which treat the subject Warned by a teacher's experience that learning is accounted a weariness to the flesh the author has sought to alleviate the instructive quality of the book by casting it in the form of a romantic narrative which he would be glad to fancy not wholly devoid of interest on its own account The reader to whom modern social institutions and their underlying principles are matters of course may at times find Dr Leete's explanations of them rather trite but it must be remembered that to Dr Leete's guest they were not matters of course and that this book is written for the express purpose of inducing the reader to forget for the nonce that they are so to him One word more The almost universal theme of the writers and orators who have celebrated this bimillennial epoch has been the future rather than the past not the advance that has been made but the progress that shall be made ever onward and upward till the race shall achieve its ineffable destiny This is well wholly well but it seems to me that nowhere can we find more solid ground for daring anticipations of human

development during the next one thousand years than by Looking Backward upon the progress of the last one hundred That this volume may be so fortunate as to find readers whose interest in the subject shall incline them to overlook the deficiencies of the treatment is the hope in which the author steps aside and leaves Mr Julian West to speak for himself

Looking Backward Edward Bellamy,2020-12-01 Julian West is an aristocrat in 19th century America He has all that he would ever need a happy engagement wealth and a pleasant place to live Because of his comfortable place in society Julian is unsympathetic to the plight of the middle and lower class and even looks to their protests and strikes with disdain and contempt One day to calm himself he decides to be put in a hypnotic sleep by his doctor in his own underground bunker This was routine for Julian but when tragedy in the form of a fire strikes Julian is presumed dead and left in the bunker A century later Julian is found but wakes to a world he could never predict With the help of the man that found him Doctor Leete and Leete s daughter Edith Julian becomes familiar with the 20th century American reality of equality between the sexes the abolition of poverty free education and fair working conditions Julian must then accept recognize his unempathetic views of the past now understanding that life is better when people of all genders classes and race can be happy But when Julian finds himself back in the 19th century he struggles to convince others of his knowledge and starts to wonder if the ideal 20th century was all a dream Looking Backward was one of the most commercially successful novels of the 19th century and upon its publication inspired mass political movement With the portrayal of the 20th century Bellamy advocates for equality and rejects war and capitalism By depicting a happy working environment where citizens had the freedom to choose their occupations receive fair wages and are able to retire at a reasonable time Bellamy raises awareness for the working class Looking Backward has since inspired the ideology of socialism and proposes solutions to problems that America still struggles with today This edition of Looking Backward by Edward Bellamy features a striking new cover design and is reprinted in a readable font With these changes the compelling plot and insight of Looking Backward is accessible and worthy of conversation Looking Backward & Looking Further Backward Edward Bellamy,Arthur Dudley

Vinton,2018-06-05 This carefully crafted ebook Looking Backward Looking Further Backward is formatted for your eReader with a functional and detailed table of contents Looking Backward Julian West a young American towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up 113 years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods The two start working on improving the future with the experiences from the past and the present Looking Further Backward Set in future of 2023 the book narrates the story of how China invades USA in 2020 after China has adopted rampant capitalism as opposed to rest of the world who are in throes of Nationalism a

socialism like set up Written in a form of a diary the novel directly hits out at Edward Bellamy s 1888 Utopian novel Looking Backward The political drama that unfolds in this novel will make you deeply wonder how the author could foresee so much

Looking Back: Isadore Weiss,2009-07-13 This book is centered around the memoir Looking Back written in 1928 by 20 year old Isadore Weiss only six years after coming to the United States Isadore provides a fascinating insight into Jewish life in the Ukrainian village of Minkovitz before during and after World War One As the war reaches Minkovitz the reader experiences the rare insight of the communitys reaction to the fighting the first cars first motorcycles and first airplanes ever seen by people in that region Contrary to popular current thought we also see the excellent relationship between the Jewish community of Minkovitz and the German occupying troops who made toys and gathered firewood for the homes of the people where they were housed during the winter Isadore also recounts the artillery and the hand to hand combat between the forces of Simon Petlura leader of the pogroms and the Bolsheviks We get to see how the new Communist regime establishes itself in Ukraine Isadores wife Sylvia rounds out the story of how they built a life together in the United States The story continues of how Isadore graduated with honors from the University of Pittsburgh and then worked as a Federal investigator as he overcame the barriers of a new language and anti Semitism Contributing authors provide background on the contemporary social demographic and political environment in Ukraine to help the reader put Looking Back into context

Looking Back to See Maxine Brown,2009-12-30 Revealing entertaining window on the music of the 50s and 60s

Tunnel Thru The Air Or Looking Back From 1940 W. D. Gann,2016-08-09 In this inspirational masterpiece about the role of the human being in the universe finance trader and author W D Gann uses the Bible to explore the secret to successful living Through direct teachings from the Bible the reader may learn how to understand obey and apply the universal laws revealed in the Bible in order to bring about his own latent talents and powers and in turn be firmly set on the road towards health happiness and prosperity

Looking Back to Look Forward, 1994-1995 United States. Bureau of the Census,1993

Looking Back 10-25-16 Robert Janicki,2016-10-25 The personal experiences of a young Marine who served in Vietnam with the 3rd Marines from September of 1967 through October 1968 through the Tet offensive

