norms In showing how men work to realize a male ideal she counters the prevalent dehumanizing stereotypes of Middle Eastern men all too frequently reproduced in media reports and opens new spaces for rethinking patriarchal structures and their constraining effects on both men and women Praise for *Live and Die Like a Man* In a book that lives up to its name anthropologist Ghannam explores what it means to be a man Her thick descriptions amassed over 20 years of research will make readers laugh cry and gasp at the lives of these individuals By examining the construct of manhood Ghannam is charting new territory in Middle Eastern studies Summing Up Highly recommended CHOICE With its focus on masculinity Farha Ghannam's thoughtful ethnography *Live and Die Like a Man* makes important interventions into the anthropological scholarship on gender childhood and family in the Middle East Her ethnographic sensibility perfectly grasps the dynamic and complex intertwining of male and female ways of being and self presentation and how that interrelationship forms men's lives International Journal of Middle East Studies
