## Looking For Ilyriand:

**The Great Illyrian Revolt** Jason R. Abdale, 2019-06-30 The little known story of a fierce rebellion against the Romans A very good read for anyone interested in ancient military history and historiography The NYMAS Review In the year AD 9 three Roman legions were crushed by the German warlord Arminius in the Battle of the Teutoburg Forest This event is well known but there was another uprising that Rome faced shortly before which lasted from AD 6 to 9 and was just as intense This rebellion occurred in the western Balkans an area roughly corresponding to modern Croatia Bosnia and Herzegovina Slovenia Montenegro and parts of Serbia and Albania and it tested the Roman Empire to its limits For three years fifteen legions fought in the narrow valleys and forest covered crags of the Dinaric Mountains in a ruthless war of attrition against an equally ruthless and determined foe and yet this conflict is largely unknown today The Great Illyrian Revolt is believed to be the first book ever devoted to this forgotten war of the Roman Empire Within its pages we examine the history and culture of the mysterious Illyrian people the story of how Rome became involved in this volatile region and what the Roman army had to face during those harrowing three years in the Balkans **Forsaken Series** Nancy Veneau, 2011 **Ithaca** Claire North, 2022-09-06 From the multi award winning author Claire North comes a daring reimagining that breathes life into ancient myth and gives voice to the women who stand defiant in a world ruled by ruthless men It s time for the women of Ithaca to tell their tale North brings a powerful fresh and unflinching voice to ancient myth Breathtaking Jennifer Saint author of Ariadne Seventeen years ago King Odysseus sailed to war with Troy taking with him every man of fighting age from the island of Ithaca None of them has returned and the women of Ithaca have been left behind to run the kingdom Penelope was barely into womanhood when she wed Odysseus While he lived her position was secure But now years on speculation is mounting that her husband is dead and suitors are beginning to knock at her door No one man is strong enough to claim Odysseus empty throne not yet But as everyone waits for the balance of power to tip Penelope knows that any choice she makes could plunge Ithaca into bloody civil war This is the story of Penelope of Ithaca famed wife of Odysseus as it has never been told before Beyond Ithaca s shores the whims of gods dictate the wars of men But on the isle it is the choices of the abandoned women and their goddesses that will change the course of the world **Love Amidst Power: Beyond the Cinderella Tale 4** Valentine Liang, 2024-07-10 [Handbook of Language and Ethnic Identity](#) Joshua Fishman, Ofelia Garcia, 2011-04-21 Like the first volume The Handbook of Language and Ethnic Identity Volume 2 is a reference work on the interconnection between language and ethnic identity In this volume 37 new essays provide a systematic look at different language and ethnic identity efforts assess their relative successes and failures and place the cases on a success failure continuum The reasons for these failures and successes and the linguistic social and political contexts involved are subtle and highly complex Some of these factors have to do with whether the language is considered a dialect as in the cases of Bavarian Ebonics and Scots considered to be dialects of German American English and British English respectively Other

factors have to do with government policy as in the cases of Basque and Navajo Still other factors are historical such as the way Canaanite was supplanted in present day Israel by another classical language Hebrew Although the volume offers considerable sophistication in the treatment of language ethnicity and identity it has been written for the non specialized reader whether student or layperson The contributors are an international group of well known scholars in a range of fields Fishman and Garc a provide a detailed introduction that addresses the difficulty of assessing the success or failure of a language They also present a conclusion that integrates the data presented in the volume