Looking Back on the Vietnam War Brenda M. Boyle,Jeehyun Lim,2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war s legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam Looking Back on the Vietnam War brings together scholars from a broad variety of disciplines who offer fresh insights on the war s psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global legacies Though they come from diverse scholarly

backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why Looking Backward from 2000 to 1887 Edward Bellamy,2025-08-30 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Looking Back** Eva Merrill,2013-01-25 This book is a first hand account of the events of World War Two seen through the eyes of a teenager who spent some of this period enduring the bombing raids on London and some of it billeted with various families in the country as an evacuee The writing incorporates a chronological account of the main events of the War but is written in such a way that it doesnt seem like a history book Its a real life adventure story sometimes funny and sometimes sad Life wasnt all picnics in the country for an evacuee and such things as toilets in sheds at the bottom of the garden took a lot of getting used to for a little city girl As a source of information on the social history of Britain this book is invaluable as there are all sorts of details that you wouldnt normally find in text books Its written with a sense of the ridiculous and Evas description of how the family actually used their Morrison Table shelter could be a script for a comedy sketch Above all this is a book with universal appeal and is to be recommended to anyone with an interest in the war years as well as schools and colleges where the subject is taught *Looking Back: an autobiography of my childhood in North Central Iowa* Paul Assink,2018-04-15 Cleaning the udders of muddy cows in the spring putting up with temperamental cows who liked to kick being stampeded and nearly trampled upon by hungry hogs you were trying to feed castrating squirming pigs who squealed at the top of their lungs all these things were the unpleasant necessities associated with farm work in my youth Field work was much more pleasant and for the most part even enjoyable Plants were generally predictable and seldom uncooperative the dirt of the field was much cleaner than the manure of the barnyard and the open field less confining than the barn or the hog pen Paul has a unique gift for storytelling Throughout this book along the historical backdrop of the 1930 s Paul brings us back to that place in North Central Iowa into the world of a young boy and later a high school student His delightful recollections are a pleasure to read and cultivate a sense of appreciation for what our forefathers experienced in their lives during those special times **A Journey through my memories... Looking back @80** Shobha Srivastava,2023-07-06 The book is filled with a lot of stories anecdotes and insights into a way of life that has since passed into history For the current generation the book is an interesting look into the life led by their parents and grandparents and for persons who lived through that era it is a great chance to relive those moments once more **Looking Back at the Arkansas Gazette** Roy Reed,2009-04-01 With a legendary beginning as a printing press floated up the Arkansas River in 1819 the Arkansas Gazette is inextricably linked with the state s history reporting on every major Arkansas

event until the paper's demise in 1991 after a long bitter and very public newspaper war Looking Back at the Arkansas Gazette knowledgeably and intimately edited by longtime Gazette reporter Roy Reed comprises interviews from over a hundred former Gazette staffers recalling the stories they reported on and the people they worked with from the late forties to the paper's end The result is a nostalgic and justifiably admiring look back at a publication known for its progressive stance in a conservative Southern state a newspaper that after winning two Pulitzers for its brave rule of law stance during the Little Rock Central High Crisis was considered one of the country's greatest The interviews collected from archives at the David and Barbara Pryor Center for Arkansas Oral and Visual History at the University of Arkansas provide fascinating details on renowned editors and reporters such as Harry Ashmore Orville Henry and Charles Portis journalists who wrote daily on Arkansas's always colorful politicians its tragic disasters and sensational crimes its civil rights crises Bill Clinton the Razorbacks sports teams and much more Full of humor and little known details Looking Back at the Arkansas Gazette is a fascinating remembrance of a great newspaper

Without Looking Back Tabitha Suzuma, 2009-05-07 Twelve year old Parisian boy Louis Whittaker has a lot on his plate his parents are locked in a custody battle over him and his brother and sister Mum's always working late and Dad's rarely allowed to visit them Louis finds release in his dance classes and discovers he has a real talent for ballet But suddenly Dad whisks them away on a surprise holiday to England right in the middle of the school term Something isn't right Dad is acting strangely again could it be he has not fully recovered from his mental breakdown The rented farmhouse in the Lake District is nice but why is Dad furnishing it and why won't he let them call home Then Louis comes across a poster a missing person's poster And it has his face on it

Looking Back 11-1-16 Robert Janicki, 2016-11 The experiences of a young Marine who served in Vietnam as an infantry squad leader with the 3rd Marines from September 1967 through October 1968 through the infamous Tet Offensive

Authoritarian Socialism in America Arthur Lipow, 2022-07-15 In Authoritarian Socialism Arthur Lipow raises important issues about the nature of democracy and defines the intellectual roots of the authoritarian side of the socialist tradition in America and distinguishes it from democratic socialism This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982

Looking Back Life Was Beautiful Grandpa Chan, Chan Jae Lee, 2020-10-20 Based on the Webby award winning Instagram account Drawings for My Grandchildren this beautifully illustrated book celebrates the special love shared between grandparents and their grandchildren Like many grandparents wishing to stay close to their grandchildren in a world in which so many families are spread across the globe Korean grandparents Grandpa Chan and Grandma Marina decided to learn how to use Instagram as a way to stay connected What started as an intimate family project their Instagram page drawings_for_my_grandchildren has attracted a large following

and their story has been featured in major press around the world This book inspired by their Instagram page features Chan's watercolors accompanied by Marina's texts Whether it's to celebrate Astro becoming a big brother to Lua or to share the story of how the grandparents met for the first time and fell in love during their college years Looking Back Life was Beautiful echoes with the kind of family love that spans generations and traverses geography A testament to the great wisdom only grandparents can provide to younger generations Looking Back Life Was Beautiful will inspire families to always stay close and connected Looking Backward 2000-1887 Sylvester Baxter, 2022-08-10 Looking Backward 2000 1887 is a remarkable work of utopian science fiction It tells the story of a young Julian West who is induced into a deep 113 year sleep by hypnosis When he wakes up in 2000 he discovers that America has transformed into a socialist utopia and through technological advancement and the nationalization of the productive capacity of the United States the society has become a place where people work together in harmony