**[Bundle] The Royal House of Illyria** Robyn Donald, Robyn Kingston, Robyn Donald, Junko Okada, Junko Okada, Junko Okada, 2016-08-31 Joss Whedon: The Complete Companion PopMatters, 2012-05-01 HE ESSENTIAL UNOFFICIAL GUIDE TO THE WHEDONVERSE Joss Whedon s importance in contemporary pop culture can hardly be overstated but there has never been a book providing a comprehensive survey of his career as a whole until now The Complete Companion covers every aspect of the Whedonverse through insightful essays and interviews including fascinating conversations with key collaborators Jane Espenson and Tim Minear Over 40 contributors have been brought together by PopMatters the acclaimed international magazine of cultural criticism to provide an irresistible mix of analysis interpretation and sheer celebration Whether you re a student looking for critical approaches to Buffy the Vampire Slayer or a Browncoat who follows Nathan Fillion on Twitter or let s face it both there is plenty here to enjoy Covers all the TV series movies and comic books including Buffy the Vampire Slayer Angel Firefly Dollhouse Dr Horrible s Sing Along Blog Fray Astonishing X Men The Avengers and more *Illyria in Shakespeare's England* Lea Puljcan Juric, 2019-06-12 *Illyria in Shakespeare's England* is the first extended study of the eastern Adriatic region often referred to in the Renaissance by its Graeco Roman name Illyria in early modern English writing and political thought At first glance the absence of earlier studies may not be surprising that area may seem significant only to critics pursuing certain specialized questions about Shakespeare s Twelfth Night which is set in Illyria But in fact it is not only often misrepresented in the discussions of that play but also typically ignored in the critical conversation on English prose romances poems and other plays that feature Illyria or its peoples some rarely read others well known including Shakespeare s Comedy of Errors 2 Henry VI Measure for Measure and Cymbeline Lea Puljcan Juric explores the reasons for such views by engaging with larger questions of interest to many critics who focus on subjects other than geographic regions such as othering religion race and the development of national identity among other issues She also broadens the conversation on these familiar problems in the field to include the impact of post Renaissance notions of the Balkans on the erasure of Illyria from Shakespeare studies Puljcan Juric studies the encounters of the English with the ancient and early modern Illyrians through their Greek and Roman heritage geographies histories and travelogues written in a variety of European polities including Illyria itself religious conflict after the Reformation and the threat of Islam and international politics and commerce These considerations show how Illyria s geopolitical position among the Ottoman Empire Habsburg Empire and Venice its

national struggles as well as its cultural heterogeneity figured in English interests in the eastern Mediterranean and informed English ideas about ethnicity nationhood and religion In Shakespeare studies however critics have consistently cast Twelfth Night s Illyria as a utopia an enigma or a substitute for England Italy or Greece Arguing that twentieth century politics and negative conceptions of the eastern Adriatic as part of the Balkans have underwritten this erasure of Illyria from our perspective on the field Puljan Juric shows how entrenched cultural hierarchies tied to elitism and colonial politics still inform our analyses of literature She invites scholars to recognize that for Shakespeare and his contemporaries Illyria is the site of important socio political and cultural struggles during the period some shared with neighboring areas others geographically specific that invite dynamic historical and literary scrutiny *Love Amidst Power: Beyond the Cinderella Tale 1* Valentine Liang,2024-07-10 Illyria Elizabeth Hand,2010-05-13 Madeleine and Rogan are first cousins best friends twinned souls each other s first love Even within their large disorderly family all descendants of a famous actress their intensity and passion for theater sets them apart It makes them a little dangerous When they are cast in their school s production of Twelfth Night they are forced to face their separate talents and futures and their future together This masterful short novel winner of the World Fantasy Award is magic on paper Illyrian Letters Sir Arthur Evans,1878 *Travels in Germany and the Illyrian Provinces. Borza,2020-07-21 In tracing the emergence of the Macedonian kingdom from its origins as a Balkan backwater to a major European and Asian power Eugene Borza offers to specialists and lay readers alike a revealing account of a relatively unexplored segment of ancient history He draws from recent archaeological discoveries and an enhanced understanding of historical geography to form a narrative that provides a material culture setting for political events Examining the dynamics of Macedonian relations with the Greek city states he suggests that the Macedonians although they gradually incorporated aspects of Greek culture into their own society maintained a distinct ethnicity as a Balkan people Borza has taken the trouble to know Macedonia the land its prehistory its position in the Balkans and its turbulent modern history All contribute to our understanding of the emergence of Macedon Borza has employed two of the historian s most valuable tools autopsy and common sense to produce a well balanced introduction to the state that altered the course of Greek and Near Eastern history Waldemar Heckel Bryn Mawr Classical Review **The Orphan of Novogorod, an Illyrian Tale** Arthur Louis Donatti,1841 ILLYRIAN LETTERS ARTHUR J.
